NEWS AND NOTES - WEEK TEN 2011

NEWS AND NOTES - Pitt dominated their Wed night game vs Conn even more than the final score as in the 1H they had a 321-80 yd edge but had a FD at the UC22 with :13 left and no time-outs and took a sack and got zero points and only led 21-3. Pitt led 35-13 when UC took over with 3:22 left and went 71/8pl for a garbage TD with :43 left. The victory was costly for Pitt as they lost star RB Graham (knee) as well as starting OT Matt Rotheram (brk ankle) and starting WR Cameron Saddler (fractured sternum) all for the season...Michigan RB Fitzgerald Toussaint ran for a career high 170 yards. UM had 339 yds rushing and a 535-311 yd edge. Things looked good for PU early as they got a 48 yd TD pass to lead 7-0 and UM scored a TD then was int'd on their next 2 drives but PU was sk'd for a safety then gave up a 37 yd FG, was int'd and UM drove 83/5pl for a TD and UM added a 22 yd FG on the final play of the half to lead 22-7 and PU's first four 2H poss were 3 punts and an SOD at the UM1 when trailing 36-7...Louisville had a 339-182 yd edge and led 27-3 when Syracuse took over with 2:53 left and went 63/6pl and on 4&7 got a 20 yd TD pass with 1:31 left to "only" lose 27-10...Virginia Tech in the 1H vs Duke had a 301-162 yd edge, was int'd at the Duke2 and from the Duke30 was int'd in the EZ and also missed a 29 yd FG. In the 2H VT clinging to a 14-10 lead, punted with 1:50 left and Duke was int'd on 4&1 at their own 38 with :55 left...Washington St actually had a 30-20 FD edge vs Oregon despite the fact that RB LaMichael James and QB Thomas ret'd and started. Brian Bennett replaced Thomas in the 2H. In the 2H WSU had a 260-215 yd edge but they were int'd at the 2 with 8:17 left in the 1Q, int'd at the 2 with 8:35 left and missed a 25 yd FG and trailed 15-10 at the half. The Ducks finally got some breathing room with a Thomas 93 yd KR TD and WSU trailed 43-20 when they went 85/13pl getting a 9 yd TD run and 2 pt conversion with 1:50 left in the game...Oklahoma lost leading rusher Whaley to injury on the first play of the game and it was really a story of 2H's. In the 1H Kansas St led 17-14 mid2Q but a key play of the game happened with :19 left in the half. KSU was down by 3 and had the ball but fmb'l'd and OU would get a 53 yd FG that just cleared the upright on the final play of the half which gave them momentum into the locker room and a 23-17 lead. The Sooners scored TD's on their first 5 poss of the 2H while KSU punted on all 5 and the game turned into a blowout with OU finishing with a 690-240 yd edge...Notre Dame was coming off a disappointing loss the previous week to USC and held Navy to a season low 229 yds. Navy was starting backup QB Miller (5-13-33) who rushed for 55 yards on 19 carries. ND had 2 RB's score multiple TD's for the first time since 2001 and the starters sat the 4Q. ND led 35-7 at the half with a 258-100 yd edge. Navy was SOD at the ND14 on their opening 3Q drive and the Irish went 86/9pl for a TD to go up 42-7. Navy was SOD at their own 43 and the Irish 5pl later got another TD for a 49-7 lead en route to their 56-14 win...As has been the case in all 3 Texas A&M losses this year they blew a double digit halftime lead as they led 28-17 at the half but only managed a FG in the 2H. A&M led 28-14 when Missouri got a 26 yd FG on the final play of the half to give them some momentum. Still the game shifted when A&M up 28-17 with 11:20 left was int'd at the 25 and ret'd 45 yds. MO drove 30/3pl to get a TD to get back in the game and then went 79/6pl for the lead, 31-28. A&M tied it on a FG with 4:10 left after having a FD at the 15. A&M was sk'd on FD at the MO42 with :25 left and fmb'l'd and MO missed a 46 yd FG but got a TD on 3&8 in OT on an 11 yd pass and A&M was SOD on 4&5... Arkansas is the anti-Texas A&M as for the 3rd time this season, they trailed by DD but rallied for a win. Casey Hayward broke up 6 passes and Vandy actually finished with a 462-388 yd edge. Ark rallied to tie in the 4Q on a 94 yd FR TD with 13:25 left in the game and took the lead on a 42 yd FG with 6:53 left but had the ball on their own 39 with 4:37 left and went conservative. On 3&8 that was partially blk'd, they ran for a 1 yd loss and punted and VU went 80/8pl but missed a tying 27 yd FG at the end...Northwestern scored on 9 of their first 10 poss and piled up a 616-488 yd edge in a high scoring shootout vs Indiana. IU has now allowed 40+ points in 4 straight games. NU had a 59-31 lead when IU got a TD with 9:08 left and NU then ate up the final 9:08 going 54/17pl taking a knee at the IU8 to end it...Minnesota students stormed the field after their upset of Iowa. It was a game where IU blew numerous chances to put the game away and left the scrappy Gophers in the game. UM had been outscored 48-0 in the 1Q of their first 7 games but it was scoreless. IU took their first 5 drives of the game into UM territory but were SOD at the UM31, punted 19 yds, missed a chip shot 21 yd FG on 4&2 and missed a 43 yd FG that clanged off the upright and it was just 7-7 at the half despite a 260-165 yd edge. UI leading 14-7 was at the UM14 when they were sk'd and fmb'l'd and it was ret'd 43 yd getting the Gophers back in the game. It was still UI 21-10 when they gave up a TD with 8:22 left and UM then rec'd a surprise outside kick and would get a TD on 4&gl from the 3 with 2:48 left and went for the gutsy 2 pt conv (failed) but they still led by 1. IU was SOD on 4&10 at its own 31...Tulsa pounded SMU with a 451-265 yd edge. The game was played with 28 mph swirling winds but TU settled for a 22 yd FG on their 2nd poss then after an int, drove 20/5pl for a TD and after a 27 yd punt into the wind and K/C interf, drove 25/6pl for a TD to lead 17-0. It was 24-0 at the half and they had a 230-76 yd edge and increased the lead to 38-7 when SMU gained 72 and 56 yds on their final 2 drives which ended on SOD at the 3 and int in the EZ from the 4...Florida lost their 4th in a row for the first time since 1988. Georgia had a 354-226 yd edge but ST hurt them as UF had a 99 yd KR TD and a 63 yd KR set up a 40 yd FG. UGA got a TD with 13:18 left to lead 24-20 and at the end of the game, UGA had a 4th & 2 at the UF10 and broke a tackle and was brought down at the 1 on what would be the last play of the game...One week after N Carolina committed 6 TO's vs Clemson, they forced 5 from Wake Forest. It wasn't just the TO's that had NC winning 49-24 as they had a 562-331 yd edge. NC drove 34 and 77 yds on their first 2 poss, both after WF TO's for a 14-0 lead but only led 14-10 at the half with a 215-134 yd edge. NC missed a 47 yd FG and only led 21-17 when they went 80/9, 34/5pl (after int), 41/3pl (after int) and 75/6pl (WF SOD) for TD's on 4 consecutive poss to go up 49-17...Joe Paterno broke Eddie Robinson's record for victories by a Div I coach with 409 but this was a low scoring defensive battle with 18 punts in a game played in snow. Illinois had 94 yds passing and the Lions just 98. PSU was SOD on 4&1 at the UI35 and UI went 64/11pl for a TD and a 7-0 lead with 3:32 left 3Q, which appeared commanding. PSU settled for a 30 yd FG with 7:00 left and got it back at their 20 with 3:05 left and went 80/10pl for a TD with 1:08 left. UI did drive but a 42 yd FG bounced off the upright on the final play...Army gave Max Jenkins his first career start in what would be his last game at Michie Stadium as a senior. The game was played in snow. Fordham was shutout for the first time in six years and allowed 50 points for the first time in over a decade. Army led 42-0 at the half and very few fans remained at the end in the freezing stands. Rich Ellerson who played in the CFL said he'd never played in a game with such high winds and that they were playing a team that wanted to throw the ball and it was difficult to throw. Army finished with 544-86 yd and 27-6 FD edges...If you were watching the scoreboard, Oklahoma St absolutely dominated Baylor in their 59-24 win as it was 35-0 at half and 49-3 after 3Q's. BU actually finished with a 36-23 FD edge and it was not all garbage yards. In fact BU's first drive went 69/16pl but on 4&1 they were SOD at the gl line. BU fmb'l'd the KO setting up a 13 yd OSU TD. BU went 49/7pl but missed a 48 yd FG. BU went 63/13pl but on 3&gl from the 5 was int'd in the EZ. BU went 46/11pl but on 4&1 was SOD at the OSU32. BU went 57/8pl but on FD from the OSU26 was int'd at the 11 and ret'd 34 yds. BU fmb'l'd in the 3Q to set up an OSU 7 yd TD drive, went on a 10pl TD drive for a 36 yd FG, a 66/9pl drive but fmb'l'd at the OSU1 before finally getting a TD on the first play of the 4Q when trailing 49-3...Rutgers was led out on the field by former player Eric LeGrand and the game was played in poor conditions with rain and blowing snow. Footing was tortuous and no more than 5,000 were in the stands cutting down on RU's home edge. The Knights appeared poised for the upset as they led 31-21 at the half and were up 31-28 when with 11:02 left when they faked a 28 yd FG and had an open man in the EZ but the pass was floated and hung up for a little but was dropped. West Virginia got a TD with 6:18 left then RU fumbled at their own 37 and WV got the frontdoor cover on a 37/3pl drive for a TD with 4:50 left. RU's last 2 drives were SOD at the WV33 and int'd WV22...Hawaii did have a 353-234 yd edge vs Idaho but it was a tough loss for the Vandals. In the 1H they were SOD on 4&1 at the UH42 which set up a UH FG and they trailed 13-7. UI got a 70 yd FR TD with 4:22 left in the 3Q to lead 14-13. Idaho had 2 chances to put it away. They went for it again on 4&1, this time at the UH16 with 14:11 left and was SOD. UI was driving again and with 3:04 left, up by 1, UI had 3&6 at the UH9 but was int'd at the 5. UH drove and got a 35 yd FG with :30 left for the lead. UI got 1 FD and then gained 6 yds on 2 passes and their 53 yd FG on the game's final play was no good...Texas had a 5 game home losing streak in Big 12 play end in a thoroughly dominating 43-0 romp over Kansas. UT had a 35-3 FD and 590-46 yd edge. At the half they had a 316-10 yd edge and punted just once while KU punted 7 times...Mississippi and Auburn were tied 17-17 at half and UM had a 215-191 edge but Clint Moseley would have his first 4 career TD passes and AUB got WR Blake back and he had 71 yards rec. AUB dominated the 3Q with a 141-22 yd edge and pulled away in their 41-23 win with UM even getting a 10 yd TD pass on the game's final play...Clemson came in unbeaten and Georgia Tech off 2 losses and a key injury note was that RB Andre Ellington for CU DNP. CU took their opening drive 67/12pl but settled for a 34 yd FG. CU fmb'l'd on their own 19 and GT would go 71/8pl, 80/11pl and 78/9pl on their next 3 poss all for TD's to lead 24-3 at the half with CU missing a 40 yd FG. CU got a TD with 14:47 left to get within 14 then got a 26 yd IR to the GT9 but threw an int in the EZ and GT went on a back breaking 58/16pl drive before being SOD with 1:29 left while CU's final play was an int at midfield with 1:06 left...Kentucky lost starting QB Morgan Newton on the 3rd series of the game trailing 7-3 at the time. MSU had a 21-6 lead at the half and was int'd at the 2 with the Bulldogs having a 271-127 yd edge. Frosh QB Maxwell Smith for UK caught his stride in the 2H. He led UK 51/12pl for a 35 yd FG on the first drive then 70/11pl for a TD to pull them within 28-16 with 13:50 left. On their 3rd and last drive of the 4Q, UK went 68/16pl but on 4&7 was SOD at the 8 with 4:46 left and the Bulldogs got 3 FD's running out the clock...

37

cont. from Front Page ... **FRONTDOOR COVERS** - East Carolina did have a 461-266 yd edge vs Tulane but TU actually led 10-7 at one point after an 11 yd punt set them up for a 47/2pl TD drive. It was 17-13 at the half and 27-13 when TU was SOD on 4&9 at the EC44. EC went 56/5pl getting a TD with 2:11 left to go up 34-14...Arizona St did score 3 TD's in the 1Q and led 21-0 vs a banged up CU team. Tyler Hansen did not start but came off the bench in CU's 3rd series and threw for 285 yards. ASU only had a 522-420 yd edge. They led 31-7 at the half and it was 34-7 when CU was SOD on 4&gl at the ASU1. CU then fmb'd the punt at their own 13 and ASU got a TD to go up 41-7 but CU answered with a TD with 12:45 left, 41-14. CU was SOD on 4&2 at the ASU49 with 8:23 left and ASU went 51/5pl for an 8 yd TD run with 6:20 left to get ahead of the spread. Hirschman came in for QB Colorado and they went 70/7pl. On 2&11 from the aSU15 Ford got a 12 yd run to the 2 but fmb'd and ASU hung on for the cover.

SHUTOUTS - Air Force lost QB Tim Jefferson in the 1Q but Connor Dietz filled in well even though he threw 1 pass, he rushed 6 times for 87 yds. AF, despite being in a flat spot, did lead 35-0 at the half with a 240-115 yd edge. New Mexico fumbled the punt on their own 24 and was int'd with 3:06 left in the half setting up an AF TD with 1:55 left. NM was int'd at the AF14 and missed 40 and 30 yd FG's on their 3 poss in the 2H resulting in a 42-0 shutout...Florida St had a 444-166 yd edge including 249-106 in the 1H where they led 24-0. NCS's best scoring chances ended on a missed 51 yd FG and a fumble at the FSU30. FSU only led 24-0 when they got a 39 yd FG with 8:56 left and added a 26 yd TD pass with 4:28 left.

SITUATIONAL EDGES - NU had a huge situational edge vs Michigan St catching the Spartans off 2 big home wins vs Michigan and Wisconsin and they had little left in the tank while Nebraska was off a bye and an easy romp over Minnesota. In the 1H NU led 10-3 but only had a 101-83 yd edge with a 25 yd TD drive after an int. The Huskers went 80/13pl and 89/11pl on their first 2 drives of the 3Q to take command, 24-3 and at the Legends division, as they now hold the tie-breaker over MSU. NU only finished with a 270-187 yd edge...Kent St was fresh off a bye while Bowling Green was playing their 9th straight grueling game and came off a big upset of Temple. BG did have a 4-2 TO deficit. The final score came with KSU leading 20-15 when BG with :15 left was sk'd and KSU ret'd it for a TD in the 27-15 win...UCF was off an upset loss as a big HF and Memphis was off an upset win as a DD road dog. The situation said UCF would be angry and smack someone and that they did. They had 28-6 FD and 501-134 yd edges in their 41-0 win...Texas Tech was off their big upset win over Oklahoma, moving up to #19 in the polls and were thoroughly waxed by Iowa St as they were outgained 512-290 and ISU's 368 yds rushing was their most since 2002. It was the 2nd straight year ISU beat a ranked team on the road and there was nothing fluky about it. The Cyclones had 67 and 80 yd TD drives and after a 41 yd IR, got a 1 yd TD drive to go up 21-0 and it was 24-7 at the half. They got a 71 yd TD run in the 3Q then leading 31-7 took over with 4:48 left in the 3Q and went on a back breaking 82/17pl drive for a TD with 11:08 left to make it 38-7. TT had just 191 yds passing...Ohio St had a large situational edge vs Wisconsin, catching them on their 2nd straight national TV road game while OSU was fresh off a bye, playing with revenge and in a rare role of home underdog. At the half UW led 7-3 but their powerful run game was held to 10 yds rushing and for the game OSU had a 268-89 yd edge. OSU led 26-14 after getting a TD with 4:39 left but the Badgers got 2 TD's to take the lead with 1:18 left, 29-26. After a 41 yd KR, OSU got a 40 yd TD pass with :20 left and UW had an untimed down at the OSU43 after a face mask pen and Russell Wilson was hit as he threw and the ball fell incomplete.

THE MOST UNIQUE POWER RATINGS IN THE COUNTRY

These Power Play Forecasts are the most unique in the country because they are based on **Northcoast Sports' Private Power Ratings**. Our ratings are unlike any computer rating, as we take into account all of the following: Strength of Opponents Individual Units (Rushing Offense and Defense, Passing Offense, & Defense, Scoring Offense and Defense, Garbage Yards, Weather, Injuries, Home Field Edge, and Successful Unbalanced Attacks). Here is how each is reflected:

Strength of Opponent: Our ratings do not just take the opposing team's overall power rating into account. For example, in 1992, Washington's defense vs the rush was rated at a "110" (From 1-100). They faced Colorado and allowed 183 yds rushing and **dropped 12 spots** in the national rushing defense ratings. However, Power Plays took into account the potent Buffalo run attack and had forecasted the Huskies yielding 225 yds. Due to the fact they did better than the forecast, Power Plays raised their rating to 112 even though they slipped in the national (straight yardage) rankings. Another example was Michigan vs Purdue in 1989. Michigan held Purdue to just 45 yards rushing and improved their ratings in rushing defense in the national statistics. However, our ratings had them rated at a 102 and moved them down to 99, as they should have yielded just 32 yards to an impotent Purdue rush attack. Next time an announcer on TV tells you that a certain team is #3 in the country vs the run **you better check Northcoast Sports' Power Ratings and see how good a rush defense they really have!** The top twenty ratings in Power Ratings for each offensive and defensive category will be listed in each week's issue of Power Plays.

Garbage yards: These are yards that a team gains or allows in the final minutes of a game when it has been decided. For example, Team A is ahead 63-0 and allows 93 yards passing for a TD vs its fourth string defense. These yards are **counted** into national ratings, **but not in Northcoast Sports' Power Ratings!**

Weather: If a game is played in miserable weather conditions and is low scoring, the straight statistics credit the defense with outstanding performances. Our Power Ratings reflect the conditions and do not give excess credit to the defenses.

Injuries: When South Carolina played NC State in 1989, South Carolina QB Todd Ellis was injured on the third play of the game. His backup, who had seen very little action all year, was not prepared and hit on just 4 of 13 passes for 65 yards. The offensive coordinator did not risk any passes. In the national statistics NC State's pass defense **MOVED UP 14 NOTCHES**. In Phil's Power Ratings they **stayed the same**, as the low yardage WAS NOT reflective of an outstanding performance by the defense.

Home Field Edges: The weekly projection of yards and points is weighted with the home field factored in.

Successful Unbalanced Attacks: In 1989, Ohio St was held to 127 yards passing vs Northwestern. This dropped OSU in the national passing offense ratings & **RAISED** the Wildcats in the pass defense ratings. In our ratings the two units **remained** rated the same. Why? OSU rushed for 456 yards & **DID NOT HAVE TO PASS** & when they did they hit 9 of 11 passes, which is VERY effective. While Northwestern's pass defense looked good in the national ratings, only Northcoast Sports' Power Ratings reflected the TRUTH!

There you have it. More than just numbers, THESE RATINGS REFLECT the true strength of each unit and allow them to have the **most accurate forecast of yards gained and points allowed in the country!** **No other rating system takes into account all the previous factors.** Next time you hear that a team is rated third in the country in pass defense, just remember, yards are not everything and Northcoast Sports' Power Plays will show you how strong the team really is.

CTOTS GAME OF THE YEAR - THIS WEEKEND!!

GAME OF THE YEAR ALERT! COLLEGE TOTALS GOY GOES SAT 11/5! NORTHCOAST SPORTS PLUS OR MINUS POWER RATINGS

The Power Ratings listed below are not based on the Power Plays, they are based on last year's final computer power rating numbers with the pluses and minuses from the off season changes factored in. They are then adjusted during the course of the season based on the final score of the games that are played on a weekly basis. The Power Ratings listed below can be used for you as a base power ratings to forecast up coming lines and strength of opponents, etc. Once again, they are not based on Power Plays and they differ from what we have shown in recent years, which has been our actual computer Power Ratings. These are Northcoast Sports Plus or Minus Power Ratings.

**PLUS OR MINUS
 POWER RATINGS
 UPDATED THRU
 10/29/11**

Welcome to this week's issue of Power Plays. The Power Plays Newsletter consists of forecasts that are made by a special Power Plays rating system. This is a system developed many years ago and we regard it very highly. In our final analysis of the plays the Power Plays forecast takes up anywhere from 25 to 30% of our total analysis. You will see in the Power Plays Newsletter in the write-ups that we agree with the majority of the Power Plays forecasts. However, there are times when we will disagree with the Power Plays forecast. We want to make it clear that this is the Power Plays Newsletter and these forecasts are based purely on the power ratings. You should never use just one method, system or angle to determine your handicapping. The times that we disagree with the Power Plays Newsletter we will clearly note it. If the Power Plays rating is strong enough to be a 4★ Play, yet we are on the other side of the game, we will clearly state that we like the other side of the game.

THURSDAY, NOVEMBER 3rd

SATURDAY, NOVEMBER 5th

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
LOUISVILLE	127	138	20	1.8	✓✓
WEST VIRGINIA	134	323	32	1.7	-

UL's offense doesn't need to be flashy with a D holding opponents to under 300 yds and 16 FD's per/gm. That's why we lean with the Cardinals who are 8-1 ATS away from home under HC Strong.

1★ LOUISVILLE 20 (+) WEST VIRGINIA 32

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
BALL ST	171	238	27	1.6	✓✓✓
EASTERN MICHIGAN	225	203	26	2.8	-

Two up and coming HC's have their teams with a combined 10 wins after they had a combined 8 wins the L2Y! Games a toss up with Eastern having a slight 428-409 yard edge, we'll pass.

NO PLAY: BALL ST 27 EASTERN MICHIGAN 26

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
MISSISSIPPI	200	168	28	2.5	✓✓
KENTUCKY	226	143	26	2.6	-

Each is yet to beat a BCS team TY. PP is calling for a tight game with the Wildcats having a 369-368 yd edge. Need to mention in SEC games the L3Y between a 3 pt dog/fav UK is 0-3 ATS.

NO PLAY: MISSISSIPPI 28 KENTUCKY 26

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
NEW MEXICO ST	17	213	16	2.7	-
GEORGIA	284	278	50	1.0	✓✓✓

Projection is at the number but remember PP can't predict emotion. Georgia has Auburn on deck, is off only their 2nd Florida win in 7Y and failed to cover vs a non-conf foe in the only other similar situation.

NO PLAY: GEORGIA 50 NEW MEXICO ST 16

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
USF	170	208	28	3.4	-
RUTGERS	121	253	27	3.3	✓✓

Another tight game with the yards basically even (378-374). USF wasn't a conf AF in HC Holtz's first ssn but TY they dropped both occasions failing to cover by 30 pts at Pitt and 13' at UConn.

NO PLAY: USF 28 RUTGERS 27

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
VIRGINIA	225	178	24	2.9	✓✓✓
MARYLAND	166	208	23	1.9	-

PP has UVA with just a 1 pt win but we agree with the yards as the Cavs are forecasted with a 403-374 yard edge. UVA has outgained all 3 opp's away TY incl Miami, FI as a 14 pt dog and NC as a 10 pt dog.

NO PLAY: VIRGINIA 24 MARYLAND 23

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
SYRACUSE	78	255	22	1.9	-
CONNECTICUT	112	255	23	2.0	✓✓

We disagree with this forecast as we look to play against overrated Syr. UConn has yet to beat a BCS team by over 6 pts TY but they're off 10 days rest and a bye on deck while Syr is in midst of 3 games in 16 days.

NO PLAY: CONNECTICUT 23 SYRACUSE 22

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
DUKE	91	270	20	2.4	-
MIAMI, FL	184	280	31	1.4	✓✓

With the Vegas line at 2 TD's PP has a lean with Duke. The forecast is for the Hurricanes to have a 464-361 yard edge and our concern is that Duke was held to ssn and #2 lows vs physical FSU and VT.

NO PLAY: MIAMI, FL 31 DUKE 20

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
MINNESOTA	58	75	5	2.1	✓✓✓
MICHIGAN ST	212	260	38	1.3	-

Spartans were drained LW after winning battles vs OSU, Mich and Wisc and now get to face Minn who's off a 15' pt upset. Mich St is allowing 221 ypg at home and PP say UM won't get close to that.

4★ MICHIGAN ST 38 MINNESOTA 5

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
PURDUE	145	125	18	2.0	✓✓✓
WISCONSIN	255	260	44	0.9	-

Another game PP is calling for right at the number. Motivation will be the ? as the Badgers are off B2B B10 losses which last occurred in '09 when they knocked off Purdue 37-0 as a 7 pt fav. We'll pass.

NO PLAY: WISCONSIN 44 PURDUE 18

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
INDIANA	84	153	9	2.7	-
OHIO ST	312	188	44	1.5	✓✓✓✓

The Buck's were written off but if they win out and Penn St loses to Neb or Wisc they're in the conf title game. Massive ST edge and OSU is projected with a 500-237 yd edge. OSU is 8-2 as conf HF.

4★ OHIO ST 44 INDIANA 9

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
VANDERBILT	155	110	19	2.5	-
FLORIDA	125	255	27	2.9	✓✓

We disagree with the forecast as the Gators are off 4 straight losses playing for a HC crowd. Vandy's QB Rodgers is making first road start while VU was outgained 786-267 and outFD'd 41-13 in 2 road gms TY.

NO PLAY: FLORIDA 27 VANDERBILT 19

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
KANSAS	150	138	19	2.3	-
IOWA ST	281	238	42	1.9	✓✓

While not surprised with the forecast as KU approaches historically poor numbers, we favor KU in this spot. ISU is off a 48 pt upset cover and has been a DD conf fav once in the L6Y (LY trailed KU 9-7 HT).

NO PLAY: IOWA ST 42 KANSAS 19

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
NORTHWESTERN	152	208	25	1.7	-
NEBRASKA	299	208	45	1.7	✓✓✓✓

Neb (4-8 ATS conf HF under Pelini) is the situation team of the year getting OSU with the suspensions and Mich St off of 3 HUGE gms. Have to back NW who is 8-4 ATS as a conf AD incl 6 UPSETS the L4Y.

NO PLAY: NEBRASKA 45 NORTHWESTERN 25

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
TCU	216	185	39	1.9	✓✓✓
WYOMING	214	145	23	2.2	-

It has been feast or famine for the Cowboys as every game vs a non-BCS foe has been decided by over 10 pts from the spread incl -32, +37' and +21' the L/3. Look at the yards (TCU only 401-359)!

NO PLAY: TCU 39 WYOMING 23

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
TULANE	51	215	8	2.3	-
SMU	184	280	40	2.8	✓

SMU struggled against top-notch conf foes the L2 but now can take out frustrations here. PP is calling for a 464-266 yd edge. Remember SMU already has beaten TCU (13-0, finished #2 LY) and UCF (11-3, #21).

NO PLAY: SMU 40 TULANE 8

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
ARMY	308	-10	24	2.5	-
AIR FORCE	357	145	39	1.9	✓✓✓✓

It obvious in the forecast that AF has added some resemblance of a passing game. The forecast is for the Falcons to have a 502-298 yd edge. With no line at press-time we'll pass on this one.

NO PLAY: AIR FORCE 39 ARMY 24

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
MICHIGAN	245	215	31	2.6	-
IOWA	160	215	18	2.2	✓✓✓✓

This is another forecast that we disagree with. Mich has only played 2 road games TY getting outFD'd 26-23 at NW and getting outgained 333-250 at MSU. Dog is 5-0-1 ATS in this series at Iowa City.

NO PLAY: MICHIGAN 31 IOWA 18

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
TEXAS TECH	67	233	22	2.5	-
TEXAS	284	208	40	2.4	✓✓

TT just rode the emotional roller coaster covering by 31' in an upset then getting upset failing to cover by 48 pts. Texas has the D to keep this unit struggling. Forecast is for UT with a 492-300 yd edge.

4.5★ TEXAS 40 TEXAS TECH 22

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
TEXAS A&M	147	235	23	2.4	✓
OKLAHOMA	163	440	45	1.5	-

Sooners regrouped off a loss and still have a lot to play for. It is unfathomable in A&M's 3 losses they blew HT leads getting outscored 73-15 in 2H. OU 58-2 SU at home playing ANGRY off previous home loss.

4★ OKLAHOMA 45 TEXAS A&M 23

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
SOUTH CAROLINA	182	188	23	2.6	-
ARKANSAS	89	273	25	2.8	✓✓✓

PP is calling for the dog with the yards almost even but we favor the Hogs. SC gained 503 ypg vs UK and VU (1-8 in SEC comb) but only 299 ypg vs Aub, MSU and UT (comb 5-11 in SEC).

NO PLAY: ARKANSAS 25 SOUTH CAROLINA 23

COLLEGE TOTALS GAME OF THE YEAR GOES THIS SATURDAY!!!!

Not just the strongest play of the day or of the month THE STRONGEST TOTAL OF THE YEAR!

CTOT GOM/YR 8-2 80%

3* AND HIGHER
36-18 67% SINCE 2008

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
NORTH CAROLINA	138	235	29	2.9	✓
NC STATE	62	270	22	2.8	—

Despite LW's loss we still expect a solid finish to the Wolfpack's season as they've become healthier. NC has not only been outgained in all 3 road gms but we'll certainly fade an AF that's been outFD'd by 8 per gm.

NO PLAY: NORTH CAROLINA 29 NC STATE 22

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
LSU	90	85	18	1.6	—
ALABAMA	150	190	26	1.8	—

Nothing surprising about Bama winning and covering but what is surprising is the PP forecast with a DOMINATING 340-175 yd edge. Bama's worst D effort was 251 yds at Penn St while LSU's was 533 yds at WV.

4★ ALABAMA 26 LSU 18

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
OREGON	285	183	43	2.3	—
WASHINGTON	226	263	32	2.7	—

WOW!! Always check the PP forecast out closely as points say Oregon BUT the forecasted yardage has UW with a 489-468 yard edge plus they're a 2TD HD. Ducks also have a trip to Stanford on deck.

NO PLAY: OREGON 43 WASHINGTON 32

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
ARIZONA ST	183	225	35	2.1	✓
UCLA	177	250	22	3.3	—

Another PP forecast with a P12 HD having the yardage edge (427-408). ASU in rare role of conf AF (3-3 ATS L5Y) against a Bruins team whose only 2 conf losses were at Stanford and Arizona.

NO PLAY: ARIZONA ST 35 UCLA 22

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
WASHINGTON ST	77	213	21	2.2	—
CALIFORNIA	139	308	30	2.6	✓

Bears forecasted with an expected 447-290 yard edge as a DD HF. Cal is 1-4 SU in P12 play but has outFD'd & outgained their conf opp by 24 ypg. WSU has outFD'd P12 opp by over 3 per gm (has ply'd Oreg & Stan).

NO PLAY: CALIFORNIA 30 WASHINGTON ST 21

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
NOTRE DAME	180	263	41	2.2	—
WAKE FOREST	96	238	20	1.9	✓

The Irish are projected with a 443-334 yard edge. ND has actually played better on the road as they finished with a 12 FD edge at Michigan, a 4 FD edge at Pittsburgh and a 17 FD edge at Purdue.

3★ NOTRE DAME 41 WAKE FOREST 20

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
SOUTHERN MISS	215	213	40	2.7	✓✓✓✓
EAST CAROLINA	71	313	20	3.0	—

Southern Miss is projected with a 428-384 yd edge and they've now reeled off 6 straight wins and covers. SM will get revenge for LY's loss to EC (-8, 43-44).

4★ SOUTHERN MISS 40 EAST CAROLINA 20

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
IDAHO	128	148	17	3.3	✓✓✓
SAN JOSE ST	128	298	26	3.4	—

LY in the season finale SJSU is 1-11 but covered as a 14 pt dog in OT. Now they are a 7* pt HF against a 1-7 UI squad. PP has the Spartans with a 426-276 yd edge but they are 1-5 ATS in rare TD+ fav role.

NO PLAY: SAN JOSE ST 26 IDAHO 17

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
UTAH	110	178	21	2.2	✓✓
ARIZONA	71	368	29	2.9	—

Arizona with a dominant 439-288 yd edge. Cats have only been outgained by 15 ypg in P12 play but did face OU & Stan while Utah's been outgained by 92 ypg w/o having faced either of the top 2 tms.

4★ ARIZONA 29 UTAH 21

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
STANFORD	232	223	43	1.7	—
OREGON ST	79	318	17	2.8	—

The score shows the Cardinal will dominate but not so fast. PP doesn't adjust for Stanford's look-ahead vs Oreg but even without that the forecast is for only a 455-397 yd edge. OSU is 4-1 ATS as a conf HD the L5Y.

NO PLAY: STANFORD 43 OREGON ST 17

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
KANSAS ST	198	110	21	2.9	—
OKLAHOMA ST	157	405	47	2.1	—

Big yardage edge for the Cowboys here (562-308) but the Wildcats are back in their underdog role and we disagree with PP and believe the outcome will be closer than projected.

NO PLAY: OKLAHOMA ST 47 KANSAS ST 21

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
MISSOURI	271	240	40	1.9	✓✓✓
BAYLOR	179	335	32	2.9	—

While Mizzou is projected with an 8 pt win, the yardage gives Baylor a very slight edge. We'll pass on this one as a down to the wire finish is expected.

NO PLAY: MISSOURI 40 BAYLOR 32

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
HOUSTON	138	443	54	1.7	✓
UAB	213	283	22	3.1	—

While Keenum has been unstoppable at home (see LW's 9 TD pass performance vs Rice), he has gone just 2-12 ATS as an AF being upset on 8 occasions. We disagree with PP's 32 pt win projection and will pass.

NO PLAY: HOUSTON 54 UAB 22

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
CINCINNATI	143	235	32	2.0	✓
PITTSBURGH	132	275	28	2.6	—

PP gives the Bearcats a narrow win in this matchup but we disagree as the Panthers have dominated BE opponents at home TY outsourcing USF and Conn by an avg 21 ppg.

NO PLAY: CINCINNATI 32 PITTSBURGH 28

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
NEW MEXICO	78	208	9	3.1	—
SAN DIEGO ST	258	263	46	1.9	✓✓✓✓

SDSU HC Long vs his former team in this matchup and a big edge in ST's. While NM is now 14-2 ATS in this series, the projected outcome is right at the line and we'll pass.

NO PLAY: SAN DIEGO ST 46 NEW MEXICO 9

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
UTEP	153	213	31	2.6	—
RICE	228	183	26	2.2	—

The Owls were on a 7-0 ATS run in this series until LY's defeat to the Miners while UTEP had their 6 gm ATS win streak snapped LW vs SM. A pass is in the offering here with both tms focused for a win.

NO PLAY: UTEP 31 RICE 26

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
LA TECH	163	215	34	0.9	✓✓✓✓
FRESNO ST	127	315	33	2.8	—

Fresno has not covered in 6 of the L7 while the dog is 7-0 ATS with 4 OUTRIGHT upsets. With the line value moving in LA Tech's favor, we'll ride the visitor here.

4★ LA TECH 34 (if +3 or more) FRESNO ST 33

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
BOISE ST	208	318	50	2.0	✓✓
UNLV	78	93	6	2.9	—

Boise comes into this meeting favored by an amazing 42 pts!! While PP agrees with another Broncos dominating performance, we'll pass as the line is way too steep.

NO PLAY: BOISE ST 50 UNLV 6

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
UTAH ST	215	135	27	2.3	—
HAWAII	60	355	32	2.3	—

The Hawaii pass attack leads the Warriors to 415 yds while the balanced Aggies total 350. PP is calling for a 5pt Hawaii win but with the yardage edge and the strong homefield, we'll favor Hawaii.

2★ HAWAII 32 UTAH ST 27

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
TROY	113	270	25	2.6	—
NAVY	342	145	36	1.5	—

While Navy is projected with an 11 pt win and a 487-383 yd edge, Troy has had an extra week off to prepare for the option which we believe could benefit them here.

NO PLAY: NAVY 36 TROY 25

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
ULM	123	258	26	2.1	—
LOUISIANA	113	253	34	2.4	✓✓

The favorite is just 2-11 ATS in this series. Despite a projected 8 pt win for the Cajuns, the yardage is very close. With the SBC being very unpredictable in 2011, we'll make this a no play.

NO PLAY: LOUISIANA 34 ULM 26

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
FIU	134	300	21	1.4	—
WKU	176	170	25	2.1	—

WKU is off of an upset road win in OT vs ULM despite being outgained 456-283 and outFD'd 30-19. While the score favors WKU, the yardage gives FIU a 434-346 yd edge and we'll pass.

NO PLAY: WKU 25 FIU 21

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
MIDDLE TENNESSEE	152	168	12	2.9	—
TENNESSEE	234	283	40	2.1	✓

Midd Tenn is just 3-29 SU vs the SEC and the Volunteers are projected with a 517-320 yd edge in a 28 pt victory. With the line at 20', we'll ride the home town team in this one (Dooley 7-2 ATS as a fav).

4.5★ TENNESSEE 40 MIDDLE TENNESSEE 12

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
ARKANSAS ST	160	253	34	1.9	✓✓
FLORIDA ATLANTIC	91	143	9	3.1	—

The home team is a perfect 6-0 SU (covered L/3) in this series. PP gives ASU a huge yardage edge of 413-234 but with FAU off a bye and playing on HC, we'll take a pass here.

NO PLAY: ARKANSAS ST 34 FLORIDA ATLANTIC 9

PRO FOOTBALL NOVEMBER 6TH-7TH, 2011

Power Plays is based upon statistical numbers & rankings that are used to develop the projections you see here. As with all types statistical information the more numbers that one inputs ordinarily the stronger the accuracy of the results. Therefore, one would expect the projections to be more reliable after a number of weeks worth of stats are input. The numbers in parenthesis are a comparison of the teams rankings (**Visitor, visitors offense ranking vs home defense ranking, Home home offensive ranking vs visitor defensive ranking**) over each teams last 4 games.

SUNDAY, NOVEMBER 6th

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
ATLANTA	151	190	29	0.0	#21
INDIANAPOLIS	124	150	11	1.8	#31

(ATL #20 vs IND #31, IND #22 vs ATL #18) - 2 years ago the Colts were on the cusp of a perfect season but now due to a 1st place sked they face the very real chance of a 2 win season at best. IND gave LW's game away w/ 2 Ints and a blocked punt for a TD and their bad special teams is making it tougher on both sides of the ball. ATL is coming out its bye with the arrow pointing up after beating CAR & DET in B2B games. PP gives ATL the largest margin of victory here with a very manageable line & LW's upset of the Saints will keep them from overlooking the struggling Colts.

3★ FALCONS 29 COLTS 11

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
TAMPA BAY	129	165	16	1.7	#6
NEW ORLEANS	143	305	29	1.8	#4

(TB #13 vs NO #10, NO #4 vs TB #30) - After playing arguably the most dominating game of the year vs STL the Saints clocked one of the most embarrassing games losing to the Rams. NO's pass protection broke down as they had to field their #3 RT of the year. TB upset NO just 3 Wks ago & should get RB Blount & DT McCoy back here. PP gives NO a 154 yd edge here with a 13 pt margin but DIV fav's of 7 or more off a SU loss are on a 8-16 ATS mark right now which keeps this from being stronger.

3★ SAINTS 29 BUCS 16

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
CLEVELAND	75	108	11	1.8	#24
HOUSTON	158	275	28	0.5	#10

(CLE #24 vs HOU #2, HOU #5 vs CLE #5) - While they only have a 5-3 record the Texans are the most statistically dominating team in the NFL with top 10 rankings in tot yards, rush yards, pass yds and scoring on both sides of the ball w/a top 10 special teams unit. We aren't sold on CLE's #6 defense YTD as the best QB they've faced has been Hasselbeck. PP calls for HOU to have the largest yardage margin of the week here (+250) along with the 2nd biggest point margin (+17) and we agree with the forecast vs a young CLE team travelling for the 3rd time in 4 Wks.

3.5★ TEXANS 28 BROWNS 11

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
NY JETS	143	168	18	1.5	#3
BUFFALO	149	140	19	2.0	#15

(NYJ #31 vs BUF #26, BUF #16 vs NYJ #7) - The Jets are 0-2 SU/ATS off bye under Rex Ryan with a 17-11 avg score. The Jets offense is avg 51 ypg less than LY's #11 unit as their OL which was shuffled around prior to the season has been playing catch up due to injuries. BUF dominated WAS LW holding it to 178 yds, 9 sks and forced 2 TO's but that's what you do vs an injury ravaged offense. Its not surprising PP has this right at the line in a lower scoring game & so the Side is a No Play but the Total is worth a small play here.

NO PLAY: BILLS 19 JETS 18

1★ BILLS/JETS: UNDER

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
MIAMI	104	183	11	2.2	#9
KANSAS CITY	140	220	20	1.4	#12

(MIA #30 vs KC #14, KC #19 vs MIA #16) - MIA got off to a fast start vs a sluggish Giants team that have struggled to dominate at home recently. After their 1st 2 drives they were held to just 96 yds the rest of the game with 5 punts, 1 FG and an Int. After looking like their season was teetering due to key injuries and tough losses the 1st 3 Wks the Chiefs regained their bearing w/ 2 soft foes and a disoriented OAK team. We want to see LW's MNF before making a call here as we want to see which KC team shows up & how they handle themselves afterwards so No Play.

NO PLAY: CHIEFS 20 DOLPHINS 11

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
SAN FRANCISCO	133	168	22	1.9	#1
WASHINGTON	66	248	10	2.6	#17

(SF #9 vs WAS #13, WAS #28 vs SF #12) - This is a dangerous game for the 49ers as at 6-1 for the 1st time since 1998 they are expected to go cross country and beat a depleted team. SF realistically has a shot at the #2 seed in the NFC w/a very forgiving sked on deck. They had its full set of skill players on hand LW with WR Edwards back while WAS is reeling. They've only scored 11 Off TD's TY while SF has allowed 10 (no rush TD's). PP calls for a very even game in terms of yds & with West Coast team being 1-9 ATS as an EST fav we'll temper the grade on the side & peek at the total here.

1★ 49ERS 22 REDSKINS 10

1★ 49ERS/REDSKINS: UNDER

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
SEATTLE	59	185	13	2.5	#28
DALLAS	146	273	27	1.5	#13

(SEA #17 vs DAL #19, DAL #8 vs SEA #17) - Jerry Jones publicly stated prior to the 34-7 mauling by PHI that he was hoping to use the game as a springboard to a "special season" the rest of the way. They hoped their Cover-2 would limit big deep plays but were shredded by PHI's close quarter speed (495 yds). SEA hoped to rest QB Jackson LW & were thrilled he put up 323 yds vs a good but not great CIN defense. PP has DAL w/a 175 yd edge here but calls for this right around the line making it a No Play.

NO PLAY: COWBOYS 27 SEAHAWKS 13

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
DENVER	148	160	16	1.5	#5
OAKLAND	173	193	24	2.3	#7

(DEN #22 vs OAK #20, OAK #14 vs DEN #29) - DEN radically altered its playbook LW to accommodate Tebow's strengths & were rewarded with one of the ugliest QB performances TY. Fox has refused to name him the starter here while OAK is going w/ Palmer here. OAK is the 1st team to get a 2nd look at Tebow as they faced him in his 1st career start LY. We want to see how Palmer does in practice before making a call with PP having this close to the line its a No Play.

NO PLAY: RAIDERS 24 BRONCOS 16

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
CINCINNATI	114	228	23	1.7	#8
TENNESSEE	85	250	20	1.8	#19

(CIN #21 vs TEN #32, TEN #29 vs CIN #6) - The Titans are a surprising 4-3 right now but aside from a flat BAL team their wins are vs teams that are 5-17 combined. With a rookie QB/#1 WR/OC, CIN has surpassed their win total from 2010 already & DC Zimmer will be a hot commodity as a HC in 2011. CIN is more well rounded than TEN off a big win vs the worst team since the 2008 Lions. PP calls for even yards and the Dog to win outright & we agree.

3★ BENGALS (+) 23 TITANS 20

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
ST LOUIS	126	220	20	1.4	#27
ARIZONA	145	159	23	1.8	#14

(STL #27 vs ARZ #27, ARZ #26 vs STL #21) - The Rams got their 1st win of the year in a shocking upset of the Saints. RB Jackson and the DL dominated the game while ARZ blew a 24-3 lead at BAL LW. Its unknown if Bradford will return as high ankle sprains are a 3 Wk injury to QB's. ARZ is 3-7 ATS at home off a SU loss but we want to see if Bradford returns, how STL handles their 1st win & the state of the Cardinals defense after giving up 313 yds over the 2nd & 3rd Qtrs LW.

NO PLAY: CARDINALS 23 RAMS 20

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
NY GIANTS	68	298	20	2.3	#29
NEW ENGLAND	141	280	32	1.5	#22

(NYG #6 vs NE #28, NE #12 vs NYG #15) - 1st meeting since SB 42. NE was hammered by PIT LW as they struggled to matchup in a physical game off the bye. They only had 11 FD & 149 yds after 3 Qtrs as the defense gave up a stunning 10 of 16 on 3rd Dns. The Giants rallied from a slow start vs MIA but they may not have #1 WR Nicks (38 rec 15.1) here. PP calls for NE to rebound here and we respect their 20-6 ATS mark off a loss. Look for Brady and NE underrated run game to be the key players here.

4★ PATRIOTS 32 GIANTS 20

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
GREEN BAY	105	161	25	1.3	#20
SAN DIEGO	145	270	21	2.0	#26

(GB #3 vs SD #3, SD #10 vs GB #23) - SD is off LW's game vs KC & its not known if they rebounded from a tough road loss vs the Jets. Rivers hasn't been himself TY (7-9 ratio) while Rodgers (20-3 ratio) is at an MVP level right now. SD stands to be a HD for only the 2nd time in Turner's tenure but without a solid line due to MNF will be played this is a No Play.

NO PLAY: PACKERS 25 CHARGERS 21

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
BALTIMORE	62	140	18	1.2	#23
PITTSBURGH	105	184	22	1.7	#16

(BAL #25 vs PIT #10, PIT #1 vs BAL #1) - That's not a mistake you see on the left: PIT's #1 offense over the L4W takes on BAL who has the #1 defense over the L4W. PIT was crushed in the season opener by BAL who are coming off 2 SU losses as DD fav's. This game will ripple thru the AFC seedings & be a big part of the AFC North standings. **Get this play on the Northcoast Debit Card System for only \$9 after 11:00 am ET on Sunday. Sunday Night Private Play Hotline Marquee Plays have gone 121-85-4 L/13Y!!!**

NO PLAY: STEELERS 22 RAVENS 18

MONDAY, NOVEMBER 7th

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
CHICAGO	123	163	17	1.5	#2
PHILADELPHIA	178	263	22	2.3	#30

(CHI #11 vs PHI #9, PHI #2 vs CHI #25) - CHI comes in off a bye having watched PHI dismantle the DAL defense on SNF LW. CHI is a respectable 5-2 ATS on MNF with PHI being 15-6 ATS on MNF under Reid. Can CHI's defensive speed contain the Eagles offense & how much has Cutler improved since the DET loss. **We are offering a MONEY BACK PLUS Guarantee on MNM through the Northcoast Debit Card System - take advantage on Monday night after 3:00 pm ET! Pay just \$30 for the MNM Play and if it fails to cover - you'll get \$40 back on your Northcoast Debit Card the very next day!**
