Brady and Manning meet for the 17th and potentially final time (5th playoff matchup) in a rematch of the '13/'14 AFC Championship (26-16 DEN win).

The Patriots are back in the AFC Championship game for the 5th consec ssn (12th overall) following their solid home victory over the red-hot Chiefs (11 straight wins coming in) as they helped deliver a 3★ LP Winner.

Despite trailing for a good portion of their contest and scoring just 1 TD in their past 27 playoff drives, DEN found a way to escape with a 7 pt win over a wounded Steelers squad to get to their 10th AFC Championship in Manning's 1st start since Nov 15th vs KC.

OVERALL PANTHERS by 2 ✓'s

First ever playoff matchup between a pair of former Heisman Winning QB's. While the Cardinals and Panthers didn't meet this ssn, they did match up in the 1st Rnd of LY's playoffs.

Arizona is back in the NFC Championship gm for the 2nd time in tm history (32-25 win over PHI in '08). The lack of a running game (just 40 yds, 80 ypg under their ssn avg) and a less-than-accurate QB Palmer saw the Cardinals narrowly escape with an OT win LW in the desert although GB was able to force the extra frame following a 41-yd Hail Mary.

The Panthers are back in the AFC Championship for the 5th time in franchise history although their 31-0 HT lead LW vs SEA ended much closer than you would think with SEA at an outside kick late in the gm trailing by 7 (SEA 403-295 yd edge).
