

UNDERDOG PLAY OF THE WEEK

Over 32 years this play has been a reader favorite hitting 214-160. The last 14 years the Underdog Play of the Week has recorded numerous **OUT-RIGHT UPSET WINNERS (50!)** to the incredible record **INCLUDING 4 TY** including 3 straight outright winners!!!!!! Here is TW's Underdog Play:

NEBRASKA +7 over MICHIGAN ST

In their 3 recent meetings (2 as B10), incl the '03 bowl, NU is 3-0 SU/ATS (+136 ypg). NU won 24-3 (-4) in '11 but LY on the road trailed 24-14 and got a td with 7:02 left and then was SOD with 3:12 left. NU got it back with back with 1:20 left went 80/8pl incl a 4&10 3rd yd pass. A PI on 3&10 gave them a FD to the 5 and they got a 5 yd td pass with :06 left to pull out the win. LY in Mich St games the visitor went 10-1 ATS and this year is 6-3. Both teams just played Mich with MSU hosting them and it is off a bye while Nebraska traveled there LW. The Spartans' D deserves all the credit it receives as it is holding tms to just 210 ypg, which is 178 ypg below their opps ssn avg's. They are also only all'g 43 rush ypg (1.6) and haven't all'd any opponent to top 100 yds TY. They will get their toughest test to date here as the Huskers offense is avg 247 ypg (5.2). Also noteworthy is comparing the improved Neb D, which LW held UM to -21 yds rush (MSU -48) and also all'd just 32 rush yds to Purdue (MSU all'd 66). It's tough to make a MSU tm a td fav here on the road when their offense is still inconsistent and this is the 1st time the Huskers have been a home dog since upsetting OU all the way back in '09. Huskers take command in the Legends!

FORECAST: NEBRASKA by 3 over Michigan St

NAVY by 10 over South Alabama - First meeting. Navy has won 10 straight home finales by an avg of 21 ppg (5-5 ATS). However, the Mids are just 12-21-1 ATS as a HF including failing to cover LW in their 42-28 win (-16) over Hawaii. We did cash our Top Wkly CTOT LPS on the OVER as QB Reynolds ran for a career-high 226 yds and 4 td's. USA last faced the option in '11 (lost 41-10 Cal Poly). Jaguars did have a bye to prep and it was also probably needed to lick their wounds after yet another heartbreaking loss to Ark St 17-16 (-3). It was USA's 3rd 1-pt loss on the ssn and their other 2 losses came by 2 and 7 pts. Navy can wrap up their 11th bowl bid in 12 w/a win here but it should be noted that USA is 9-3 ATS as an AD incl 3-0 ATS this yr. **Ohio St by 38 over ILLINOIS** - The Illini had a 7-2 ATS run in this series but OSU is on a 5-0 SU/4-1 ATS run, although they have won their last 3 trips here by 10, 11 and 10 pts while being outgained by 40 ypg. LY OSU led just 7-6 in the 1Q but had a dominating 2Q w/220 yds and finished with 567-170 yd and 32-15 FD edges in a 52-22 home win (-27). If there are six Buckeyes' fans will find them which has helped OSU win 9 straight here and cover 4 of 5 overall. OSU went 13-1 ATS as an AF in a 4Y stretch under Tressell and Vegas overcompensated and OSU went 2-4-1 ATS his L2Y. Meyer has now taken that back TY as the Bucks are 3-0 ATS. OSU is also off bye and Bucks are 4-1 ATS off reg ssn byes the L5Y and Meyer is on a 7-1 ATS run overall. In their L2 gms they finally put up some BCS statement wins crushing both PST and Purdue by a combined 119-14 (+427 ypg). Illinois is still searching for that elusive B10 win as the streak has now reached 19 str gms after losing to Indy LW 52-35 (+9). While the offense is avg 425 ypg, the D is all'g 483 and that's not good news facing an OSU offense avg 566 ypg on the road TY. **We used Ohio St as both a 5★ College GOY (-11 at NW 45-10 win) and a 4.5★ LPS on the B10 road in recent years and both were easy winners. Will we play on them again here?**

NEVADA by 1 over San Jose St - 2 of the 3 new MW HC's match up. Prior to a 3 pt loss in the last meeting (2011), San Jose St dropped the prev 3 by 34 ppg but still covered the L2. Nevada is 9-1 SU in the series. The Spartans 4-gm win streak was snapped LW as we cashed not 1, but 2 plays involving the SDSJ/SJSt game. 1st the Aztecs gave us another outright upset winner for our NC Sportsline Comp Underdog POW as they rallied to beat the Spartans 34-30 (+6). We also cashed a 3★ CTOT on the OVER. QB Fales continues his up and down ssn as 2 wks ago we wrote that he looked to have turned his ssn around w/B2B performances vs CST/WY. However, in the L2 gms he's reverted back to his early ssn struggles completing 54% of his passes w/a 4-4 ratio. Speaking of struggling the Wolf Pack will be not be heading to a bowl for the 1st time s/'04 as they have dropped 5 str gms after LW's 38-17 loss (+8) to CST. They did lead the gm 17-16 in the 3Q before the Rams scored the final 22. As much as the Wolf Pack have struggled TY, their home/away dichotomy is quite striking as they are getting outscored by 26 ppg (-206 ypg) on the road but are outscoring their foes by 13 ppg (+88 ypg). Look for them to play loose here and pick up an upset win.

Alabama by 21 over MISS ST - Bama has played MSU more than any other school as they are just 80 miles apart. Domination as the Tide have won 5 straight by 24 ppg with the closest margin being 17 points. They are 4-1 ATS with the loss by a 1/2 pt. Bama is 0-2 ATS after LSU the L2Y. The Tide are 8-3 ATS an AF the L2Y as they travel less players meaning they can't empty the bench like they do at home. Bulldogs are in a tough 3 gm stretch (at SC, at A&M, Bama). LY MSU came in unbeaten and Bama had a big game vs LSU on deck. The Bulldogs came in avg 37 yg but didn't score until the final minutes. The Tide did lead 24-0 at the half with a 245-97 yd edge. TY the Tide play the Bulldogs after the big effort vs LSU as they turned a tie gm in the 3Q into a 38-17 blowout win (-11). QB McCarron still doesn't get enough credit as he was an efficient 14-20-179-3-0 and the Tide owned the LOS w/a 193-43 yd edge. MSU, meanwhile has outplayed both SC and A&M in B2B wks (53-41 FD and 941-844 yd edges) but have come up short on the scoreboard. **We did use Miss St as a HD as a College GOY in this series and they won for us in 1992. Will we boldly go against the Tide here in a clear flat spot w/an inflated line?**

USC by 4 over Stanford - Since WWII USC has lost 4 str yrs to 3 teams: UCLA '96-'99, Oregon '98-'01 and now Stanford. In fact since they lost as the largest fav in '07 (-41), they have gone 1-5 SU/ATS with the only cover as a 10 pt dog (was first time USC DD dog s/'98). LY USC was missing its st'g C and SU had a 202-2 rushing edge and a 417-280 yd edge. We used Stanford +7 at home as a Big Dog POW and they delivered yet another outright upset winner for our Big Dogs (4 Big Dog outright upset winners LW, get your Big Dogs TW for just \$9 on your VIP Card). Stanford is off the huge upset of Oregon (Big Dog and Thur Night Marquee Winner) as they led 26-0 before the Ducks rallied. The Cardinal owned the LOS w/a 274-62 rush yd edge and are 10-2 ATS on P12 road under Shaw. This is HC for USC and they are only off Cal with at Col on deck (P12's 2 worst tms). The Trojans are a couple of missed FG's away vs ND from being a perfect 5-0 SU/ATS under interim HC Orgeron as LW they pummelled Cal 62-28 (-17) getting 2 long PR td's by Agholor. While the Cardinal have owned the series, we like what we're seeing from the Trojans and love their situation as many are talking about whether Stanford should be rated higher than unbeaten Baylor/Ohio St at this point. Those arguments become a moot point by Saturday night.

Colorado St by 14 over NEW MEXICO - The home team has covered 5 straight. There have been 7 outright upsets in the last 11 meetings. LY CSU was '31 at home and NM came in banged up. CSU had a 253-58 yd edge at the half and led 17-7. NM went 9/16pl for a 30 yd FG and then 97/8pl and got a 55 yd td pass with 3:12 left to take a 20-17 lead. CSU got a wheel route that went 30 yds for a td to retake the lead 24-20 with 1:23 left. NM got to the 16 yd line but on 3&10, had a man in the EZ, fired late and it was incomplete. CSU is playing a 6th str wk and they are just 1-4 ATS the L6Y as an AF covering vs UH earlier but they were only laying '1. NM had a bye 2 wks ago and is off a Fri night home win vs AF 45-37 (-3) as they beat the Falcons at their own gm outrushing them 451-257. The Rams, not be outdone got a schl-rec 312 rush yds from Bibbs (10.4) and 4 td's in their 38-17 win (-8) over Nevada. It was their 7th cover in the L9 gms and need to win 2 of their next 3 gms to qualify for a bowl (play 13 gms). While they are in a unique role, the Rams get the call here as this is the best tm they have fielded in possibly a decade.

Memphis by 1 over USF - Sixth mtg s/'00 and they were CUSA foes for 2Y ('03-'04). USF won the last mtg in the St Petersburg Bowl 41-14 (-11). USF is off a bye (3-0 ATS at WKU) with SMU on deck. This gm could set offensive FB back several yrs as the Bulls are avg 15 ppg and have failed to score an offensive td in 4 gms. However, their could be a light at the end of the tunnel in frosh QB Mike White who was 26-41-311-2 in his 1st start vs a good Houston tm that has all'd outing. Memphis is 2-6 and is avg just 15 ppg on the road TY. They do have an underrated D in their L/2 less than 300 yds in 5 of their L7 gms incl LW in a 21-6 (-13) win over UT Martin. This is the first time Memphis has been an AF s/'08 but USF is getting outscored by 21 ppg (-145 ypg) at home TY incl a 53-21 loss to FCS McNeese St.

TECHNICAL PLAY OF THE WEEK..... WISCONSIN REVENGE PLAY OF THE WEEK..... USC SITUATIONAL PLAY OF THE WEEK...NORTHWESTERN

RICE by 21 over Louisiana Tech - HC. LY was the 1st mtg s/CUSA foes in '04. Rice was +21 and LT faced just nine 3rd downs all night and converted 6. Leading 21-0, LT fumbled into the EZ for a TB. LT led 35-17 at the half with a 420-221 yd edge. It was 56-30 when Rice got a 4&11, 14 yd pass with 1:32 left for a td and the backdoor cover, 56-37. Owls are off a bye (8-2 ATS under Bailiff). In their L/gm they suffered their 1st CUSA loss 28-16 (+3) at NT. The gm was very misleading as the Mean Green benefitted from a 65-yd PR td and a 55-yd FR td as Rice had 20-13 FD and 355-253 yd edges. They also couldn't punch it in despite having 8 downs inside the NT10 late. They are on a 14-5 ATS run as a HF. LT should be coming into this one w/some confidence winning 3 of their L/4 gms but a closer look at the sked shows their 4 wins have come over an FCS tm and 3 FBS tms w/a combined 2-25 record. Look for them to get outclassed here vs a rested and angry Owls' tm who LY dominated on HC.

KANSAS ST by 17 over TCU - LY was first mtg s/86 and Patterson got to face his alma mater. The ? all week was if KSU QB Klein would win and he did hitting 12-21-145 yds and was their leading rusher with 50 but he was clearly not 100%. TCU held KSU to 12 FD. Prior to the game, #1 Bama went down giving KSU a clear path to the title game. TCU was held to 136 yds in the first 3Q's. KSU led 23-0 in the 4Q with TCU getting a FG w/6:59 left and after a KSU fmbld drove 39 yds for a td w/4:47 left. KSU went 6-1 ATS LY as a HF and is 3-2 ATS TY incl 2 covers as a B12 HF. TCU is on a 2nd str AG but has a bye on deck. It's been 10 gms and we are still waiting to see a single impressive performance from the Horned Frogs and we have a feeling we are going to have to wait until 2014 as they were nearly upset by arguably the worst tm in the B12 LW needing a td w/:38 left to escape 21-17 (-7) over Iowa St. They need to win out to get to a bowl. On the other side, KSU came into the ssn one of the most inexp'd tms in the country, but now like most Snyder tms do, is getting better as the ssn progresses. They have now won 3 str B12 gms by DD's. LW it was good to see veteran Snyder take the young hot-shot Kingsbury to school w/a 49-26 (+2) beating. Look for these tms to continue to go in opposite directions.

MISSISSIPPI by 21 over Troy - Troy has played 3 SEC teams the prior 3Y going 3-0 ATS covering by 11 ppg and outgained all 3. This year that note was clearly bulletin board material when they traveled to Miss St losing 62-7 but it must be noted that the Bulldogs were off a gut wrenching last second loss to Auburn and were 0-2 vs FBS foes needing a win. This week Ole Miss just clinched a bowl earning a 6th win and while they only won by 10 it was a fat and happy 531-389 yard edge. The Rebels now must recoup as their home finale against the SEC East leading Missouri Tigers is on deck. Troy is off a loss, has a bye on deck will be relaxed as they know how to handle this situation as they are only -21 ypg on the road TY having faced Ark St, Miss St, Duke, Ga St and WKU. Wily vet HC Blakeney is 8-3-1 ATS vs ranked teams and while Rebs are #26 he'll have his team thinking they are top 10.

ARKANSAS ST by 13 over Texas St - Sun Belt teams play their money games early and often get banged up by BCS teams. They recover in October and make their run for the conference title. Ark St has the players and program that is thirsty for a 3rd straight bowl and in the last 5 regular season games over the past 3 seasons they are 12-0 SU/11-1 ATS including 9 straight wins and covers. The Red Wolves are also 14-2 SU at home in that span and return home off their worst home loss (16 pts) s/'07. Texas St has been seemingly impressive in their inaugural Sun Belt season at 2-2, but their wins are vs a pair of programs that didn't have FB teams a few years ago and their losses are to ULM (21-14) which ASU just beat 42-14 and on the road to ULL where they got outgained 572-196. Massive home/road difference with the Bobcats at +92 ypg at home and -218 ypg away and now traveling to a hostile competitor who can not only stop the run (3.4 ypc at home) but stops the pass as well (53% comp all'd at home).

UTEP by 7 over FIU - What happens when a matchup has a pair of teams that have combined for a 2-16 SU record, a 4-14 ATS record, have been outgained by 17 of their 18 opponents and are each looking for a November win to stop long losing streaks? You look for any small edge. The Miners have been a fav twice this year (1-1 SU/ATS) but this is their largest spread and the Panthers have not been an AD with this small of a line (avg +25 ppg). The recent stats show FIU with the edge but on the season the strength of opponents faced are almost identical with UTEP at -119 ypg and FIU at -192 ypg. Aaron Jones (811, 5.1) also gives the home team a running threat compared to FIU's team which is avg 2.0 ypc. With UTEP only -79 ypg at home and FIU playing in altitude and avg -285 ypg away the edge goes to the Miners.

San Diego St by 14 over HAWAII - This is SDSI's 1st recent trip to Hawaii (05 LTH) and 2nd of B2B away. UH, however is off B2B away incl the 2nd farthest pt ever (Army 100 miles more). LY was their 1st meeting s/'05 and the Warriors first game in Qualcomm Stadium s/'98. UH tried a tactic of arriving late and getting out of town right after the game but SDSI finished with 27-12 FD and 412-173 yd edges and won 52-14 (-21). Both of these tms cashed multiple plays for us LW. The Aztecs (+6) were our NC Sportsline Comp Underdog POW (given out FREE every Tue on button #3 at 1-347-677-1700, 16 outright upset winners L3Y) and they beat SJSt 34-30. They were down 23-12 entering the 4Q and managed the win despite having the worst kicking gm in the country. The gm also cashed a 3★ CTOT on the OVER. Speaking of cashing LPS Totals Plays, last week UH/NAVY OVER was our Top Weekly Totals Play and it easily cashed in a 42-28 Navy win. The loss did drop the Warriors to 0-9 on the yr, but unlike the other 4 winless FBS tms, they have been respectable going 5-4 ATS and are "only" -93 ypg as their off is avg 427 ypg the last six games. However, on the other side, the Aztecs are winners of 5 of their last 6 games after a tough start and with a win here, San Diego St becomes bowl eligible for a 4th straight yr. Look for more of the same here as Hawaii will play tough but it won't be enough.

TUESDAY, NOVEMBER 19TH - Buffalo at MIAMI, OH - Miami has covered 3 straight. LY r/Licata made his 1st career start replacing an inj'd Zordich. It was 3-3 at HT but the teams combined for 45 2H pts. MU was +3' on the road and it was the 1st time (s/playing FBS) that UB won a gm in regulation on a FG on the last play 27-24. Two programs heading in opposite directions as downtrodden RedHawks are off Kent last Wed and this is their FHG (1-4 ATS). Meanwhile surging UB is on 2nd str away and 3rd in 4 gms (playing L/5 gms in 5 diff venues). While UB is clearly the better tm, this is a sandwich gm as they are off OU/UT and they have BG on deck for a possible berth in the MAC Champ gm.

Kent St at OHIO - After the visitor won and covered 4 str the L/3 have all been won by the home team. However, Kent is 4-0 ATS. LY a banged up OU team travelled to KS as a 9 pt dog and with a 33 yd IR td KS jumped out to a 21-0 lead w/5:59 left in the 1Q. OU trailed 21-6 at the half despite having a 179-159 yd edge as KS also had a 50 yd FR td 2:00 into the gm. OU was also SOD on 4&1 at the 12 and OU had a 22-15 FD edge. OU has played 7 str wks and this is their 3rd str Tue game. KS is playing their reg ssn finale (earliest of all FBS teams). They did play 6 days ago vs MU but had a bye prior. Flashes will be playing for pride here in RB Archer and DT Nix's last gm while OU is still in the bowl hunt.
