## KEY SELECTIONS

**4★ AUBURN over Arkansas St** - HC Malzahn faces his former tm and will know the ASU players' strengths and weaknesses. The Tigers faced ASU in '06 and '10 winning by 27 and 26 pts (1-1 ATS). Auburn is 19-0 SU vs the SBC but 1-3 ATS their L/4 and LY were outFD'd by ULM 27-19 and needed OT to pull out the win as a 15 pt HF. LW the Tigers laid 14 pts to P12 Wazzu and came back to win 31-24. They were outFD'd 28-16 and benefitted from +2 TO's. New QB Marshall struggled hitting 10-19-99-0-0 but they did manage 297 rush yds. Ark St benefitted from 7 Ark Pine-Bluff players being susp'd and they cruised 62-11 (-28\*) in HC Harsin's debut. Technical edge to ASU as they are 8-3 ATS in non-conf play and 4-1 as an AD. However, experience edge has to go to Auburn as they ret 15 st'rs while ASU has just 11 and their 4th HC in 4 yrs. ASU's OC was a GA with the Auburn offense under Malzahn in '10-'11. ASU also has an important home conf gm vs Troy on deck on Thur. This gm is sandwiched between Wash St and a pair of SEC gms (Miss St and LSU) for Aub and while this would normally be a "C" gm for the Tigers, with it being Malzahn's former tm, we expect them to put forth a solid effort in what should be an easy double-digit win.

**FORECAST: AUBURN by 20 over Arkansas St**

**3★ OKLAHOMA over West Virginia** - West Virginia is now 2-0 ATS vs Oklahoma with both covers by double-digits. They met in the '07 Fiesta Bowl and OU as a 7\* pt favorite overlooked WV and lost outright in one of its most embarrassing losses, 48-28. LY the Sooners were -11\* on the road in their first ever trip to Morgantown. OU appeared in control and led 31-17 at the half with a 369-265 yd edge. WV RB Austin took over and WV got a td with 2:53 left to complete the comeback, 49-44 but OU went 54/6pl and got a td with :24 left. WV had 778 yds but now make their first trip to Norman. LW both tms were breaking in new QB's. WV overcame a 10-pt HT deficit and got a td w/3:22 left to pull out a 24-17 win (-33\*) over FCS W&M. Millard nearly went the distance and was 19-25-237 incl a 69-yd td pass. OU's rF QB Knight got his 1st start and used his legs w/103 rush yds becoming the first OU QB to top 100 rush yds in a gm s/'01. He was just 11-28 for 86 yds but had a 3-1 ratio in OU's 34-0 win (-21\*) over ULM. The OU D looked much improved all'g just 9 FD's and 166 yds to a tm that avg'd 35 ppg vs 3 BCS tms LY. Oklahoma has the talent edges across the board (off #7-44, D #19-75 and ST's #5-121) and after going 72-2 at home from '99-'10, Stoops and Co are "just" 10-3 SU (6-7 ATS) the last 2 years and will want to regain their home dominance.

**FORECAST: OKLAHOMA by 28 over West Virginia**

**3★ Houston over TEMPLE** - UH won the 2 prev meetings by 44 ppg ('87 and '89). This is the Cougars first gm in the new conf and overall is the first official AAC game. The Owls are on a current 5-0 ATS mark in home openers and are coming off a solid offensive performance vs ND as they accounted for 25 FD's and 362 yds vs a top 5 D. They did allow 543 yds and their kicking gm left a lot to be desired missing 2 FG's and an xp. First road gm for UH (3-11 ATS) who is off a Fri Night 62-13 (-40) beatdown vs FCS Southern. Both UH QB's looked good as st'r Piland was 15-23 for 148 yds and O'Korn was 11-15 w/3 td's. The UH run gm was also impressive accumulating 372 rush yds (7.4). Key mismatch here is UH's high-flying attack and the #2 set of rec's in the AAC vs a Temple pass D that ranked #113 in our PDR LY all'g 237 ypg and a 21-4 ratio and LW all'd 355 pass yds and a 3-0 ratio.

**FORECAST: Houston by 9 over TEMPLE**

## OTHER SELECTIONS

**2★ Texas over BYU** - Cougars are 8-4 SU (8-4 ATS) in home openers vs the BCS. BYU is 2-1 SU incl a 17-16 loss in the L/gm ('11). BYU (+7) jumped out to a 13-0 lead late 2Q. Up 6, BYU all'd a 52/8pl td w/8:40 left (punt and int L/2 drives). Texas has won 12 str "true" road openers SU (8-4 ATS) by an avg score of 42-20 (last loss at Stanford in '00). TY UT is the most exp'd tm in the country w/19 ret st'rs and is a legitimate Nat'l Title contender in a very important ssn for HC Brown. LW after a slow start (trailed 7-0 late 2Q), the Horns exploded for a 56-7 (-43\*) win over NMSU gaining a schl rec 715 yards. QB Ash overcame a pair of 2Q int's to throw for 343 yds (71%) and 4 td's. The Cougars, on the other hand, suffered a 19-16 defeat (-2) at UVA despite a 362-223 yd edge. RB Williams had 144 yds but QB Hill was shaky going 13-40-175-1-1 in new OC Ane's hurry-up off and WR Hoffman left gm w/a hamstring inj (CS). While we respect BYU's recent history vs ranked tms (7-3 ATS), UT will be looking to make an early statement much like they did vs Ole Miss on the road LY in our near Sept 5★ (66-31 win, -10).

**FORECAST: Texas by 13 over BYU**

**2★ UNLV (+) over Arizona** - The Wildcats (-2\*) won 38-21 in the only prior meeting ('01). UA is 1-10 SU (2-9 ATS) in road openers. In the L5Y UNLV has hosted 5 BCS tms. While they've gone just 1-4 SU they are 4-1 ATS only being outscored 32-26 and with the avg HT score being 12-12. Rule of thumb under Bobby Hauck for UNLV is to play on them at home (12-5-1 ATS) and play against them on road (4-17 ATS). LW UNLV lost their 23rd straight road game but the 51-23 loss (+13\*) at Minny was very misleading as the Rebs had 21-17 FD and 419-320 yd edges. The Gophers actually scored 3 non-off td's incl an 89-yd IR and a 51-yd blk'd FG return. Rare role for Zona as they were not a road fav under Rich Rod LY. LW they beat N Ariz 35-0 (-34) as they had a 306-94 rush yd edge despite their AA RB Carey being susp'd. They did get a fortunate cover as Northern Arizona got 0 points after a 18gl at the 4 in the 4Q and then Arizona got a 61-yd td w/4:40 left. While we like the Wildcats here to get the win, we will gladly take the points in this one as we won't go against Hauck's rule.

**FORECAST: UNLV (+) Arizona by 6**

## OTHER GAMES

### Thursday, September 5th

**Florida Atlantic at EAST CAROLINA** - First meeting as this is FAU's inaugural CUSA game. East Carolina has gone 7-1 SU (5-3 ATS) at home the L2Y vs CUSA opp including 4-0 LY (3-1 ATS) winning by 18 ppg. EC is one of the most exp'd tms in the country w/18 st'rs back from LY's 8-5 tm and are in the midst of a 3 gm home stand. FAU is in the middle of a 3 gm road trip but were 4-0 ATS LY in B2B road gms incl a 2-0 mark in gms #2-3 LY during a 3-gm road trip. FAU cashed for us LW as a 2★ Selection as an AD vs Miami. Will we go to them again or will the Pirates give them a rude CUSA awakening and continue their home dominance over CUSA foes?

### Friday, September 6th

**Wake Forest at BOSTON COLLEGE** - BC had won 4 in a row SU/ATS but WF has now won the L/2 SU/ATS. There have been 5 outright upsets the L10Y but only 1 in the L/4. The previous 9 meetings had been decided by 10 or less. BC (+3) trailed 21-7 at the half but WF only had a 187-141 yd edge. BC, down 28-14, was SOD at the WF7 and ended the game at the WF2 running out of time. Both tms are among the most exp'd and improved in the ACC (WF 15 ret st'rs, BC 18) and both are off non-covering wins over FCS tms. BC has the talent edges but WF has a couple of extra days to prep off a Thur Night gm while BC is on a short week off a Sat gm and taking on an attack running more option. The winner here takes a major step towards getting back to a bowl gm after missing one LY.

**Ucf at FIU** - The HT is 2-0 SU in this series but FIU is 2-0 ATS. 2Y ago, UCF was -6 on the road and had a 300-238 yd edge but were upset 17-10. LY UCF was -17 at home and dominated the 1H obliterating FIU with a 23-0 lead and a 249-26 yd edge. They did not play with the same intensity in the 2H and only ended up winning 33-20 with FIU gaining 280 yds in the 2H. UCF has a couple of extra days to prep off a Thur night win vs Akron in which they dominated 38-7 (-23). The Knights outgained the Zips 476-250 as QB Bortles had a career day w/314 yds becoming the 1st UCF QB to top 300 yds s/'09. FIU HC Turner's debut did not go well in a 43-10 loss (+21) to MD. The Panthers found themselves down 40-10 at HT and were outgained by an incredible 402-54 yd margin before the Terps eased off the gas in the 2H. UCF has large talent edges across the board (off #50-116, def #69-117, ST #43-90) but will they be peeking ahead to Penn St? **Get the Friday Night Marquee Winner! ### Saturday, September 7th

**Florida by 3 over MIAMI, FL** - These 2 have met 5 times s/'00 (UM 3-2 ATS) incl 2 bowls with UF losing the first 4 but winning the last in '08 26-3 as a 22\* pt HF. Besides Florida St, this is the Gators' first non-conf BCS road game s/'03 (vs #3 Miami lost 38-33 as 14 pt dog). UM is just 2-7 SU s/'10 vs ranked foes but is on a current 4-2 ATS run. After a 26-8 ATS mark from '04-'11 vs non-conf opp, UF is now 1-5 ATS but is 12-4 ATS s/'07 as an AF. Miami was a perfect 3-0 ATS LY as a HD and this is clearly their "A" game for Sept off a HG vs FAU with a bye and Savannah St on deck (UF also has a bye on deck). Both tms are off non-covering wins as they were clearly looking towards this game. We cashed our Underdog POW on Toledo (+23) as UF had 6 susp'd players while also having 2 other st'rs out with inj. Most of those players will return here. They did have 22-12 FD and 415-205 yd edges. We also cashed a 2★ Selection going against UM but RB Johnson did have a career-high 186 yds (9.8). UM is clearly the more exp'd tm w/18 ret st'rs while UF has just 10. However, we like Florida's large defensive edge (#5-53) to carry the day as this one will go down to the wire.

**KENTUCKY by 21 over Miami, Oh** - In '09 they opened the ssn at Paul Brown Stadium and MU was shutout 42-0 (+15). UK has won 7 straight home openers (3-2 ATS incl 3 str wins). This is the 5th straight yr that UK is playing a MAC tm (4-0 SU/ATS avg score 41-9) while MU struggles vs non-conf tms (0-5 ATS run) and is on a 1-6 ATS run as an AD. UK had a disappointing debut for new HC Stoops as their new "Air Raid" offense only managed 203 pass yds in a 35-26 loss (-4\*). While they did manage 419 total yds, 154 of those came in the 4Q when they were trailing 35-17. The MU D which all'd 468 ypg LY did not look improved LW as despite a 14-14 HT score, the RedHawks were outscored 38-0 in the 2H and were outgained 591-239 and outFD'd 34-9 in a 52-14 (+20) loss to Marshall. A quick look at UK's schedule shows that they will only be favored in 1 other gm TY (FCS Alabama St) and after the disappointing opener, Stoops and Co need a feel-good win before Louisville and the SEC gauntlet.

**MICHIGAN ST by 20 over Ucf** - First meeting. Under Dantonio MSU is 17-2 SU (9-9-1 ATS) hosting non-Big Ten opp (only SU losses in '09 vs CM and LY vs ND) but is now 0-7 ATS as a HF. While the HC at Cincinnati ('04-'06) Dantonio went 2-1 SU (3-0 ATS) vs USF. The Bulls are 6-1 SU (4-3 ATS w/3 outright upsets) in road openers (7-9 all-time). MSU has our #1 rated D in the B10 for a 2nd str yr. That D again saved a struggling off LW as they scored 2 td's (FR/IR) and gave up just 11 yds rush (0.4) in a 26-13 (-28) win over WMU. The Spartans used 2 QB's but neither was effective as they combined for 17-37-116 but the whole Spartan team looked sluggish after the 90 min lightning delay. Speaking of ineffectiveness, USF st'g QB Floyd was just 9-20 w/an 0-2 ratio before being pulled for bkp Eveld as HC Willie Taggart's debut was a disaster as they were crushed by McNeese St 53-21 (-20\*). After a 80-yd run on their opening play from scrimmage the Bulls all'd 40 unanswered pts. We will not overreact to week 1 but clearly the Spartans have the D edge (#9-58), only have FCS Youngstown St on deck and should get a relatively easy non-conf win.

**Oklahoma St by 31 over UTSA** - First meeting. OSU 10-4 ATS vs non-conf opp. The Cowboys have ply'd in this venue 3x s/'97 (1-2 SU/ATS, Alamo Bowl). Prior to LY (0-3 ATS), Gundy was 11-1 ATS as an AF and LW cashed in that role yet again as the Pokes beat Miss St 21-3 (-11) in Houston. QB Walsh relieved st'r Chelf on the 3rd series and was 18-27 for 135 yds while adding 125 rush yds. Gundy has already announced he will start here but it is the OSU D that was the major surprise of wk 1 all'g just 3 pts and 2 of 16 on 3rd Dn. This is the 1st BCS team the Roadrunners have played but they did go 5-3 ATS LY in their gms vs FBS opp and LW after trailing 13-0 at NM, scored 21 unanswered pts in an upset win 21-13 (+3). In their first 2 seasons the top attendance draw was 56,743 ('11 opener) and this game has a chance to be their first sellout w/plenty of Cowboys fans in the crowd as well. We're not afraid to back the Cowboys here who return 15 st'rs from LY, are a legit Nat'l Title contender and have covered 10 of 15 gms in the Gundy era as a 3 td or more favorite and they only have Lamar and a bye on deck.

**OHIO by 7 over North Texas** - Only meeting was '09, an Ohio win. They were outgained 301-232 but got an IR td and 2 short FG drives. In 2OT they got a 2 pt conv and won 31-30 (-2\*). These two former B12 HC's met 5 times in B12 with Solich and Neb going 4-1 SU/ATS. OU is off a Sun gm vs Top 10 LOU w/rival Marshall on deck. They were on a 7-3 ATS run vs non-conf opp prior to LW. NT easily won as our Early Bird POW (given out FREE every Monday on button #9 at 1-347-677-1700) w/a 40-6 win over ID (-16). The Mean Green overall had 27-15 FD and 591-369 yd edges as QB Thompson was 23-27 for 349 yds. NT has the exp edge w/17 ret st'rs (OU 12) but the Bobcats have the edge at the skill pos incl a #60-77 off edge and are more exp'd than the numbers indicate due to LY's injuries. LY OU won their HG's by 15 ppg and were +90 ypg and NT lost their road gms by 15 ppg and were -91 ypg.

**OTHER COLLEGE GAMES cont from page 3**

**NORTH CAROLINA by 21 over Middle Tennessee** - First meeting. Prior to playing GT LY, HC Stockstill mentioned that it was the 8th consec year they've played an ACC foe so they were not in awe of the stadium or GT. MT beat MD SU at home and on the road in '08 (+13) and '09 (+7). LY we used one of our famed Big Dog POW's on MT and they were +3500 on the ML and upset GT (+26) by a 49-28 margin. Did you get TW's Big Dog Plays on the PPH for just \$9? Sign up today at 1-800-654-3448. Both tms are off Thur night gms. UNC was outscored 17-0 and outgained 203-35 in the 1Q but rallied back to 20-10 in the 3Q before all'g a 75-yd td run in a 27-10 loss (+12) to SC. MT (-32) jumped out to an early 28-0 lead vs FCS W Car but were only up 31-18 at HT. They did blow it open to 45-18 in the 4Q but QB Kilgore inj'd his shoulder and DNR (CS). The Tar Heels have won 14 straight when hosting non-conf opp's (10-3 ATS) with their last loss in '07 vs #7 SC. NC, however, has dropped 5 str home openers vs FBS tms dating back to '03. They do have QB Renner going up against a MT pass D that ranked #116 in our PDR all'g 253 ypg (67.5%). Fedora is not afraid to run up the score (5-2 ATS HF) and will need a feel good win prior to the bye coming off a loss.

**GEORGIA by 6 over South Carolina** - SC won its 3rd str game vs UGA LY for the very first time in a series that dates back to 1894. They also had their largest MOV ever (28) vs the Bulldogs and Richt said after, "I would just say that SC physically whipped us." Prior to the L/3 gms UGA had been 10-3 SU (6-6-1 ATS). Both tms are off big non-conf gms. SC raced out to a 17-0 1Q lead as they outgained NC 203-35 before holding on in a 27-10 (-12) win. DE Clowney and the entire SC D did have conditioning issues playing in the heat against an up-tempo off. UGA despite a 545-467 yd edge lost to #8 CU 38-35 (-2) on the road as a bad snap on a short FG in the 4Q proved costly. QB Murray was 20-29 for 323 yds while RB Gurley added 154 rush (12.8). Despite the loss LW, the Bulldogs still have plenty to play for as the winner here takes a firm lead in the SEC East race. Despite the recent series woes, we'll take the HT with legitimate revenge as they needed a td with 1:55 left LY to avoid the shutout.

**OHIO ST by 31 over San Diego St** - OSU is 3-0 SU vs SDSt with the L/gm in '05 (won 27-6 but failed to cover as a 27 pt HF). Meyer is 25-1 SU w/ a Nat'l Title in the 2nd yr of his last two stops (Utah and Florida) and his #2 Buckeyes are again one of the favorites. Meyer was known as a covering machine at Utah and UF in non-conf action going 30-5 ATS prior to LY's 1-3 ATS mark here. LW despite racing out to a 23-0 1Q lead, the Bucks found themselves up only 10 in the 3Q (30-20) before putting the Bulls away 40-20 (-34). Heisman frontrunner Miller dealt w/some leg cramps but still threw for 178 yds (68%) w/ a 2-1 ratio while adding 77 rush yds (4.5). In the L3Y SDSt has traveled to Wash, Mich and Missouri losing by 11 ppg and only getting outgained by 13 ypg! LW, however, they lost as a 14 pt HF to FCS E III 40-19. The gm was much closer than the final indicated as it was tied at 19 in the 3Q while the Aztecs finished w/a 24-21 FD edge but were -3 in TO's. SDSt is dangerous here (9-4 ATS as AD) w/ a bye on deck while OSU has a road trip to Cal. However, the Bucks simply have too much talent at the LOS and Meyer will want better execution from his team after a sloppy L3Q's in LW's win.

**Utah St by 3 over AIR FORCE** - Only prior meeting was in '69 (AF, 38-13). LY the Falcons went 4-0 SU at home vs conf opp's (2-2 ATS) winning by an avg score of 35-21 (455-357 yds, -3 TO's). New Utah St HC Wells started in coaching at Navy his first 5 yrs. LY in AG's vs conf foes Utah St went 3-0 SU/ATS but now play in a tougher conf. The Aggies are in a tough stretch of B2B road gms off their rival Utah on Thur night having to prep for the option but shockingly are 12-3 ATS the wk after playing the Utes. LW they rallied from an early 14-3 deficit by scoring 20 unanswered pts. However, Utah (-2) was able to rally for a 30-26 win cashing a 3★ LPS for us despite the efforts of Aggies' QB Keeton who threw for 314 yds (78%) and added 85 rush yds. This is Utah St's 1st gm in MW play while the Falcons are off a 38-13 (-27) win over FCS Colgate. The Falcons trailed 7-0 after 1Q before scoring 38 straight. They did lose their st'g QB Pearson in the 2Q to a knee inj (CS) but bkp Awini quickly led them to 3 scoring drives. Calhoun is 28-9 SU incl 5-1 as a HD and this is an important gm for AF's bowl hopes.

**TULANE by 10 over South Alabama** - First meeting. LY the Jaguars played 4 Sun Belt tms plus NCSt, Miss St and Hawaii on the road. While they went 0-7 SU they were only outgained 390-334 but were +2 FD's and went 4-3 ATS. Prior to LW's 34-7 win (-24) over FCS Jackson St, Tulane had lost 5 straight at home vs non-conf tms by 37 ppg incl to ULM LY, 63-10 (+20). Both tms have a couple extra days of prep off HG's vs FCS tms but they come in w/opposite emotions. Tulane has to be feeling good despite a mediocre performance by QB Montana (6-14-144-2-0) but USA has to be crushed after blowing a 21-13 4Q lead in a 22-21 (-17) loss to S Utah (28 yd GW FG on final play). Tulane is looking to start 2-0 for the 1st time s/'02 (last bowl appearance) and despite being in a rare role of HF (none LY, 3-10 ATS 6 yrs), gets the win.

**Oregon by 17 over VIRGINIA** - First meeting. UO is 9-3 SU (8-4 ATS, 1-4 ATS L/5) in their 1st AG s/'01. Cavaliers are 5-1 SU (3-3 ATS) since '04 in non-conf HG's vs BCS schools (loss vs #3 USC in '08, +19, 52-7). UVA is 6-11 SU (8-9 ATS) the last 6 yrs vs ranked foes incl 0-3 SU/ATS vs Top 10 (avg loss by 32 ppg). The Ducks have a new head man in former OC Helfrich and easily dispatched FCS Nicholls St LW 66-3 (-58) as they rolled up 772 yds incl 500 rush yds as they had 3 100-yd rushers in a gm for the first time in schl hist. Oreg is on an 8-0 ATS run as an AF while UVA is 4-9 ATS as a HD. However, one of those ATS wins came LW as UVA (+2) upset BYU 19-16 despite being outFD'd 21-14 and outgained 362-223. UVA struggled vs a similar La Tech offense LY (lost 56-20, +3) and gave up 187 rush yds last week but we do think they play with a lot of emotion here as Oregon makes a rare trip to the East Coast.

**Duke by 6 over MEMPHIS** - LY Duke was in the unusual role of being a 23 pt HF (largest fav line vs a FBS foe s/'94) and while Duke trailed 14-7 in the 2Q and needed a td with 6:02 to go to get the cover winning by 24. Duke finished with a 38-9 FD and 500-152 yd edges with Mem being held under 100 yds heading into the 4Q. Mem's 2 td's were on a 4 yd IR td and after a 95 yd KR, a 5 yd td drive. This is Duke's 1st trip to the Liberty Bowl and this will be rare territory again being the 1st time s/'05 that they are a AF (in fact only 2nd time s/'99)! Cutcliffe went 2-2 SU/ATS vs Memphis while at Ole Miss (lost L/2). UM is 1-5 in home openers (2-4 ATS) and this is actually their ssn opener as Duke has a GUB adv after easily dispatching FCS NC Central LW 45-0 (-32). Both tms are exp (Duke 14 ret st'rs, Mem 16) and an interesting matchup will be Duke's new ground-oriented off (257 rush yds LW) against a very underrated Mem DL that all'd just 138 rush (3.9) LY and has a couple of NFL prospects. While this figures to be closer than LY's matchup, look for the Devils to come away with a win.

**NORTHWESTERN by 14 over Syracuse** - The home team is 2-1 SU and 2-0-1 ATS but LY we used a 3★ CTOT on Over 53' and NW was -1 in a sweltering Carrier Dome (90° outside). An 82 yd PR and a backward pass that was scooped up by a DL for a td helped NW jump to a 35-13 lead but SU battled back and even took the lead 41-35 with a 23 to 30 left. NW QB Colter opted to sit out the last drive as he was not 100% and Sieman led NW 75/10pl and they got a td with :44 left to pull out the 42-41 road win. Because of the large comeback, SU had a 596-337 yd edge and 33-21 FD edge. The Wildcats rallied from a 24-20 deficit LW to beat Cal 44-30 (-5) thanks to 2 IR td's by LB Ellis. NW was outFD'd 30-22 and outgained 548-508 and did lose st'g QB Colter to a concussion in the 1Q (CS). His replacement, Sieman, was 18 of 29 for 276 yds w/a 1-2 ratio. The Cuse come in off a 23-17 (+8) loss to Penn St as QB Allen was 16 of 37 for 189 yds w/an 0-2 ratio in the loss. SU is 2-11 SU (4-9

ATS) in 'true' road openers and 3-11 SU (7-7 ATS) s/'04 in non-conf BCS AG's. NU has won 6 str home openers by an avg of 24 ppg (4 FCS, 2 BCS, 3-2 ATS). Under Fitzgerald Northwestern had usually been a poor home favorite (4-13 ATS '06-'11) but bucked that trend in a big way last year going a perfect 5-0 ATS. The Wildcats have the experience and familiarity edge in this one while Cuse is breaking in a new coach (although he was DC here last year).

**INDIANA by 10 over Navy** - HC Kevin Wilson spent time preparing for the option in the offseason LY and will do so again TY, especially with this game in the 2nd wk and off a FCS opp. LY we had IU +3 as the NC Sportsline Comp Underdog POW. IU had a 417-353 yd edge (269-120, 20-14 1H) and led the majority of the game (30-21 in 4Q) but Navy came back and got their first win over a B10 foe s/'79, 31-30. Navy is 6-3 in 'true' road openers (losses vs Ball St in '08, #6 Ohio St in '09 and PSU LY), are on a 3-1 ATS run but are just 2-7 SU (5-4 ATS) s/'08 on the road vs BCS programs (both wins at Wake Forest). LW Indy broke a schl record w/45 1H pts in a 73-35 win (-25) over Indiana St. They could have set the schl record for total pts (76) but took a knee in 20 to run out the clock. While QB Roberson got the start, Sudfeld was the star w/4 td passes. A key mismatch will be Indy's high tempo off w/2 solid QB's and the #1 set of WR's in the B10 vs a Navy pass D that ranked #107 in our PDR LY all'g 69.1% and struggled mightily vs a same hurry-up off in the bowl vs ASU. IU also has the GUB edge but the line is too steep for our liking.

**NEBRASKA by 21 over Southern Miss** - These two have met 4 times s/'99 and SM is 1-3 SU/ATS with an outright upset in '04 as a 14' pt dog. LY was the ssn opener and SM cch Johnson said "the biggest thing was they manhandled us on the line. I thought that was obvious the entire game." NU had a 632-260 yd edge with SM getting a 100 yd KR td. Taylor Martinez had a car high 26-34-354 and 5 td passes. NU is 47-3 hosting non-conf opp's incl 12 str wins by an avg 30 ppg. However, LW we went against the Huskers w/a 3★ LPS on Wyoming (+30) and we nearly got a huge outright upset as the NU hung on for a 37-34 win (did lead 31-14). For all the talk in the offssn about how improved the Neb D would be (gave out blackshirts in press for 1st time in Pelini era), they clearly have a problem in Lincoln as they gave up an alarming 35 FD's and 602 yds. The other side is in good hands, however w/8 ret st'rs led by 4-yr st'g QB Martinez and they did manage 530 yds LW. SM is off a disappointing 22-15 (-8) loss to TXSt in HC Monken's debut as despite a 400-207 yd edge, the Eagles dropped their 13th consec gm. TO's were the culprit as they had 6 of them. This may give us a little bit of value as Huskers do have a revenge gm vs UCLA at home on deck and could be caught looking ahead especially vs a team that was 0-12 LY and one they handled easily.

**LSU by 31 over Uab** - In their first meeting in '00 UAB pulled the upset 13-10 as a 16' pt dog. LY UAB played an SEC power on the road and was +33' at SC. After the game Spurrier said, "that's the closest 49-6 game we've ever been involved in" and the FD's were even (20). UAB also went into Ohio St and had a 403-347 yd edge and 22-20 FD edge but settled for too many FG's and lost by 14 but easily covered (+35'). LSU has the NCAA's longest non-conf home win streak (41, last loss to UAB!). While the Tigers are off a big gm vs TCU (UAB on B2B AD 6-0 ATS), they only have Kent St on deck. LSU was impressive LW in a 37-27 win over TCU (-4). The Tigers' offense under new OC Cameron rolled up 26 FD's and 448 yds while the inexp'd D passed the eye test all'g just 13 FD's and 259 yds. The score was close due to a 100-yd KR td for TCU while the Tigers also fumbled inside their own 5 giving the Frogs a cheap td "drive". UAB despite a schl record 367 all-purp yds by Nelson lost 34-31 (+3) in OT at Troy. The UAB D continued its struggles from LY as they all'd Troy QB Robinson to set an NCAA comp % record 93.8% (30-32, min 30 att) which doesn't bode well going up against a Tiger off that wants to be more balanced TY.

**MISSOURI by 14 over Toledo** - This is Missouri's first game against Toledo where Pinkel was the HC from 1991-2000. Prior to LY the Tigers had played and beat a MAC school 6 str ssn's winning by an avg score of 37-15 (3-3 ATS). MO is 7-2 ATS vs non-conf opp but LY UT was a perfect 4-0 ATS as a AD and LW cashed as our Underdog POW in a 24-6 loss to UF (+23). Rockets' QB Owens did struggle as he went 17-38-155-0-1. Now healthy MO QB Franklin looked like his usual self LW as he went 26-38-318-3-0 in a 58-14 (-38) win over FCS Murray St. The Tigers had a 694-297 yd edge. The sked edge here goes to MO as the Tigers are off Murray St w/a bye on deck while the Rockets are on their 2nd str SEC road gm and have 4 important conf gms on deck. MO is a much improved tm TY w/14 str's back incl 8 on off (incl a now healthy QB/RB and OL) and will be facing an inexp'd Rocket D that returns just 4 st'rs. After 7 str bowl ssn's, MO missed out on one LY and will not overlook any opp TY especially Pinkel's old school.

**TULSA by 13 over Colorado St** - Tulsa has lost the last 2 meetings both SU/ATS ('97-'98). In the Golden Hurricane's L/8 home openers they lost a pair of games to BCS foes but won the other 6 by an avg score of 48-17 (4-2 ATS). It's the same old story for the Hurricane as they've lost their ssn opener for the 4th straight time and 8th time in 11Y. The other thing they do consistently is bounce back going 6-1 ATS (won by 12 in their lone non-cover). While they had their chances incl missing 2 FG's and fumbling inside the BG RZ in the 1H, for the most part the exp'd Tulsa offense was ineffective vs BG. Their young D (3 ret st'rs) got even younger as AA DB Nelson was ruled academically inel prior. Off a Thur night gm, they do get the situational edge as CSU is off rival Col on Sun. CSU is much improved in McElwain's 2nd yr w/17 ret st'rs but are just 3-14 ATS off in-state rival Col and just 10-24 ATS as an AD while Tulsa is 7-2 ATS as a HF. What looked like a flat spot will now be a circle the wagons game and they won all 3 times LY off a loss covering by 15 ppg.

**BALL ST by 14 over Army** - The HT is 3-1 SU s/'99. Army won in '99 and '09 but BS's won the L2Y. BS cch Lembo has a great appreciation for military history and was excited about the trip to Army LY. Army st'd 4 frosh and 4 soph on D and BS did only have a 413-379 yd edge in a 30-22 win (-3'). Army dropped a td pass and missed a 43 yd FG late in their 8 pt loss. LTH Ball St (+4) put up 545 yds and led 31-0 at HT. Army is 3-22 SU (9-12 ATS) in road openers. Army is just 1-6 ATS the L/2 yrs as an AD but Ball St had not been a td+ HF s/'10 (0-4 ATS in that role that yr) prior to LW's 51-28 (-12) win over Illinois St. The Cardinals were trailing 21-9 before a 16-yd td pass w/'04 left before the half gave them momentum. After leading the nation w/the most fumbles the L2Y, new Army st'g QB Santiago protected the ball (0 TO's) and ran for 120 yds (7.5) and 3 td's in Army's 28-12 (-33) win over FCS Morgan St LW. Ball St does have the off (#56-84) and ST's edges (#54-109) and we like the fact that they have exp defending the option.

**PENN ST by 28 over Eastern Michigan** - Eastern is now 0-31 SU vs the B10 incl 4 gms the L2Y losing by an avg score of 36-8 although they were 3-1 ATS. They also traveled to Penn St in '11 and the Eagles (+28) got 72 of their 202 yds on their final drive. PSU had a 10 game home opener win streak snapped LY but are 19-3 SU (4-9 ATS run) s/'91. LW they won 23-17 (-8) over Syracuse in true frosh Hackenberg's debut as they had a 353-260 yd edge. The Lions are in much better shape than a yr ago w/14 ret st'rs (just 6 LY). This will be the home debut of Hackenberg (278 pass yds, 71%, 2-2 ratio LW) vs an EMU D that all'd 479 ypg LY and returns just 5 st'rs. LW the Eagles found themselves down 24-13 before they rallied for a 34-24 win (-16) over Howard. HC English has retaken over the DC duties but EM did allow 202 rush yds. Bill O'Brien is 5-1 ATS as a HF and this is their home opener but LY at home the avg score was 29-21 and they were only +49 ypg.

# UNDERDOG PLAY OF THE WEEK

Over the past 32 years this play has been a reader favorite hitting 209-155. Over the last 14 years the Underdog Play of the Week has recorded numerous **OUTRIGHT UPSET WINNERS (46!)** to the incredible record **INCLUDING 3 more LY!** Here is Week Two's Underdog Play:

## ILLINOIS (+10') over Cincinnati

Second meeting with #5 Cincy winning 49-36 (-21) at home in 2009. In that game we won a 3★ LPS on Illinois. Technical edges go to Cincy here as new HC Tuberville was a perfect 5-0 ATS L/2 yrs at TT as an AF while Illinois is 14-2 SU (5-11 ATS) hosting non-Big Ten opp's and UI has lost 10 str (1-9 ATS!) vs FBS opp's! Illini are much improved TY under Beckman and have a key addition of OC Bill Cubit along w/8 ret str's on off. That improved off was on display LW as the Illini raced out to 25-7 HT and 39-17 3Q leads before all'g the backdoor cover in a 42-34 win (-17) over FCS S III. Cincy is off a big debut win for Tuberville as they beat Purdue 42-7 (-10). The score was just 14-7 at HT and Cincy benefitted from an IR td and short drive foll'g a PU TO. With QB Kay limited w/a sore shoulder (CS), Legaux was 13 of 20 for 145 yds (2 int) and added 55 rush yds. Cincy does have the adv at the LOS with our #1 rated AAC OL vs the #12 B10 DL but Beckman desperately needs a marquee win so look for this to go down to the wire.

**FORECAST: ILLINOIS by 1 over Cincinnati**

**REMINDER** ...Since our efforts with totals plays cannot be committed to on Sunday Night, we will include just margins in our Forecasts. This eliminates any confusion when our College Totals Late Phones are released on Saturday.

### OTHER COLLEGE GAMES cont from page 4

**BAYLOR by 21 over Buffalo** - 3rd meeting with the Bears winning both in '07 (34-21, -3) and '10 (34-6, -14'). In the last gm it was HC Quinn's first FBS gm here. They were only outFD'd 22-20 but struggled in the RZ. Baylor is 4-0 SU (2-1 ATS) vs the MAC with the avg score 34-11. In the 1st 5 wks of the ssn, BU has 2 byes and HG's vs the likes of Wofford, Buffalo and ULM while Buffalo is on B2B road coming off a 40-20 loss (+34) at #2 Ohio St. The Bulls were down 23-0 after 1Q but rallied to within 30-20 in the 3Q. Down 10 a penalty wiped out an OSU fumble that would have given the Bulls the ball at the OSU1 and the Bucks took adv scoring the final 10 pts. Briles' tm welcomes back 12 str's and has gone 7-2 ATS as a HF and 6-2 ATS vs non-conf after LW's 69-3 (-30) win over Wofford. The Bears rolled up a 692-233 yd edge as QB Petty looked good in his 1st start going 19-24-312-2-0. Eight of Baylor's 12 home wins the last 2Y have been by 23 or more (incl vs #2 Kan St). Buffalo did hang with UGA for a half LY as a 38 pt dog and also kept BCS Conn and Pitt to within 2 scores while covering vs OSU LW.

**Bowling Green by 10 over Kent ST** - LY Kent St came in #25 and was a 2' pt dog in this key battle in the MAC East. Dri Archer was the story as he got 79 and 74 yd td's as BG actually had 19-14 FD and 438-425 yd edges. Tied at 24, BG had a pass deflected and int at its own 20 setting up KSU's GW td with 8:14 left. KSU has now won 3 in a row SU and 4 in a row ATS in this series after BG was 8-1 SU from '00-'09. While the HT has won 3 in a row SU in this series, they are just 5-8 SU and 3-10 ATS with 6 outright upsets the L12Y. However, huge exp edge to BG in this one as they return 17 str's (Kent 11 and a new HC) and have a huge edge on D (#32-98) despite the presence of Kent's AA DT Nix. LW the Falcons shut down a high-powered Tulsa off in a 34-7 win (-3'). It was, however, just 6-0 at HT as Tulsa missed 2 FG's and fumbled inside the BG20 before the Falcons broke it open in the 2H. They look to have found a QB as Johnson replaced an ineffective Schilz and led them to all of their pts. Despite large FD (20-11) and yardage (361-222) edges, Kent St had to hold on in a 17-10 (-17) win over FCS Liberty as their star RB Archer left the gm in the 2Q (CS). Whether he is healthy or not, look for the Falcons to get revenge (6-0 ATS in road opener) and take a major step in the race in the MAC East.

**TENNESSEE by 17 over Wku** - These two met in '09 and UT rolled to a 63-7 (-29') win w/a 657-83 yd edge. LY both teams played Bama, UK and Troy with UT getting outgained on avg 557-486 and WKU just 358-305. The Vols have 13 ret str's in HC Jones' 1st yr w/surprising talent on the D side and one of the best OL's in the country going up against a WKU DL that avg only 262 lbs. LW both HC's got wins in their openers as UT beat FCS Austin Peay 45-0 (-50') and WKU upset KY for the 2nd year in a row 35-26 (+4'). Both wins were more decisive than the final indicated as UT led 42-0 at HT before letting up while WKU led 35-17 in the 4Q. One of the side stories to this one will be the return of new WKU HC Petrino to the SEC where he ch'd at Ark from '08-'11 delivering a College GOY 5★ win over the Vols 49-7 (-14'). Technical edges go to WKU as UT was just 1-5 ATS LY as a HF while WKU is a perfect 8-0 ATS as an AD the L/2 yrs. With B2B road trips vs Oreg and UF on deck, the Vols will need some feel good wins to start off the ssn and get another one here and we like their line play.

**KANSAS ST by 14 over Louisiana** - KSU is 3-1 SU but just 1-3 ATS vs UL and lost the L/gm SU in '09, 17-15 (last loss vs a non-BCS opp) as a 6' pt AF. KSU trailed 14-2 at half but led 15-14 w/8:08 left. After a punt KSU all'd a 37/10pl WG 48 yd FG drive w/:32 left. KSU is off a shocking loss (but not necessarily to us) to B2B FCS defending champ NDSSt 24-21 (-13'). The Cats did blow a 21-7 lead all'g the gm's final 17 pts. What was shocking to us was that the Cats were dominated at the LOS (NDSSt 215-41 rush edge). UL, on the other hand, is on the back end of st'g the ssn B2B on the BCS road after losing 34-14 (+10) to Ark. They were outgained 522-274. UL is an outstanding 15-3 ATS as an AD but one of those ATS losses under Hudspeth did come in a B2B road situation at B12 OKSt LY (lost 65-24 as 23' pt dog). The Cajuns are also 7-3-1 ATS vs non-conf opp under Hudspeth (nearly upset #7 UF LY). KSU is just 5-11 ATS vs non-conf opp in 2nd stint under Snyder and only returns 10 str's. However, they were 6-1 ATS as a HF LY, have covered in the next gm in all 4 of their prev home losses and needing to bounce back, should come away w/a DD win.

**MICHIGAN by 3 over Notre Dame** - This is an underdog driven series as there have been 9 outright upsets the last 13 years. UM has won the last 3 at home SU/ATS with the home team now 5-1 ATS. Two years ago UM was at home at night and pulled the upset 35-31 with a Denard Robinson 40 comeback. ND (-3') led 24-7 into the 4Q. With :30 left ND was up 31-28 but all'd UM a 64 yd pass (on 2&10) and a GW 16 yd td pass w/:02 for a stunning loss. LY it was a rare night HG for the Irish and UM turned it over 6 times and after the game Robinson apologized to the UM faithful as the Irish won 13-6 (-6'). UM finished with a 299-239 yd edge. Hoke is a perfect 15-0 SU (10-5 ATS) at home here after LW's 59-9 (-31) demolition of CMU. The Wolves did benefit from CMU's st'g QB and RB being KO'd in the 1H. QB Gardner was 10-15-162-1-2 but made several plays with his legs. LW the Irish got 2 td's in the 1st 4:00 of the gm but looked sluggish afterwards in a 28-6 (-29') win over Temple. QB Rees was sharp going 16-23-346-3-0 but the D did allow 25 FD's and 362 yds. Hoke made waves this off-season calling ND "chicken" for ending the series as this will be the last gm played at the Big House for the time being. Expect both tms to play with a chip on their shoulders and this one will go down to the final possession like each of the L/4 meetings. We will have a slight lean with the Irish as the underdog is now 14-3 ATS.

**OREGON ST by 24 over Hawaii** - 3rd meeting s/06 with Hawaii dropping both prior games SU/ATS. LTH ('08) marked UH's only prior visit. UH (+13) led 7-0 going 73/6pl w/9:49 1Q but from that pt on were shutout gaining just 133 yds (3.0). OSU is 5-3 SU vs Hawaii. Not only did OSU jump back into the rankings LY but they also improved their ATS streaks. After going 2-7 ATS in non-conf play from '09-'11, OSU was 3-1 ATS LY and 4-1 ATS as a HF after a 2-8 mark ('09-'11). However, LW the Beavers were shocked by FCS E Wash 49-46 (-27) all'g 625 yards. They were down 29-17 at HT but

**SITUATIONAL PLAY OF THE WEEK.....KANSAS ST**

rallied back to take a 46-43 lead before all'g a td w/:18 left. QB Mannion did go 37-43-422-3-0. UH does have a couple of extra days to help get over the travel after hosting USC and has a bye on deck. The Warriors competed w/USC early (led 5-3 2Q) but 4 int's by QB Graham proved costly in a 30-13 loss (+23'). Look for the Beavers to play inspired and rebound after the upset loss.

**Minnesota by 17 over NEW MEXICO ST** - Minny HC Kill's first ever home game was against these Aggies, which was a 28-21 loss as a 23' pt fav. He along with NMST HC Martin (KSU) are both MAC alumnum with Kill's Huskies winning the only meeting (-3, 42-16 '08). While many may play on revenge, this Gophers squad is 1-4 ATS as an AF the L5Y and are 2-8 SU away. Minny's "dominating" 51-23 win (topped 50 1st time in 7Y) gives the dog some value as UM had 3 def/ST td's as well as 37 and 39 yd td "drives" getting outgained 419-320. Can't trust Minny QB Nelson as he threw for 47% (4-5 ratio) on the road LY and was under whelming vs LY's #98 D hitting 10-22 vs UNLV. NMST avg'd just 15 ppg in 3 of the L4Y but in '11 with Martin as OC the team avg'd 24.5 ppg and LW vs Texas were up 7-0 late in the 2Q before the roof caved in on them in a 56-7 (+43') loss. They allowed 715 yds but QB McDonald did manage 32-46-242-1-1. Minny's improved OL/DL and the fact that UM has 2 days extra prep with only an FCS tm on deck keeps us from making this a play on the HD.

**WYOMING by 24 over Idaho** - WY has taken both recent meetings as they won 28-13 (-9') at home in '09 and LY QB Brett Smith was doubtful coming but played and hit 23-35-365 w/a career high 5 td passes. ID (-2') at home had a 263-167 yd edge at the half. WY got a td with 3:30 left for a 34-27 lead but ID got an 8 yd td pass on the final play to force OT where WY won it 40-37. WY DC Chris Tormey played LB for the Vandals from '74-'77 and was the HC there from '95-'99. Idaho is 1-8 SU (3-6 ATS) s/'07 in the 2nd of B2B AG's (w/our ssn and no byes). They have a new HC and just 10 ret str's. LW we went against the Vandals w/our Early Bird POW and they were dominated at NT 40-6 (+16). We also had a good pulse on the Cowboys LW making them a 3★ LPS and they easily cashed as a 30' pt AD in a 37-34 loss to Neb. QB Smith continues his impressive play as he hit 29-43-383-4-1 while also adding 92 rush yds. Look for him to have another great day going up against an ID pass D that lost 3 str's in secondary and was #105 in our PDR LY all'g 276 ypg (65%) and a 27-9 ratio and then all'd 349 yds (85%) to NT QB Thompson LW.

**UTEP by 3 over New Mexico** - They played 4 times from '05-'10 with New Mexico dropping 3 incl the L/2 (1-3 ATS). In the last meeting the Lobos got 2 ST td's but were outgained 435-237 in the 38-20 loss (+15). The HT is 5-1 SU with the loss coming in the last game ('10) as UTEP won at NM. Bob Davie did an outstanding job in his 1st yr at NM LY getting the Lobos to 4 wins but they do return just 10 str's and LW, after jumping out to a 13-0 lead, allowed 21 unanswered pts in a loss to UTSA. UTEP has a new HC in Sean Gugler and have 12 ret str's while learning new schemes. NM also has a GUB advantage but are 0-7 ATS in road openers. While UTEP has all summer to prep for the option, none of the current players have played against an option based tm in their careers here. Look for this one to be close.

**USC by 21 over Wash St** - USC has won 15 str home openers (6-9 ATS incl 0-3 ATS under Kiffin). USC is 10-6 SU hosting Pac-12 foes (33-1 run prior) but are on a 5-0 ATS run as a CHF. USC has won 8 str vs WSU (6-2 ATS). The last gm was in '10, USC (-22) trailed 7-0 but up 21-13 scored 29 unanswered. One yr after being AP press #1, USC will be flying under the radar TY and is much stronger than the tm that received that lofty press rating a yr ago. LW they trailed Hawaii 5-3 in the 2Q before scoring 27 unanswered. While RB Madden and the D impressed (192-23 rush yd edge), the QB situation remains unclear as Kessler/Wittek combined for 15-29-172-1-1. The Cougars put forth a valiant effort in a 31-24 loss (+14) to Aub as they had 28-16 FD edge. While QB Halliday threw for 344 yds, his 3 int's proved costly incl the final inside the Aub redzone. Wazzu is off a trip down South and travelling again while USC has a couple extra days to prep after the trip to the Islands. USC has won their L/5 P12 HG's as a fav by an avg of 31.2 ppg and we expect more of the same here.

**STANFORD by 21 over San Jose St** - In the late 90's this was billed as Class Warfare with SJSt more of a working class culture and the Spartans played inspired each year covering 6 in a row and in fact won 3 in a row SU from '98-'00. Stanford has now taken control of the series going 9-1 SU and 8-2 ATS. LY SU gave Josh Nunes his first start stepping into the large shoes of Andrew Luck. Nunes hit just 16-26-125, while SJSt David Fales hit 24-35-216. We used SJSt as the Underdog POW on these pages and they almost got the outright upset win despite being a 24' pt dog. In fact, SJSt had a 287-280 yd edge and had the ball down 20-17 when they were int'd at the SU45 in the final minute. An interesting matchup again will be Fales (NFL prospect) against one of the best D's in the entire country. SJSt does have the GUB adv after a 24-0 win (-18') over FCS Sacramento St. While Cardinal are a great 8-2-2 ATS vs non-conf opp, SJSt are even better at 12-1 ATS. Stanford only has minor edges on offense (#40-61) and ST's (#38-49) but has our #2 rated D while SJSt is #65. With Army on deck, SU may have snuck in a little work vs the option which they rarely see.

**MARYLAND by 21 over Old Dominion** - 1st meeting. The Terps are 30-7 SU s/'98 hosting non-conf foes but are on a 4-7 ATS run. MD only beat FCS Delaware 14-7 in '08 and James Madison 38-35 (-10) in '09. They walloped Morgan St 62-3 (-34') in '10 and Towson 28-3 (-24') in '11 and LY actually trailed W&M (-21) at half 6-0 before winning 7-6. We figured they would be one of the more improved tms in the country TY after having to play a LB at QB and LW they lived up to those expectations w/a 43-10 (-21) over FIU. The Terps actually led 40-10 at HT w/a 403-54 yd edge. This is ODU's 2nd ever gm against a FBS tm. LW was their 1st as they only trailed 35-31 at the end of 3Q's before falling 52-38 (+14') at EC. They have 15 ret str's led by Walter Payton Awd winner (FCS Heisman) QB Heinicke who LW had an impressive performance w/338 pass yds (75%) and a 3-0 ratio. While the Monarchs certainly have backdoor potential, we think the Terps will continue their march towards a bowl TY and start 2-0.
