The Newsletter Contest

Here is the Newsletter contest for the 2013 football season. We are happy to provide you with the records and standings from the Power Sweep, Gold Sheet, Power Plays, the Sports Reporter, Winning Points, Pointwise and Playbook. The newsletters are graded from the lines in Tuesday's USA Today. If there is no line we will use the first available line in the USA Today. We use the Tuesday line because Newsletters are written on Sunday night and that would be the first day that most subscribers would have access to them as all of the Newsletters post online by then. There will be 6 categories in line. Net winners in College, NFL, and combined as well as the win percentage in College, NFL and combined. An (*) indicates that a Sunday or Monday night game is pending.

Table comparing performance metrics for College Wins, College Win %, NFL Wins, NFL Win %, Combined Wins, and Combined Win % across various categories like Winning Points, Gold Sheet, and Playbook.

Table titled 'LAST WEEK'S COLLEGE STATS' showing rushing and passing statistics for various college teams.
