RENEW POWER SWEEP FOR 2025 JUST \$94 (reg \$129)!

Right now the price to renew Power Sweep is just \$94. About a month ago it was \$69 and it keeps going up every two weeks. We have delivered nothing but WINNERS for you this year. The College Keys are 44-29 on the year, the NFL selections are 23-15 the last 13 weeks and the new addition of the GREEN BOX below which gave out our Private Play Hotline Plays (8 per week) for FREE hit 48-26 65% the last 10 weeks. As a Power Sweep subscriber you also got our September 5★ for FREE and it won with Kansas St -5 over Okla St 42-20 (led 42-13). You also get a one time 50% weekend which you can use any week off the prices on the back of Power Sweep. By the way if you have not used your yet, why not use it this week, our Late Phones are on Fire! You see the results of us putting Power Sweep out on Wednesday and that will be the case next year as well. **You can wait til the summer to renew and pay \$129 but right now until Saturday the price is just \$94 and you get all the bonuses - so why wait? Price goes up again in the New Year!**

LATE PHONE 4★'s 16-4 80% LAST 6 WEEKS!!! BIG PLAYS NOW 8-3 73%!! NFL PLAYOFF EXEC SELECTIONS ARE 31-14-1 69% THE LAST 8 YEARS!! GAMES OF THE YEAR NOW 3-1 WITH ONE LEFT IN 2024-25!!!

Sept 28 we released our FIRST 5★ and it is our the Most Important Play we put out all year as we give it out FREE to all Power Sweep Subscribers. **We had a super easy winner on the September 5★ as Kansas St (-5) led Okla St 35-13 after 3Q and 42-13!** Many services would have already had four or five 5★, 10★, 20★, 100★ plays but we are different here at Northcoast. Our highest rated release is a 5★ and they are rare! Six weeks ago we released a RARE 5★ and it won with Indiana -5 over Washington, another WINNER. Four weeks ago we released our 5★ COLLEGE GAME OF THE YEAR which is the STRONGEST play as we have over 800 games to choose from during the year. That play lived up to its billing as Tulane -7 shutout Navy 35-0 with a 358-113 yard edge! We have had a total of EIGHT 5★'s in basically 57 weeks of football. **Those 5★'s have hit a super 7-1 86%!** Four weeks ago we released our 4.5★ Totals Game of the Year and it won! Each month we have a College, NFL and Totals Game of the Month and those plays have gone 7-2 77% and are a half point away from 8-1. **Our Late Phone selections CONTINUE to be RED HOT with a super 72% on the star basis for Thanksgiving and our 4★ selections are on an incredible 16-4 80% run the last six weeks!!** The College Star Totals are now 19-9 the last 9 weeks. **Three weeks ago we released our NFL GAME OF THE YEAR!! There are 18 weeks of the NFL regular season and this is the STRONGEST NFL play of the year and the ONLY 5★ that we will release all year in the NFL!** Denver was -4 and beat Indianapolis 31-13!! Check out the 5★ record below which is now 8-1 over the last two years and our Games of the year are now 3-1 75%! You have been winning with our Games of the Month all year (8-3) and **our GAMES OF THE YEAR ARE NOW 3-1 this year.** This past week a rare loss on our Bowl Game of the Year 4.5★ Texas -13 over Arizona St as Texas had a 16 pt lead in the 4th Q. There is still one Game of the year left this year with our Playoff Game of the year. We have four weeks of Playoffs to choose from as well. We have great deals on the back page for Exec for the rest of the year which both plays will be part of! This is the last reg season week of the NFL then we head into the Playoffs. **NFL Playoff Exec 31-14-1 (69%) last 8 Years!!**

THANKSGIVING EXEC THE TRADITION CONTINUED: 47-18 72% ★ BASIS THIS YEAR! COLLEGE, NFL, TOTALS LATE PHONES NOW 147-89.5-3 62% on ★ BASIS LAST 6 WEEKS!!

Way back in 1996 we had our first Thanksgiving Weekend Executive club special. That weekend we hit 34-3 92% on the ★ basis including NFL, College and something that was new in College Totals. Being superstitious we kept the price the same the next year and hit 21'-9 on the ★ basis! The next year more of the same at 29'-10 on the ★ basis. We have had many great Thanksgiving weekends thru the years and even though in the first year there were just 35 college games and we are now up to 65 college games and 8 FCS games and our Executive Club weekend price has gone from \$250 to \$450 we keep the same \$125 price we charged back in 1996! The tradition continued again this year (see page 5) going 47-18 72% on the star basis!!! That \$125 for a week of Executive Club service is the LOWEST price we offer all year. The Late Phones have been on a roll all year and the last 6 weeks the College Late Phone, College Totals and NFL Late Phones have combined to go 147-89'-3 62% on the ★ basis. There are 5 weeks of Football left and including our Playoff Game of the year. **Our NFL Playoff selections are 31-14-1 69% over the last 8 years.** There are still 1 weeks of NFL regular season, 6 Bowl Sides and 6 bowl totals and the NFL Playoffs. One month of Exec is normally \$900 but you get it thru Super Bowl for just \$499 this week!

MARQUEES ARE NOW 47-32 59% LAST 5 WEEKS- GET MARQUEE PACKAGE TODAY !

Every night there is football we release a Marquee Private play hotline play. The Hotline has been on FIRE all year and we have been giving you 8 Hotline plays each week in the Green Box below and you cannot argue with a super 48-26 65% record!! The Marquees are hitting 47-32 over the last five weeks. The Marquees sell for \$15 each but you can get discount on 7, 14 and 21 packs. We will have a Marquee on EVERY bowl and NFL Playoff Game!!

NORTHCOAST SPORTS PLUS OR MINUS POWER RATINGS

The Power Ratings listed below are not based on the Power Plays, they are based on last year's final computer power rating numbers with the pluses and minuses from the off season changes factored in. They are then adjusted during the course of the season based on the final score of the games that are played on a weekly basis. The Power Ratings listed below can be used for you as a base power ratings to forecast up coming lines and strength of opponents, etc. Once again, they are not based on Power Plays and they differ from what we have shown in recent years, which has been our actual computer Power Ratings. These are Northcoast Sports Plus or Minus Power Ratings.

OVERALL TEXAS ST BY 6.5 ✓'s			

39th mtg, but have not met since 1994. TXSt is in a bowl for a second straight season, and HC Kinne is 1-0 SU/ATS in bowls here. He also has FCS playoff experience at Incarnate Word. NT is back in a bowl after missing one last season. This is the 1st bowl for HC Morris, but he also has FCS playoff experience at Incarnate Word. NTex only returned 11 starters entering '24, but they did add TCU transfer QB Chandler Morris. They started 2-0 incl a win at SALA but then were blown out 66-21 at Tex Tech. After that they won 3 straight incl a 27 pt win vs Wyo and a 32 pt win vs Tulsa. NT then lost 5 straight games as their defense couldn't stop teams. They won their last game at Temple by 7 pts to get their 6th win and get to a bowl. QB Morris finished with 3,774 yards and had a 31-12 ratio but he will not be playing here along with NT's top WR. True frosh QB Mestemaker will be starting. On defense NT allowed foes to gain 75 ypg above their avg (#124) and their pass D ranks #103. TXSt entered '24 with hopes to win the Sun Belt (18 st's back) and they added JMU QB McCloud. TXSt started 2-0 but then dropped 2 close games to Ariz St and Sam Houston. They opened 2-0 SBC play then lost at ODU and to Louisiana. They finished the season 3-1 but did lose at home to GA State. QB McCloud had a 29-12 ratio but won't play significant snaps here and bkp Martinez is in the portal so Brad Jackson would likely get the majority of the reps. They will also be without RB Mahdi. TXSt's top WR's are playing though. On defense TXSt held foes to 32 ypg under their avg but will be without a starting CB and 2 starting DT's. PP calls for 73 points here and we agree with that projections as both defenses are capable of giving up a lot of points, especially North Texas with the #103 pass D. Even with 2 new QB's playing, a lot of the skill players are still playing, so we will go with the 'Over' here as a small play.

OVERALL MINNESOTA BY 0.5 ✓'s			

First meeting. This is VT's 3rd trip to this Bowl game. They won here in '16 over Arkansas but lost to Kentucky in '19 when this was known as The Belk Bowl. PJ Fleck has won all 5 bowl games as HC at Minnesota (4-1 ATS). Brent Pry is 1-0 SU/ATS in bowls here, having won & covered in the Military Bowl vs Tulane last year. PJ Fleck had 16 starters back from LY's 6 win team. QB Max Brosmer transferred in from New Hampshire. The Gophers missed a GW fg vs NC in the opener. They had B2B shutouts vs RI & Nev. They started 0-2 in B10 play, losing to Iowa & trailed Mich 24-3 but only lost by 3. Minn won 4 straight to get bowl edge including close wins over USC & UCLA, and a road upset over Illinois. The Gophers were held under 300 yards by both Rut & Penn St in losses by just 8 combined points. Minn upset Wisky 24-7 w/a 374-166 yd edge to finish 7-5. Minn is +41 ypg. QB Brosmer is hitting 67% with a 17-5 ratio. Their defense allows just 291 ypg and holds foes 76 ypg below their avg but their offense avg just 332 ypg and is putting up 28 ypg less than their foes allow. VT was one of the most experienced tms this ssn with 21 starters back including QB Kyrone Drones. Their upset loss at Vandy in the opener doesn't look nearly as bad now. They beat Sun Belt Champs Marshall by 17 and were 2-1. They hosted Rutgers and trailed 23-7 but rallied late to force OT. VT nearly upset Miami then won their next 3 games. VT was 5-3 but lost 3 straight to Cuse, Clem & Duke. Their 6th win came over rival Virginia. VT puts up 380 ypg and is +20 ypg. Their D allows 360 ypg but they are holding foes 40 ypg below their avg. Lots of players are sitting this one out. Minn is out 2 All-Big 10 OL and a starting CB. VT is w/o QB Drones, 2 WR's, their LT and C, 2 All-ACC DL and 2 starting DB's. VT will have the crowd edge and PP called for the Hokies to win outright! We will downgrade because of the opt outs but our play is still on the Hokies.

OVERALL LIBERTY BY 1 ✓'s			

Lib is 3-0 SU in this series and they last met in '23 when the Flames were -3 on the road and won 55-27 with a 569-363 yd edge. Pete Lembo is 0-2 SU/ATS in bowls but those were back at Ball St. Buff has won their last 2 bowl trips including here in '19 when they beat CLT 31-9 (-6'). Lib is making their first trip to the Bahamas. They've were 4-0 ATS in bowls until LY's blowout loss to Oregon in the Fiesta Bowl. Buff opened '24 3-1 including an upset win over Northern Illinois the week after the Huskies beat Notre Dame. The Bulls were outgained 359-184 by NIU then were crushed 47-3 by UConn, outgained 537-198. They upset Toledo for a 2-0 MAC start but lost to WMich and Ohio in their next 2. Buff ended on a 4 game winning streak despite getting outgained by Akron, Ball St and EMich. The only MAC win where they had a yardage edge was over lowly Kent St. Buff is -49 ypg. The Bulls LB's, Shaun Dolac (159 tkls) and Red Murdock (143 tkls) are #1 and #1 in the FBS but Buff's D allows 404 ypg and 68 ypg more than their foes avg. Lib went was 13-0 in the reg ssn last year and returned 14 starters this year including AA QB Kaidon Salter. Lib was underwhelming during a 5-0 start. They only beat NMSt by 6, trailed ECar 17-0 but won by 11 & only beat FIU by 7. They suffered one of the biggest upsets in CFB this year when they lost to Kennesaw St (-28) then lost a close game to Jax St. Lib won 3 straight and needed to beat SH to reach the CUSA Title game but only put up 262 yards and missed a 2 pt conv to tie the game. Lib is 8-3 and +85 ypg but are w/o many of their key players including QB Salter, RB Cooley, 3 st'g OL and their #2 tk'r. App St transfer Ryan Burger will start at QB. PP calls for Liberty to win by 4 but isn't taking the opt outs into account and Liberty is clearly more affected. We think the Bulls are taking this game more seriously so we disagree with PP and this is a No Play.

FORECAST: NO PLAY **RATING: NO PLAY**

NOTE: Power Plays - PP

PRO FOOTBALL JAN 4th - JAN 5th

Power Plays is based upon statistical numbers and rankings that are used to develop the projections you see here. As with all types statistical information the more numbers that one inputs ordinarily the stronger the accuracy of the results. Therefore, one would expect the projections to be more reliable after a number of weeks worth of stats are input.

SATURDAY, JANUARY 4th

	Ttl Yds	Rush	Pass	Points	TO's	ST's
CLEVELAND	264	83	181	10	-20	#28
BALTIMORE	441	209	232	34	+4	#2

BAL proj'd to win by 24 pts and outgain CLE by 177 yards. CLE could be starting a new QB and BAL still needs to win to clinch the AFC North. The line is large, but we agree w/ PP!
2★ BALTIMORE 34 CLEVELAND 10

	Ttl Yds	Rush	Pass	Points	TO's	ST's
CINCINNATI	362	79	283	25	+4	#30
PITTSBURGH	359	143	216	26	+15	#23

PP calls for a close game here as Cincy is proj'd to be +3 yds but it calls for PIT to win by 1 pt. Cincy has been rolling and we like the Bengals to win here, so no play.
NO PLAY: PITTSBURGH 26 CINCINNATI 25

SUNDAY, JANUARY 5th

	Ttl Yds	Rush	Pass	Points	TO's	ST's
NEW ORLEANS	266	61	205	15	-3	#21
TAMPA BAY	472	175	297	35	-4	#29

TB needs a win here to clinch the NFC South and they are playing a banged up NOLA team. PP likes TB by 20 pts and to be +206 yds. We agree with the forecast above!
3.5★ TAMPA BAY 35 NEW ORLEANS 15

	Ttl Yds	Rush	Pass	Points	TO's	ST's
BUFFALO	396	152	244	33	+24	#17
NEW ENGLAND	318	113	205	19	-10	#20

PP likes BUF here by 2 td's, which is a big lean on the Bills. While it is unknown how long the Bills starters will play, this is still a play for PP, just downgraded.
1★ BUFFALO 33 NEW ENGLAND 19

	Ttl Yds	Rush	Pass	Points	TO's	ST's
CHICAGO	263	81	182	14	+8	#13
GREEN BAY	367	156	211	28	+12	#18

PP sides with GB here by 2 td's as the Bears have lost 10 straight games, while the Packers are headed to the playoffs. We like GB here but it is too close to the line for a play.
NO PLAY: GREEN BAY 28 CHICAGO 14

	Ttl Yds	Rush	Pass	Points	TO's	ST's
MIAMI	310	90	220	23	-2	#11
NY JETS	310	82	228	20	-5	#19

Miami proj'd to win by 3 pts, but the yards are even. Miami needs a win + a DEN loss to get to the playoffs. We like Miami to win by this is also too close to the line for a play.
NO PLAY: MIAMI 23 NY JETS 20

	Ttl Yds	Rush	Pass	Points	TO's	ST's
KANSAS CITY	361	94	267	22	+6	#9
DENVER	304	106	198	21	+6	#5

PP calls for KC to win outright as a 10.5 point underdog. We do agree with PP that KC will cover the line, but it isn't factoring in KC resting several st'rs so we'll downgrade this a bit.
2★ KANSAS CITY 22 DENVER 21

	Ttl Yds	Rush	Pass	Points	TO's	ST's
LA CHARGERS	307	100	207	23	+11	#16
LAS VEGAS	324	106	218	18	-15	#7

PP actually has Vegas with the slight yards edge but calls for the Chargers by 5 points. The projection is right at the line and LAC could opt to rest players in this game.
NO PLAY: LA CHARGERS 23 LAS VEGAS 18

	Ttl Yds	Rush	Pass	Points	TO's	ST's
JACKSONVILLE	342	98	244	23	-14	#10
INDIANAPOLIS	406	175	231	26	-5	#12

Indy is proj'd to win by 3 pts, which actually leans with the Jags. We have a slight lean on the Colts, but with a ? at who is starting we'd rather pass on this game.
NO PLAY: INDIANAPOLIS 26 JACKSONVILLE 23

	Ttl Yds	Rush	Pass	Points	TO's	ST's
CAROLINA	263	97	166	17	-6	#15
ATLANTA	415	195	220	33	-5	#8

PP likes the Falcons here by over 2 td's and they need a win here + a TB loss to reach the playoffs. With the Falcons giving their all, we agree with PP and like ATL big here.
4★ ATLANTA 33 CAROLINA 17

	Ttl Yds	Rush	Pass	Points	TO's	ST's
WASHINGTON	402	164	238	28	+2	#14
DALLAS	321	111	210	26	-5	#4

WAS only proj'd to win here by 2 pts, but outgain DAL by 81 yds. A win by WAS here would give them the #6 seed and we lean with them. So this is a no play.
NO PLAY: WASHINGTON 28 DALLAS 26

	Ttl Yds	Rush	Pass	Points	TO's	ST's
SEATTLE	369	150	219	17	-8	#1
LA RAMS	298	102	196	20	+7	#25

PP has the Rams by 3 pts but they are resting their top starters, so this is a no play.
NO PLAY: LA RAMS 20 SEATTLE 17

	Ttl Yds	Rush	Pass	Points	TO's	ST's
SAN FRANCISCO	345	118	227	21	-5	#27
ARIZONA	347	159	188	24	-6	#24

PP has this a close game, but with SF missing several players we lean with Arizona.
NO PLAY: ARIZONA 24 SAN FRANCISCO 21

	Ttl Yds	Rush	Pass	Points	TO's	ST's
HOUSTON	286	128	158	21	+10	#6
TENNESSEE	299	106	193	19	-16	#26

PP likes HOU by 2 pts but TEN has the yds edge. This is near the line so we'll pass.
NO PLAY: HOUSTON 21 TENNESSEE 19

	Ttl Yds	Rush	Pass	Points	TO's	ST's
MINNESOTA	382	76	306	24	+10	#31
DETROIT	436	114	322	34	+9	#3

PP sides with the Lions here by 10 pts and they are only laying around a fg. We agree with the PP projection here and really like the Lions to get the win here.
3★ DETROIT 34 MINNESOTA 24

	Ttl Yds	Rush	Pass	Points	TO's	ST's
NY GIANTS	221	77	144	11	-7	#22
PHILADELPHIA	384	194	190	32	+10	#32

PP leans heavy with Philly, while our lean is small because Philly is w/o several st'rs.
NO PLAY: PHILADELPHIA 32 NY GIANTS 11
