4th meeting in playoff history. First time the Lions are hosting Washington at home. WAS won the F/3 meetings all by 14+ points and they last met in the Wild Card round in 2000. They last met in Week 2 of the 2022 season with DET getting a 36-27 win. The Lions were +75 ypg at home & avg'd 35 pts at home while WAS is -33 ypg on the road with losses to TB, BAL and Philly.

DET enters the Divisional round off a bye week after finishing the regular season 15-2 and their only two losses were to TB in Week 2 and BUF in mid-Dec. The Lions offense was #2 in total offense (410 ypg) as they threw for 263 ypg (72%) and ran for 146 ypg (4.7). They did lose RB Montgomery for the final 3 games, but it looks like he will be back here. DET had the best 1-2 RB duo this season led by Gibbs (1412, 5.6, 16 td) who also had over 500 rec yds. QB Goff hit over 72% and WR's St-Brown and Williams both topped 1000 yards and TE LaPorta had over 700 yds. The Lions dealt with several key inj's on defense including DE Hutchinson, CB Carlton Davis (11 pbu, 2 int) and DT Alim McNeill (3.5 sk, 7 tfl). DET did have 16 int's and despite all the inj's up front they allowed just 98 rush ypg (4.5), but did allow 307 pass ypg (63%) over the final 4 games. WAS enters the playoffs having won 6 straight games & held TB last week to 116 yds under their avg. WAS QB Daniels proved the moment wasn't too big for him last week and he hits 69% plus is their leading rusher. WR McLaurin has nearly 1200 yds and 14 td's. WAS's OL has struggled to protect the QB (51 sks). On defense they did allow 147 rush ypg (4.7) their L/4 gms but have allowed just 187 pass ypg (60%).

PP calls for 62 total points in this game and we agree that this will be a high-scoring game with two of the most dynamic offenses in the league playing here. DET's home games avg'd 57 pts this season so we agree with PP and will back the 'Over' here.

FORECAST: 3★ (OVER 55.5) DETROIT 36 WASHINGTON 26
