TOP COLLEGE SIDE RELEASE 11-2 (85%) THIS SEASON!! CFB 4★'s AND HIGHER ARE 18-10 (64%) THIS YEAR!! CFB 5★ GAME OF THE MONTH GOES THIS SATURDAY!!

Our Late Phone CFB sides went 1-4 last week although we did pick up another Top Play Winner on Alabama! Our Top College Side Release is now 11-2 (85%) this season!! Our December 5★ Game of the Month goes this weekend, call the office for more details! Overall for 2020 our 4★ LP Plays and higher are a solid 18-10 (64%)! Out Totals selections went 3-2 over the weekend including a Top Play Winner (4★ Over Pitt/Clemson). Our NFL ★ Rated Plays went 1-2 LW but we did cash our NFL November Game of the Month on Buffalo!

COLLEGE KEY SELECTIONS 15-10 (60%) THE PAST 7 WEEKS! COMPUTER CORNER PLAYS NOW 30-16 (65%) THE PAST 11 WKS!

Our College Key Selections went a disappointing 0-3 LW. Our Key Selections are still a solid 15-10 (60%) the past 7 weeks! The Computer Corner meanwhile went 1-3. Over the past 11 weeks, the Computer Corner Plays are now 30-16 (65%)!! The Top NFL 4★ selection was a winner once again with New England while the NFL Totals went a Perfect 3-0!!!

While not ★ rated plays the Marquees are always a popular choice! You can pick up these plays online on game day for just \$12 at the NCStore at ncsports.com or just \$15 through the office after 12:00 on game day. If you would like to save by purchasing in "bulk" we offer even BIGGER discounts (see left). Simply pick the pack you think you'll need and call our office to receive your plays. YOU choose the Marquee Plays you want. Marquee Packs do expire on Super Bowl Sunday. Get on board and use your Pack on Game Day! College Marquees include Thursday Night, Friday Night and Saturday's Inside Information to name a few.

1-347-677-1700

TEAM IN
CAPS

KEY SELECTIONS

4★ OKLAHOMA over Baylor - While OU has won the L/6 mtgs SU vs Baylor incl the B12 title gm last ssn, BU has covered 7 of the L/10 mtgs incl both gms LY (BU led at HT in both gms). However Baylor is just 2-5 SU/ATS this ssn and the OFF is avg'g just 335 ypg & they face an OU DEF that is only all'g 312 ypg & has 18 sks the L/4 gms. The BU DEF is holding foes to 25 ypg under their ssn avg but the OU OFF has hit another gear as they are avg'g 512 yds & 50 pts the L/5 gms incl running for 201 ypg the L/3 gms since RB Stevenson (328.6.6) came back. Against 6 common B12 foes OU is +126 ypg while BU is -23 ypg. OU is on a 5-0 ATS run vs B12 foes & we think that streak continues vs an overmatched Baylor team.

FORECAST: OKLAHOMA by 35

3★ Clemson over VIRGINIA TECH - Clemson is 5-0 SU/4-1 ATS in this series but haven't met since '17. Virginia Tech is off a scheduled bye after losing 3 str. We regrettably went against Clemson last week (-24) and lost our underdog POW on Pitt but we did cash our 4★ Top Totals POW, easily going over 58 in the Tigers 52-17 win. Clem's D stepped up in a big way LW, forcing 5 TO's and holding Pitt to 246 yds (134 yds below their avg). Clem put up the most yds Pitt's all'd this ssn (581). VT's DEF allows 38 ypg more than their foes avg and just let Pitt throw for more than 400 yds the wk prior in a 34 pt loss! Against four common foes (Pitt/BC/UM/WF) Clem is 4-0 SU/2-2 ATS, +23 ppg & +270 ypg while Virginia Tech is 1-3 SU/ATS, -4 ppg & -8 ypg. The Tigers are 20-7 ATS vs ACC foes and HC Fuente is 0-3 ATS vs Top 10 tms. We'll gladly lay just over 3 touchdowns on the Tigers as they make a push towards the playoffs.

FORECAST: Clemson by 31

3★ CENTRAL MICHIGAN over Ball St - Four of the last 5 in this series have been decided by 3 pts or less with the dog & the visitor winning the last 2 by just 1 pt. CM is 4-1 SU but just 2-3 ATS. Both come in 3-1 SU. CM is 3-1 ATS (only loss vs division leader WM) & is off a 31-23 win over M as a 6' pt AF. Ball St is just 1-3 ATS but they are off a 27-24 win as a 10 pt AD to Toledo. Against 2 common foes (NIU & EM) Ball St wins by an avg 7 ppg with an avg 476-345 yd edge, while CM won by an avg 19 ppg with an avg 494-342 yd edge. All of Cardinals games this year have been decided by 7 pts or less, while 3 of CM's have been decided by 8 pts or less. While we expect a tight game CM has only opened as 1' pt favorite and that seems cheap to us.

FORECAST: CENTRAL MICHIGAN by 10

OTHER SELECTIONS

2★ Troy over SOUTH ALABAMA - Battle for the Belt! Gm was orig sch'd for Oct 3rd. From '12-'17 SAAla was 4-1-1 ATS in the series but Troy has won the L/2 mtgs SU/ATS. Troy QB Watson (1584, 68%, 12-6) is healthy & the Troy pass attack (298 ypg vs SBC foes) faces a SAAla pass D giving up 280 ypg (64% comp all'd) the L/4 gms & over those L/4 gms the SAAla DEF is all'g 500 ypg & 31 ppg overall. Troy's D is holding SBC foes to 25 ypg under their ssn avg & faces a SAAla OFF putting up 354 ypg/17 ppg the L/4 gms (486 yds/38 pts vs Ark St). SAAla is 4-1 ATS the L/2Y as a SBC HD but the Jags are -85 ypg vs SBC foes while Troy is just -18 ypg and against 4 common SBC foes Troy is +59 ypg while SAAla is -71 ypg. While Troy is just 3-6 ATS TY all of their FBS wins the L/2Y are by 27 ppg & we think Troy takes this one by double digits.

FORECAST: Troy by 10

2★ Northwestern over MINNESOTA - The home tm is 4-2 SU/ATS but lost the L/2 vs NW. LY Minn led 38-16 (-15') and gave up a late td but covered by a half pt. The Gophers had their gm vs Wisc ppd last week and Covid issues could put this gm in danger. NW had cov'd 5 straight entering LW but after being ranked #8 in the CFB Playoff Poll and hearing talk of the 'Cats winning the Big 10 thanks to an easy closing sked and the possibility of OSU being left out of the B10 Title gm, they got caught looking ahead and lost as nearly 2 td chalk at MSU. NW should bounce back against a Minn team that is -51 ypg and could be w/o multiple players. NW has a huge edge on DEF, holding foes 77 ypg below their avg. NW is 19-7 ATS on the road and we'll call for the 'Cats to bounce back with a solid road win against a Covid depleted Gophers team.

FORECAST: Northwestern by 17

OTHER GAMES

THURSDAY DECEMBER 3RD

Louisiana Tech at NORTH TEXAS - LT is 7-2 SU/ATS in this series. The Bulldogs were only -4' and jumped to a 45-3 lead LY, winning 52-17. LT hasn't ply'd since their upset win over UAB on Oct 31st, having 4 straight gms cancelled. RB Henderson, WR Hardy and one of their top Oline have opted out. NT was outgained 624-401 last week at UTSA and lost 49-17 (+2'). NT allowed 410 rush yds but UTSA has CUSA's leading rusher while LT has been held under 100 rush yds in 5 straight. The Mean Green avg 112 ypg more than their foes allow while LT avg 45 ypg less than their foes allow. NT is on a 7-21 ATS record while LT is 15-7 as an AD. Get our Thursday Night Marquee for just \$12 by calling 1-800-654-3448 or goto NCSports.com!

Air Force at UTAH ST - Dating back to 2015 AF is 4-1 SU/4-0-1 ATS vs USU. AF had their gm vs CSU canceled while USU got their 1st win of the ssn vs winless NMex. This has been an interesting year for both tms as AF has a limited roster due to turnbacks while USU is 1-4 SU/ATS and their HC was fired & starting QB was dismissed. Despite missing several key ply'rs AF is still avg'g 337 rush yds (5.8) led by RB Roberts (280, 7.4) and take on a USU DEF giving up 490 ypg (203 rush ypg) & are all'g foes to gain 99 ypg above their avg. AF's DEF is holding MW foes to 54 ypg under their avg & face a USU OFF avg'g just 285 ypg/17 ppg. AF is 4-1 ATS the L/2Y as single-digit MW chalk while USU is 2-6 ATS the L/2Y as a MW dog.

FRIDAY DECEMBER 4TH

Louisiana at APPALACHIAN ST - As SBC foes App St is 8-0 SU vs LA. These tms have 4 times in the L/2 ssn's (all gms decided by 11 or less) incl in the past 2 SBC title gms. LA has avg'd 518 yds & 45 pts the L/4 gms & their run gm has put up 269 ypg (6.5) in that span, but the App run D has all'd 141 ypg (4.0) the L/3 gms. The LA DEF has improved during the ssn (330 ypg all'd L/4 gms) but have all'd 183 rush ypg vs SBC foes & the App rushing attack has ran for 250 ypg (5.6) vs SBC foes. LA is 4-1-1 ATS as a dog vs SBC foes under Napier & has the SBC West locked up while App will miss the title game but rebounded nicely last wk (47-10 win vs Troy, 554-231 yd edge) and will certainly still bring their 'A' game to this marquee matchup vs a ranked LA tm.

Boise St by at UNLV - Boise is 5-0 SU vs UNLV but only covered 2 times (all gms as 20+ pt chalk). The home team is just 1-4 ATS as MW foes. Boise's gm vs SJSt was canceled (covid issues) while UNLV lost 45-14 (290-498) to WY. While Boise's OFF has dealt with inj's to their top 2 QB's & top RB this ssn but are still 4-1 & avg'g 402 yds in MW play & face a UNLV DEF all'g 480 ypg/37 ppg the L/3 gms. The Rebels OFF has struggled, avg'g only 304 yds/17 pts this ssn & Boise's DEF has improved of late, all'g 355 ypg the L/2 gms. UNLV will also have to watch out for Boise's ST as DB Williams has 3 return TD's this ssn & have blk'd 3 kicks & ret'd them all for TD's. Boise is 5-0 ATS the L/4Y as 20+ pt MW chalk while UNLV is just 1-7 ATS as a DD MW dog the L/2Y.

SATURDAY DECEMBER 5TH

NC STATE by 14 over GEORGIA TECH - The home team is just 1-6 SU/0-5-2 ATS in this series. NCSt (+2) fell behind 21-3 at half LY then got within 28-26 4Q but missed a 2 pt conv. The Wolfpack only beat Cuse 36-29 (-15') but did finish with 408-257 yd & 27-16 FD edges. GT only led 28-26 at half LW vs Duke but pulled away & won 56-33 (Pk). QB Sims threw for 146 and ran for 106. After starting the ssn w/a 3-8 ratio in the F/3, he has an 8-3 ratio in his L/5. GT is -68 ypg and they allow 38 ypg

MARQUEE SELECTIONS

Get plays on game day for \$12 each at ncsports.com

Or Save On Every Play with a 7/21/49 packs!!

7-pk...\$69 (oppo \$10/pl) 21-pk...\$169 (oppo \$8/pl) 49-pk...\$349 (oppo \$7/pl)

more than their foes avg. NCSt has won 3 straight but 5 of their 7 wins have come by a touchdown or less while all 5 of GT's losses have come by 17 pts or more. NCSt has covered 3 straight as home chalk while GT is 0-5 ATS coming off a SU win so we will call for the home Wolfpack to win by 2 td's.

GEORGIA by 31 over Vanderbilt - UGA is 3-0 SU/ATS in this series, winning the L/3 by 28 ppg. Vandy covered 4 straight from '13-'16. The Dawgs have looked a lot different on offense with QB Daniels at the helm. LW we used UGA (-22) as a 2★ against a depleted SCar team. UGA jumped out to a 21-0 1Q lead and won 45-16. Daniels only threw for 139 but the threat of a pass had to help a run game that put up 332 (7.2). Daniels should have his best gm thus far against a Vandy D that allows 74% and is #126 in our pass D Rankings (19-1 ratio all'd!). The 'Dores had covered 3 straight but we can't help but wonder if the attention drawn to Sarah Fuller making history distracted Vandy and is part of the reason they lost at MO LW 41-0 & was outgained 603-185 which led to the firing of HC Mason (Interim HC is OC Todd Fitch). This is UGA's Sr Day and we think they will keep the momentum they've built the last 2 weeks with a 31 pt win.

VIRGINIA by 3 over Boston College - BC is 4-0 SU/ATS vs UVA but they last met in '17. UVA was cancelled on gameday last week vs FSU. The Cavaliers have won their L/3 including an upset win over NCar and a 2 td win over Lville but they were actually outgained by 114 ypg in those and their other win came over FCS Ab Christian. BC is off a 34-27 (-1) win over Lville but lost both QB Jurkovec and RB Bailey to injuries (Check status). Bkp QB Grosel did throw 2 td passes. The Cavs have 28 sks and could be ply'g a bkp QB. UVA is 16-2 SU at home but BC is 16-5 as an AD with 7 outright upsets. We will take the home Cavaliers to win outright but call for BC to stay within a fg although if Jurkovec doesn't play we could see UVA winning much easier.

KENTUCKY by 13 over South Carolina - KY is 5-1 SU/ATS in this series and 4-0-1 ATS when hosting. The 'Cats did lose LY 24-7 (+3) but that was with a banged up bkp QB and prior to switching to Lynn Bowden. SC has a lot of issues since firing HC Muschamp. They had 3 DB's opt out including their top CB & top S. Their top 2 WR's missed LW w/inj's. We went against the 'Cocks for a 2★ on these pages and won in their 45-16 (+22) loss vs UGA. KY led FL 10-7 LW but gave up a PR td right before half then was outscored 20-0 in the 2H. SC is -180 ypg in their L/6. KY does best when they can run the ball and SC just allowed 332 (7.2) rush yds vs UGA. The 'Cats have lost 4 of their L/5, but 3 of those losses were against UGA, Bama & UF. KY is 1-8 as an SEC HF but SC is on an 0-5 ATS run and will be happy to see this ssn end.

COASTAL CAROLINA by 7 over Liberty - These former Big South rivals met 14 times (series tied 7-7) as FCS foes and meet for the 1st time as FBS foes & they are both ranked! CCar comes in led by rF QB McCall (1747, 67%, 20-1) avg'g 222 yds (5.1) on the ground. While the LU run D has all'd just 128 ypg (4.0) they did allow 215 (5.2) to SMiss earlier. CCar's D is all'g just 294 ypg & 11 ppg the L/4 gms but face LU's stellar dual threat QB Willis (2040, 64%, 20-4) who has ran for 807 yds (6.7, 10 td) this ssn. Liberty does have 2 wins vs ACC foes and are 3-0 ATS as a dog TY but CCar is 7-2 ATS TY and despite having the SBC East locked up they will not be overlooking their old rival.

MICHIGAN by 1 over Maryland - Mich is 5-0 SU/ATS vs MD and their avg win is by 32 ppg but the Wolverines don't look capable of blowing anyone out this year. LW we went against Mich on these pages and picked up a 2★ winner on Penn St, 27-17. The Wolverines were outgained 417-286 despite the switch to bkp QB McNamara. MD had 3 trips inside the IU30 in their F/4 possessions LW but managed 0 points in those and trailed 7-3 at half. QB Tagovailoa had his worst gm since their opener, throwing 3 int's and completing just 47%. Mich has allowed 3 of their L/5 foes to top 300 pass yds. The Wolverines are -53 ypg while MD is -46. The 'Terps had 2 weeks off prior to LW and should be better prepared here so we will call for Mich to only win by a point

Ohio St by 35 over MICHIGAN ST - OSU is 4-0 SU and won 7 straight in East Lansing, going 6-1 ATS in those. The Buckeyes won 34-10 (-20') LY. OSU had their gm vs IL cancelled LW. MSU caught NW in a letdown spot off a huge win over Wisc. The Spartans jumped to a 17-0 lead 2Q but trailed 20-17 4Q and did have their final td come on the gms final play for a deceiving 9 pt MOV. OSU must play this gm to qualify for the Big 10 Title gm. The Buckeyes haven't been as dominant as year's past but they are still putting up 535 ypg and are +146 ypg. MSU avg 331 ypg and is -39 ypg. Prior to their upset over NW, MSU was held to 7 pts over 2 gms and were -242 ypg against Ind in a 24 pt loss. While OSU did only beat Ind, they were leading 35-7 3Q before allowing some long pass plys. OSU is 5-1 as an AF and despite MSU's win LW they are still 2-14 ATS at home. There are some concerns over who OSU could be missing due to Covid but our lean is clearly with the Buckeyes.

Nebraska by 3 over PURDUE - The dog is 6-1 ATS with 4 outright upsets in this series including LY when Pur got the GW td w/1:08 left. Pur was w/o QB O'Connell LW (Inj, CS) but still led 30-20 vs Rutgers. They gave up a KR td then their L/3 possessions were int, punt, and Rut won by a td. Neb has an extra days rest after losing to Iowa last Fri 26-20 though they did finish w/a 338-322 yd edge. Pur has lost 3 straight and is -4 ypg on the ssn. Neb is -56 ypg on the ssn but they did outgain NW by 125 yds while Pur was outgained by 27 yds at home vs NW. Pur is 2-9 as B10 chalk and Neb is 5-3 as single digit dogs. We'll go with series history here and call for Nebraska to pull the upset.

Penn St by 14 over RUTGERS - PSU is 6-0 SU in Big 10 mtgs but Rutgers has covered the L/3 including LY's ssn finale when they were +40 but only lost 27-6, and actually held a 383-333 yd edge. LW we recognized that PSU was an unfortunate team and despite their 0-5 record, we used them as a 2★ on these pages and they upset Mich 27-17 (+1). Rutgers trailed 30-20 3Q LW at Pur but rallied to pull their 2nd upset of the ssn, 37-30 (+11). The Scarlet Knights are 4-1 as dogs this ssn, but they are also -61 ypg and their off is avg 41 ypg less than their foes allow. PSU is +70 ypg and earlier TY they outgained Ind by 277 yds while Rutgers was outgained by 100 yds vs Ind. With Mich St on deck, HC Franklin will be determined to end this disastrous ssn on a high note so we like PSU to win by double-digits.

GEORGIA SOUTHERN by 4 over Fau - 1st mtg, game was orig set to be played on Sep 19. GS thrn off a loss to rival GSt while FAU had their gm canceled. GS was down their top 2 RB's last wk but still ran for 296 yds (6.3) as bkp RB Wright ran for 143 (17.9, 2 td). FAU has done well vs the run this ssn (105, 3.3) but have not faced the option since AF in '18. FAU's OFF has had success running (221 ypg L/4 gms) but against the L/4 non-option tms GS has all'd just 46 rush ypg (1.9). GS is 7-2 ATS the L/3Y as a HF vs FBS foes but FAU is 5-1 ATS the L/2Y as a dog. With both teams preferring to run the ball, there could be limited poss & we think it will be a one-score game.

AKRON by 4 over Bowling Green - BG is 10-1 SU & ATS in series & LY won 35-6 as a 4' pt HF holding Akron to 100 ttl yds. This is the battle for who ends up in the MAC East cellar. Both are 0-4 SU & 1-3 ATS. They have 2 common foes (Ohio & Kent St) both were dogs of 20+ in those gms. BG lost those 2 by an avg 40 ppg being outgained by an avg 552-336 Akron "only" lost by an avg 24 ppg being outgained by an avg 529-401. Zips only trailed KS 35-28 at HT in a 69-35 loss & only trailed Ohio 14-7 at HT & covered (+27') only losing 24-10. Falcons trailed KS 38-10 at HT in a 62-24 loss (BG 69 yd td run w/4:11 left & trailed Ohio 45-10 in a 52-10 loss. Last time Akron was favored was in 2018 vs BG & they lost outright 21-6 as a 6' pt HF. Akron is the better team this year.

OTHER COLLEGE GAMES cont from page 3

Kent St by 5 over MIAMI, OH - Redhawks lead series 50-17 & won 3 of L/4 but Flashes have won 6 of L/2. LY Miami only led by 3 late 4Q & had to hold on to a 23-16 win as 2 pt AD as KS had been ball but ran out of time. MU is 2-1 SU & ATS while KS is 3-1 SU & 2-2 ATS. Both beat Akron, KS 69-35 as a 26' pt HF with a 750-366 yd edge, MU 38-7 as a 14 pt AF with a 416-145 yd edge. Both lost to Buffalo. KS 70-41 being outgained 663-578. MU 42-10 as they were without starting QB Gabbert (returned LW), being outgained 558-258. MU has a big edge on defense (#76-#121) but KS has a HUGE edge on offense (#12-#102). We look for the Flashes to bounce back as their offense may be just a bit too much for Miami.

Buffalo by 14 over OHIO - Buffalo will clinch the MAC East with win, holding the tie breaker over Ohio, Miami & Kent St. An Ohio win would keep their division title hopes alive. The HT had won 9 straight until LY, when Ohio won as a 3' pt AD 21-20 thanks to a UB missed PAT in OT. After a 3 pt loss to KS in '19 in which they has allowed the final 21 pts, the Bulls took no chances LW putting up 70 vs KU (giving us an easy 3★ Totals winner LW on over 69' by themselves) as they won by 29 as a 7 pt HF. In that game UB RB Patterson rushed for 409 yds & tied an FBS record with 8 rush TD giving him back-to-back 300+ rush yds. Ohio is allowing 4.8 ypc & will need to stop him to have a chance. Bulls have a big edge on offense (#27-#90). Both of Ohio's wins are over teams that are now 0-4. We look for the Bulls to avenge LY's loss as Patterson continues to stampepe over foes.

WESTERN MICHIGAN by 17 over Eastern Michigan - Last 3 meetings were decided by 8 pts or less (1 in OT). LY EM pulled the outright upset 34-27 as an 8' pt HD ending WM's 5 gm series win streak. Against 2 common foes (CM & UT) EM is 0-2 SU & ATS, while WM is 2-0 SU & ATS. EM was outscored by an avg 12 ppg & outgained by an avg 522-359. WM won by an avg 6 ppg with an avg 533-454 yd edge. Broncos only need to win next week over Ball St to clinch the MAC West Title & with their win over CM along with CM's win over EM, they already will retain the Michigan MAC Trophy for a 3rd straight year. Still LW they were almost upset by NIU as they were down 7 in 4Q before rallying for a 30-27 win as a 20 pt HF. WM has the big offensive edge (#53-#115) & LY's loss and RR's close call should have the Broncos focused on the Eagles here.

CHARLOTTE by 10 over Fiu - FIU is 5-0 SU and won LY 48-23 (-5') but they were getting outgained at halftime. FIU enters 0-5 this ssn including a loss to FCS Jacksonville St. UC just played WKU on Tuesday prior to this week's deadline. FIU had their gm vs LA Tech cancelled. LW FIU did lose at WKU by 17 in their most recent game. Of their 3 touchdowns vs WKU, one came on a KR & another came in garbage time. This is Charlotte's 4th CUSA gm this ssn, beating UTEP & NT and losing to FAU by just 4 pts. The 49ers are -25 ypg prior to their gm vs WKU while FIU is -143 ypg. UC is 1-3 as a HF under HC Healy but FIU is on a 3-9 ATS run and have failed to cover 4 straight.

Florida by 20 over TENNESSEE - FL is 1-4 SU/11-4 ATS in this series but the visitor is 1-4 SU/ATS. The Vols were postponed early LW so they do get some extra time to prepare. FL trailed KY 10-7 2Q but got a PR TD which sparked them to a 34-10 (-24) win. The Gators did get TE Pitts back LW and QB Trask now has a 34-3 ratio. Tenn hasn't announced a st'g QB but it could be true fresh Harrison Bailey after QB Guarantano threw yet another pick 6 vs Aub 2 wks ago (4th of ssn). The Vols are -65 ypg this ssn but did outgain Aub by 79 yds. FL is +122 ypg and avg 113 ypg more than their foes allow. It will be tough for the Gators to cover if the Vols run the ball and control the clock the way they have the L/2 gms (204 rush ypg) but QB Guarantano has struggled with TO's against the Gators and Tenn's secondary has been victimized often this year. The Gators are 6-3 as AF while Tenn is 0-3-1 as DD dogs. We'll call for Florida to win by nearly 3 touchdowns.

UTAH by 4 over Oregon St - The Beavers picked up a rare win against rival Oregon with a 532-468 yd edge and finishing at +3 TO's. Utah meanwhile blew a 21-0 HT lead against the Huskies in a 3 pt defeat (LW GW 16-16 TD pass w/36 left). The Utes have won each of the past 4 meetings by 18 ypg including a 52-7 rout LY in Corvallis where they finished with a 503-217 yd edge. Despite another impressive 13-4 ATS run as home chalk for the Utes, the Beavers (CS on QB Gebbia) have actually covered 6 of the L/9 in this series while the visitor has gone 4-1 ATS.

Colorado by 7 over ARIZONA - The Wildcats have controlled this series over the past 8 years with a 7-1 SU/5-2 ATS mark including a 35-30 upset win (+4) LW in Boulder. Arizona dropped a 27-10 contest LW in the Rose Bowl (outgained 410-300 by UCLA). The Wildcats have been outgained in all 3 games and are -102 ypg. The Buffs meanwhile jumped into non-conf LW against the Aztecs (gm vs USC canceled) with their defense allowing just 10 FD's and 155 yds in the 20-10 victory. They are currently holding foes 55 ypg below their avg and QB Noyer has been a pleasant surprise

(64%, 4-2). The Buffs are a perfect 3-0 SU & ATS so far in 2020, we will lean with the road squad by a touchdown here.

ARIZONA ST by 3 over UCLA - The Sun Devils are finally back in action this weekend following a pair of weeks off due to Covid concerns in Tempe. The Bruins meanwhile picked up a 17 pt home win vs Arizona (410-300 yd edge) despite QB DTR missing a 2nd consec game with Covid. In UCLA's Rose Bowl meeting against the #24 Sun Devils a ssn ago, the home squad jumped out to a 42-10 lead after 3Q's before ASU recorded 22 unanswered points to "only" lose by 10 (UCLA +2). With the Bruins seeing action the past 2 weeks and the Sun Devils needing to shake off some rust following their time off, we'll go ahead and call for the visitor to keep this one tight (ASU is on a 1-5 ATS run as a HF).

NOTRE DAME by 31 over Syracuse - Notre Dame is 3-0 SU/ATS, winning by 22 ppg. This is the Irish's first time hosting s/08 with the last 3 played at Neutral Sites. The Irish are off yet another huge win, beating North Carolina 31-17. The Irish held North Carolina to 3 pts after the 1Q and also held the Heels to a ssn low 298 yds. Cuse went back to QB Culpepper LW (QB Morgan in'jd). The Orange were outgained 408-257 but had a chance to tie after reaching the NCSi7 but QB Culpepper mistakenly spiked on 4th down. Notre Dame is +163 ypg and are holding foes 131 ypg below their avg. The Irish are off a huge win and Cuse is 7-4 as dogs of 20+ including a cover against Clemson TY so we have a slight lean on the Orange.

WASHINGTON by 13 over Stanford - Dating back to 2003, the Cardinal are 11-5 SU/ATS against the Huskies including a 23-13 upset (+15) LY on "The Farm" where #15 UW was outgained 482-294. The Cardinal returned the coveted Axe back to Palo Alto LW vs Cal despite a 392-300 yd deficit (blk'd Cal's game-tying PAT w/58 left). UW meanwhile overcame a 21-0 HT deficit by Utah (scored 24 unanswered 2H pts incl GW 16-16 TD pass w/36 left). UW is holding foes 71 ypg below their average while Stanford is allowing foes to put up 42 ypg more than their average. With Stanford failing to cover 7 of their L/8 as an AD and the Huskies on a 5-3 ATS run as a HF, we'll call for the home squad to get some much needed revenge in this one.

NEVADA by 12 over Fresno St - Fresno holds a 29-21-1 SU lead over Nev & have covered 7 of the L/10 mtgs. The home team is also just 1-8 in the L/9 gms. Fresno has had their L/2 gms canceled while Nev was upset 24-21 at Hawaii. Fresno sits at 3-1 SU/ATS led by QB Haener (1186, 67%, 9-4) & RB Rivers (439, 5.2, 7 td) but face a Nev DEF giving up 322 ypg & are holding foes to 47 ypg under their ssn avg. The Wolf Pack OFF led by QB Strong (1973, 71%, 16-2) and WR Doubs (37 rec, 778 yds, 9 td) is avg'g 447 yds and faces a Fresno DEF giving up 109 more ypg than what their foes avg. While Fresno is 6-1 ATS the L/4 as a MW dog, Nev is 5-2 ATS as a MW HF under Norvell & will be playing angry after suffering a surprising loss last wk.

Oregon by 14 over CALIFORNIA - The Bears return to action following a 1 pt loss to rival Stanford (tying PAT blk'd w/58 left, Cal 392-300 yd edge). The Ducks meanwhile lost to the Beavers for just the 2nd time in 13 contests (OSU GW 1-1 TD w/33 left). In Cal's trip to Eugene a ssn ago, the Ducks (-20) held the Bears to just 7 pts, 12 FD's and 256 yds in the 10 pt victory. While the host has covered 10 of the L/14, we like the visiting Ducks in this one as they're on a 10-1 SU/8-3 ATS run in this series (UO as on a 4-1 ATS run as an AF).

TCU by 3 over Oklahoma St - OSU is 5-3 SU/ATS vs TCU as B12 foes & there have been 4 outright upsets in that span. After avg'g 343 yds & 20 pts the L/5 gms, TCU put up 443 yds (KR TD, Pick-6, fumb ret'd for TD) vs KU and face an OSU DEF that has all'd 566 ypg the L/2 gms after all'g 318 ypg their 7/5 B12 gms. While TCU's run gm is what has taken off the L/4 gms, avg'g 247 yds (5.8) & OSU has all'd 224 rush ypg (5.4) the L/3 gms. OSU's RB's Hubbard & Brown missed last wk (status ?) but 3rd string RB Jackson had 235 yds (6.5). However the TCU D has all'd just 93 rush ypg (2.8) the L/4 gms & are holding foes overall to 49 ypg under their ssn avg. OSU is on a 0-4 ATS slide while TCU seems to be playing better (3-1 ATS L/4 gms) and we will call for Patterson's Frogs to pull the upset.

IOWA ST by 10 over West Virginia - As B12 foes WVU is 5-3 SU/ATS but ISU has won & covered the L/2 gms & held WVU to under 200 yds in both. ISU's OFF led by QB Purdy (312 pass yds last wk) & RB Hall (1260, 6.3, 16 td) takes on a tough WVU DEF that is holding foes to 274 ypg & 99 ypg below their ssn avg. While ISU is holding tms to 347 ypg they did allow 448 last wk & the WVU OFF led by QB Doege (2219, 66%, 13-3) has put up 417 ypg vs B12 foes. Against 7 common B12 foes WVU is +133 ypg but only +7 ppg while ISU is +111 ypg and +14 ppg. ISU HC Campbell will not let his team overlook a tough WVU squad as the Cyclones need a win to clinch a spot in the B12 title gm for the 1st time in program history & we think they get that done with a win.

UNDERDOG PLAY OF THE WEEK

Over 38 years this play has been a reader favorite and now has a combined record of 58% winners over 38 years!! Outright upsets have been a major theme in recent years including 4 outright winners! Here is this week's Underdog Play:

Rice +23' over MARSHALL

Rice (+) over MARSHALL - MU has won the last two meetings. Rice was cancelled on game-day LW while Marshall actually had a scheduled week off. Rice is a big physical Stanford style team that likes to play slower. The Owls are +35 ypg and their defense has held their 3 foes 58 ypg below their avg. QB Collins is hitting 62% w/a 10-1 ratio. Marshall enters 7-0 and is +191 ypg. The Herd hold foes 58 ypg below their avg but they've only ply'd 2 tms with a winning record and both of those were decided by 11 pts or less. HC Bloomgren is 8-3 as an AD and 7-2 as Dogs of 20+ while Marshall is only 7-15 as home chalk. We certainly think Marshall wins but Rice will keep it much closer than expected. **FORECAST: MARSHALL by 13**

Continued from page 4...

WISCONSIN by 20 over Indiana - Wisconsin is 10-0 SU/8-2 ATS in this series with 5 straight covers. We've been known to take the Badgers in this series for some of our biggest plays, including 2 5★ GOY winners in 2011 (-7, 62-14) and '00 (-6', 43-22). IU enters off a 27-11 (-11') win over MD. The Hoosiers only held a 349-300 yd edge and the Terps had 3 possessions inside the IU30 that ended in 0 pts. QB Penix was having his worst gm of the ssn, only hitting 6 of 19 passes for 84 yds before leaving w/an inj and is OFY. Wisc is off a cancelled gm vs Minn. The Badgers are +188 ypg and have held a solid yards edge in every game this season. The Badgers are still angry off their loss at NW. Wisc was 0-3 off a SU loss LY but prior to that HC Chryst was 10-1 off a SU loss and we like the Badgers to win by nearly 3 td's.

TEXAS TECH by 33 over Kansas - LY KU snapped TT's 12 gm win streak in the series. TT QB Bowman was back last wk & had 381 pass yds + 3 td's as TT found their OFF vs Okla St (639 yds, 44 pts) and face a KU DEF giving up 90 ypg more than their foes avg. While the TT DEF is all'g 454 ypg to B12 foes, they do face a KU OFF avg'g only 237 yds + 15 pts the L/6 gms. KU is also -272 ypg the L/6 gms. TT is in a rare role as a B12 favorite (3-1 ATS at home this ssn as a dog) but prior to LY's loss TT was 7-2-1 ATS vs KU in their L/10 mtgs. TT is only 2-6 SU vs B12 foes this ssn but we will continue to play against a KU team that is just 1-7 ATS TY.

Toledo by 6 over NORTHERN ILLINOIS - NIU is 8-2 in the series winning the last 2. LY NIU led 28-7 into the 4Q but needed a GW FG w/:41 left to win 31-28 as a 2' pt AD. The Huskies almost shocked MAC West front runner WM LW as they ked 27-20 in 4Q as a 2' pt AD but lost 30-27. NIU is 0-4 SU but has covered their L/2. Rockets were shocked LW as they never led vs Ball St despite being a 10 HF. UT almost made comeback (2 late td) with the ball with 1:18 left (down 3) but fumbled 3 plays later at Ball St 40. Against common foes (WM & Ball St) both are 0-2 SU. NIU is 2-0 ATS & UT is 0-2 ATS but NIU was dog in both while UT was Fav in both. Both led WM late but lost by 3 (UT +64 yd, NIU +25). Against Ball St UT lost by 3 (+2 yd) & NIU lost by 6 (-3 yd). This a very even matchup & NIU has played the tougher schedule (#73-#119) so we will take the points.

Texas A&M by 13 over AUBURN - A&M is out for revenge after losing LY 28-20 (-4) despite holding Aub to 299 yds. The home team is 1-7 SU/0-7-1 ATS. We used a 3★ LPS on the Aggies LW and they led LSU 20-0 late 4Q (-15) but allowed the Tigers to go 81 yds/14 pl for a td with :38 left, giving the Tigers a backdoor cover. We did win our 4★ Top LPS going against Aub LW in their 42-13 (+24') loss at Bama (Top LP play now 11-2 on the ssn!!!). A&M is +90 ypg and their defense holds foes 98 ypg below their avg. Aub is -12 ypg and their offense puts up 23 ypg less than their foes allow. Aub RB Bigsby ret'd from inj but wasn't effective LW. We expect QB Mond to bounce back off the worst start of his ssn (11-34-105) and A&M should run the ball well against Aub who has given up over 200 rush in 3 gms this ssn. HC Fisher is 4-0 as an AF at A&M and we like the Aggies to win by a td.

Texas by 7 over KANSAS ST - Dating back to 1998 Kansas St is 13-3 ATS vs Texas. The Wildcats offense comes in averaging just 272 ypg & 15 ppg & are -153 ypg in their L/4 gms (0-4 SU) but Texas is -34 ypg & just +5 ppg their last 4 games despite going 3-1 SU. Texas does has QB Ehlinger and faces a Kansas St defense that allows 419 ypg vs Big 12 foes (all'g 67% comp). While the Kansas St offense has sputtered of late, Texas has allowed 429 ypg to Big 12 foes this season. While we think Texas gets the win, we think the Wildcats can hang around. The home team on a 6-2 ATS run & Kansas St is 4-0 ATS as a Big 12 home dog under HC Klieman and Texas is off a tough home loss & are just 2-5 ATS as a Big 12 away chalk the L3Y.

Iowa by 15 over ILLINOIS - IL is 0-6 SU and the home team is 1-5 ATS in this series. The closest the Illini have come in the last 6 gms is a 9 pt loss. The Illini had their gm vs OSU cancelled late LW. Iowa led 10-0 LW vs Neb but had to hold on to beat Nebraska 26-20 (-13'). Iowa is on a 4 gm win streak with 3 of their wins coming by 20 pts or more. IL has won 2 straight, both upset wins over Rut & Neb. The Illini did hold a +98 yd edge against Neb while Iowa was -16 yds vs the Huskers. IL is 4-1 as a HD and the Illini looks like a much better team now that QB Peters is under center but Iowa is 18-5 as an AF and they've got a significant edge on defense so we like the Hawkeyes by more than 2 touchdowns.

SAN JOSE ST by 12 over Hawaii - While SJSSt is just 4-14 SU against UH since 2001, they have covered 6 of the L/8 gms incl the L3Y as a dog. The home team has gone just 1-6 ATS the L/7 mtgs but the site of this gm is in question (covid restrictions in San Jose). SJSSt had their gm canceled last wk while UH upset Nev at home. UH has put up just 345 ypg on OFF the L/3 gms & have all'd 21 sks in 6 gms. They face a SJSSt DEF that has 13 sks the L/3 gms & are giving up just 349 ypg/15 ppg. UH's pass DEF has not been tested too often this ssn (186 ypg, 54% comp all'd) but faces a SJSSt pass attack avg'g 293 yds and they have a pair of talented WR's in Gaither & Walker. UH is just 2-4 ATS the L2Y as a MW AD & SJSSt is 3-0 ATS as a MW HF under Brennan & we expect the Spartans to keep their undefeated ssn alive.

Wyoming by 20 over NEW MEXICO - Since 2010 WY holds a 5-4 SU lead, but NMex has covered 7 of those 10 mtgs. WY is off a 45-14 win (498-290) vs UNLV while NMex fell to 0-5 SU after a loss at lowly Utah St. NMex all'd USU to gain 452 yds (came in avg'g 243 yds) and they now face a WY offense, led by RB Valladay (491, 5.6), that is putting up 429 ypg & faces a NMex DEF all'g 283 (5.6) rush yds the L/2 gms. The NMex OFF (switched between bkp QB's Hall and Genal) is avg'g only 335 ypg the L/3 gms & faces a WY DEF that has held their L/3 foes to 288 ypg (all'g just 105 rush ypg, 3.2 ypc). NMex is the "home" team here (playing home gms in Vegas) but with WY going 3-1 ATS the L3Y as an AF we've got no issue backing them against a poor Lobos squad.

SAN DIEGO ST by 13 over Colorado St - Going back to 2005 SDSSt is 9-2 SU/8-3 ATS vs CSU. The Rams have had their L/2 gms canceled & have not played since Nov. 12. SDSSt had their gm vs Fresno canceled but scheduled a gm vs Colorado & lost 20-10. Though we have not seen CSU's run DEF since their gm at Boise, the Rams are all'g just 106 rush ypg (2.5) but face a SDSSt run game that is gaining 340 rush ypg in their 3 wins & last wk QB's Baker & Brookshire spill reps. CSU's OFF has not been consistent this ssn (343 ypg, 24 ppg) and faces a tough SDSSt DEF that is only all'g 270 ypg/16 ppg incl holding MW foes to 120 ypg under their ssn avg. SDSSt is 4-1 ATS the L2Y off a SU loss & we think they rebound here behind their strong run gm & DEF.

NOW 30-16 run (65%) Last 11 weeks!!! COMPUTER CORNER

Top plays from our Computer Power Ratings. These plays are based solely on the teams' Power Ratings vs the Vegas Line & do not take into account matchups, injuries, etc. The team in bold is the computer's selection.	Computer Forecast	Diff/Vegas
	UTAH by 3.6 over Oregon St	5.9
	OKLAHOMA by 27.1 over Baylor	5.6
	TULANE by 6.6 over Memphis	5.1
	VIRGINIA by 1.5 over Boston College	5.0
	TCU by 3.0 over Oklahoma St	5.0

FEATURED PLAYS: In 2010 we added a new category to Power Sweep. Although the Underdog Play of the Week is considered a Key Selection, this "featured plays category" is not. We review these plays each week while considering the Key Selections, and once again are sharing them with you. We look forward to many winners for this section in 2020!

SERIES PLAY OF THE WEEK.....ARKANSAS ST

TECHNICAL PLAY OF THE WEEK.....WISCONSIN

REVENGE PLAY OF THE WEEK.....ALABAMA

TULANE by 6 over Memphis - Since '02 Mem is 12-1 SU/10-3 ATS vs TU but TU has covered 3 of the L/5 gms incl pulling the outright upset 2 yrs ago at home. TU is off a bye while Mem was held to 280 yds and 10 pts vs Navy, but still won but were not impressive. TU's OFF is led by their run gm which is avg'g 240 yds (6.0) over the L/4 gms. The one concern for us about TU is their pass D (#107) which is giving up 337 ypg to non-option conf foes & Mem is putting up 356 pass ypg vs AAC foes. TU is on a 6-1-1 ATS run TY and always seem to hang around in gms, and we'll call for them to get the win here as Mem is just 1-5 ATS vs AAC foes this ssn & TU is 5-1 ATS the L2Y as an AAC HF.

Tulsa by 15 over NAVY - As AAC foes Navy has dominated the series, going 5-0 SU/ATS. TU's last gm was PPD while Navy only lost 10-7 vs Memphis. While TU has given up 411 rush ypg (6.6) in the L/5 gms vs Navy, the Midshipmen have only ran for 193 ypg (3.9) TY and TU has only given up 148 rush ypg (3.8) this ssn. TU has 300+ pass yds the L/2 gms & faces the 97th ranked pass D. Navy's run D has all'd 223 ypg (5.6) and TU's rush attack has been solid all ssn (175 ypg, 4.3 ypc) vs AAC foes. TU is 2-0 ATS as an AAC AF the L2Y & will not take Navy lightly as they are on track to make the AAC title gm while Navy could be looking ahead to their rivalry gm vs Army.

ARKANSAS ST by 28 ULM - Since 2010 Ark St has gone 10-0 SU/ATS vs ULM. The Warhawks have lost several players to opts outs & inj's & just gave up 70 pts & 511 yds to LA but Ark St just lost 38-31 to SALA. ULM's DEF is all'g 451 ypg/41 ppg & are all'g foes to gain 74 ypg above their ssn avg & face an Ark St team that avg's 354 pass yds vs SBC foes led by QB's Hatcher/Bonner (3410, 60%, 31-7). While Ark St's DEF does allow 509 ypg vs SBC foes, they face a ULMOFF that is avg'g just 304 ypg/16 ppg. Ark St is a heavy favorite here but they are 16-6 ATS under HC Anderson as a AF vs SBC foes & this ULM squad has nothing to play for at 0-9.

Arkansas by 3 over MISSOURI - MO is 4-0 SU vs rival Ark. The home team is 6-0 ATS with MO winning the last 3 SU/ATS in Columbia. This game was pushed back a week. Ark has lost B2B gms and we went against the Hogs for a 3★ winner on these pages in their 27-24 (-1') loss to LSU. MO ply'd Vandy on short notice and the Tigers were clearly more focused in their 41-0 (-14) win. MO finished w/a 603-196 yd edge. Ark has the edge on offense but MO has the edge on defense & ST's. MO has won B2B gms but those came against a SC team that fired their HC and a distracted Vandy team. The Hogs are 3-1 as an AD while MO is 4-0 ATS at home. HC Pittman has done an excellent job and with some extra rest we think Arkansas will put their best foot forward and pull the upset.

SMU by 3 over Houston - Gm was orig set to be played 2 wks ago but was pushed back. The home team has won the L/4 mtgs ATS incl SMU pulling 2 outright upsets at home. SMU has lost 2 straight & have avg'd just 368 yds on OFF in those gms (591 ypg in F/5 AAC gms) but do face a Hou D that has all'd 481 ypg the L/4 gms incl 681 to UCF. The Hou OFF was passing for 321 ypg the F/3 gms, but over the L/3 that dropped to 215 ypg over the L/3 gms and Hou has not played since Nov 14. However SMU's pass D has all'd 325+ yds the L/2 gms. With neither team in the conf race were not sure how motivated they will be, but with 2 OFF's that have the ability to go off we see this gm going back & forth and we'll call for the home tm by a FG.

Alabama by 34 over LSU - Bama is 7-1 SU/6-2 ATS and out for revenge for the 2nd straight week after crushing Aub 42-13 (-24') LW, which gave us both an Early Bird winner and a 4★ Top LPS Winner (Top LPS 11-2 on the ssn now!). LY's loss was turned at the end of the 1H when Bama trailed 19-13 and gave up 2 td's in the L/:26. LSU was getting losing 20-0 then went 81 yd/14 plays for a td drive w/:36 left, which cost us a 3★ LPS on A&M. Bama is +178 ypg while LSU is -18 and the Tigers offense was just held to a ssn low 267 yds LW. HC Saban remembers LSU ply'rs yelling to Bama recruits in the EZ after the Tigers won LY and won't hesitate to remind the Tigers who the boss is in the SEC. We like the revenge minded Crimson Tide to win by 4 td's.

Miami by 17 over DUKE - Miami is out for revenge after losing LY's finale. The 'Canes led 17-13 3Q but took a litany of injuries and Duke rallied for a 27-17 (+8') win. Miami had their L/2 gms postponed. The 'Canes are 7-1 and +46 ypg on the ssn. Duke's TO issues cropped up once again, they only trailed GT 28-26 at half but 5 TO's proved to be too much to overcome and the Jackets pulled away to win 56-33 (Pk). Duke is -20 ypg and their defense allows 15 ypg more than their foes avg. QB King has a 17-4 ratio and the 'Canes avg 52 ypg more than their foes allow. Duke is -13 TO's this year so we could see quite a bit of the 'Turnover Chain' but HC Diaz is 0-3 as a HF and we can't ignore Duke's 9-4-1 record as a home dog but we still think the 'Canes win this by more than 2 td's.

SUNDAY DECEMBER 6TH

Washington St at USC - Following a week off for both squads due to Covid concerns, the Cougars head into the Coliseum looking for revenge from their last meeting against the Trojans in '18 where USC overcame a 30-17 deficit in the 2H of their 39-36 victory (WSU 435-354 yd edge). USC enters 3-0 and are +80 ypg although 2 of their wins have come much closer than expected. WSU was outgained by Oregon by 160 yds in their most recent gm but that was 3 weeks ago. With the Trojans picking up outright wins in 10 of the past 12 (7-5 ATS) and the Cougars failing to cover 3 of their L/4 overall dating back to the end of LY, the home team gets the 13 pt edge in this one.

CAPS

KEY SELECTIONS

4★ TENNESSEE over Cleveland - This is the only HG in a 4-wk span for the Titans who return to Nashville following a huge offensive showing (45 pts & 449 tll yds) in their 19 pt win over the Colts (RB Henry 178 rush yds & 3 TD's) The Browns meanwhile escaped JAX with a 2 pt win thanks in part to a late 2 pt conv stop (CLE 459-375 yd edge). In LY's ssn-opening home matchup against the Titans, TEN (+5) won for a 3rd consec time with a 43-13 victory (28-0 run to close out the game, CLE -3 TO's). With the Titans now a game ahead in their DIV and the Browns (MNF vs BAL on deck) failing to cover 5 of their L/6, the home team gets the obvious call here.

FORECAST: TENNESSEE by 13

3★ Indianapolis over HOUSTON - This is the 1st of 2 meetings in a 3-wk span between a Colts squad who was dismantled at home LW against TEN (all'd 45 pts & 449 yds in the 19 pt defeat) and HOU who is back at home for the only time in a 4-wk span following a 16 pt win in DET on Thanksgiving (QB Watson 318 pass yds, 4 TD's). IND has covered 6 of the past 7 meetings against HOU (5-2 SU) although the Texans did pick up a 3 pt win towards the end of LY (396-296 yd edge). With HOU covering just 4 of their L/12 coming in and IND (missed a handful of starters LW due to Covid restrictions) needing a win here to stay within reach in the AFC South, we'll call for the visitor to get the victory here.

FORECAST: Indianapolis by 10

OTHER SELECTIONS

2★ New England over LA CHARGERS - This marks the 1st of 3 consecutive road contests for the Patriots who are right back inside of SoFi Stadium next Thur to take on the Rams. NE delivered a **4★ Newsletter Winner** LW at home against the Cardinals connecting on a GW 50-yd FG as time expired. The Chargers meanwhile dropped a 10 pt road matchup against the Bills (**4★ Game of the Month Winner on BUF!**). The Patriots have gone a perfect 5-0 SU/ATS in this series dating back to '10 (9 pt avg MOV) along with a 10-5 ATS run as an AD dating back to 2010. With the Chargers having issues in NDIV HG's (3-9 ATS), the Patriots get the 7 pt win in this one.

FORECAST: New England by 7

OTHER PLAYS

CHICAGO by 2 over Detroit - Big rest advantage for the Lions as they head to Soldier Field following a Thanksgiving battle with the Texans (16 pt loss, 28-21 FD & 388-384 yd edges) that saw the end of the HC Patricia era (OC Bevel taking over as interim). The Bears meanwhile dropped a 16 pt contest on SNF against the Packers with QB Trubisky (26-46-242-3-2) playing for the inj'd Foles. In their 1st matchup of the ssn back in Wk 1, the Bears (+2) picked up their 5th consec win and cover against the Lions. This one did however see CHI overcome a 23-6 deficit in the 4Q including a GW 27-yd TD pass w/1:54 left (DET 426-363 yd edge). While the Bears are on a 5-1 ATS run as a DIV HF, a midssn coaching change always lights a spark early on (see HOU & ATL TY).

MIAMI by 9 over Cincinnati - This marks the 1st of 3 consec home matchups for the Dolphins who return to South Beach sitting just a game back of the Bills in the AFC East following their 6th win in 7 tries LW against the Jets (22-10 FD & 345-260 yd edges). The Bengals meanwhile suffered a 2 pt home loss against the Giants with bkp QB Allen hitting 17-29-136-1-1 for the inj'd Burrow (CIN held to just 11 FD's & 155 tll yds). The Dolphins (+1) picked up a 38-35 OT victory a year ago with a ssn-best 502 yds (ended 2-gm series losing streak). They are however just 9-24 ATS as NDIV home chalk dating all the way back to 2007.

MINNESOTA by 14 over Jacksonville - Following a late comeback win over the Panthers where they connected on a GW 10-yd TD pass w/:46 left, the Vikings are back at home for a 3rd consec week. The Jags meanwhile nearly pulled out a comeback of their own LW at home vs the Browns with their game-tying 2 pt conv failing with 2:14 left (CLE 459-375 yd edge). The Vikings are on a 4-0 SU (3-1 ATS) run in this series with a 10 pt avg MOV while also covering 19 of their L/27 against the AFC. With JAX 5-26 in their own non-conf meetings, we expect MIN to get a comfortable win in this one.

PITTSBURGH by 13 over Washington - After a rare Tuesday night Heinz Field matchup against the Ravens due to Covid issues, the Steelers are back at home to take on a WAS squad who comes into this meeting with extra rest following their impressive 25 pt Thanksgiving victory over the Cowboys (RB Gibson 115 rush yds, 3 TD's). The Steelers have won 6 straight in this series (14 pt avg MOV) including a 38-16 ssn-opening MNF victory in D.C. back in '16. While PIT is just 4-8 ATS as a NDIV HF, we expect them to handle business here as they're currently on an impressive 7-1 ATS run as of presstime.

Las Vegas by 10 over NY JETS - Hard to believe it's been 52 years since the Heidi Game between the Raiders and Jets! The Raiders are back in the EST for a 2nd consec week (5th time already TY) following a rough outing in ATL where they had just 13 FD's, 243 tll yds and coughed up 5 TO's in a 37 pt defeat. The Jets meanwhile were knocked off for an 11th consec time in 2020 against a Dolphins squad that finished with 22-10 FD & 345-260 yd edges in a 17 pt victory. In the Raiders' late November trip to MetLife a year ago, the Jets (+3) ended their 3-gm winning streak in dominating fashion with 21-10 FD & 401-208 yd edges in the 34-3 victory. With NY covering just 3 of their 11 games so far in 2020 and the Raiders still on a solid 6-2 ATS run in recent AG's, we have no problem calling for the visitor to earn some revenge this time around.

New Orleans by 1 over ATLANTA - This marks the 2nd of 3 consec AG's for the Saints who are actually on an impressive 16-5 ATS run away from the Superdome including a 28 pt victory LW in "Mile High" against the Broncos where they held a crippled DEN offense to just 6 FD's & 112 tll yds. The Falcons meanwhile easily disposed of the Raiders LW at home (forced 5 TO's in a 37 pt victory). In their previous matchup 2 wks ago inside of the Superdome, Taysom Hill flourished in his 1st career start (284 tll yds, 2 TD's) while their defense held ATL to just 3 FG's, 14 FD's and 248 tll yds. Despite the Saints covering 7 of their L/10 DIV foes, we're calling for the Falcons to play much better this time around as they've gone 6-1 ATS as a NFC South home dog.

SEATTLE by 6 over NY Giants - Following a narrow 2 pt road victory against the Bengals where QB Jones was lost with a hamstring inj, the Giants head to the Pacific NW to take on a SEA squad that's on short rest (MNF at PHI). The Seahawks have dominated this series dating back to '11 with a 4-0 SU/ATS mark and a 18 pt avg MOV. SEA is also a perfect 5-0 SU (4-1 ATS) at home TY with a 6 pt avg MOV. Despite that mark, we like the Giants (CS on Jones) to stay within the elevated line and continue to roll as an AD with a current 15-3 ATS mark (5-0 in '20)!

La Rams by 6 over ARIZONA - The Cardinals are back at home for the only time in a 4-wk span following a pair of road losses to the Seahawks and Patriots (**4★ Newsletter Winner** on NE, ARZ 298-179 yd edge) and another trip to MetLife against the Giants on deck. The Rams meanwhile were swept by the 49ers LW at home in a game in which they coughed up 4 TO's.

SYSTEM	NFL OVER/UNDERS
Play the Under on a DIV Away Team Following a Thur Home Game	Our Over/Under Section is in its 33rd season. Each week we list the Top 3 plays as of Sunday Night.
11-2 85%	3★ NO/ATL..... UNDER
THIS WEEKS PLAY:	2★ CLE/TEN OVER
UNDER DET/CHI	1★ LV/NYJ OVER

This series has clearly been one-sided over the past 3 years with the Rams going a perfect 6-0 SU/ATS (+23 ppg, +183 ypg). With the Rams also 7-3-1 ATS in DIV AG's, we're backing the visitor to bounce back in this one (ARZ has failed to cover 3 of their L/4 HG's).

GREEN BAY by 11 over Philadelphia - Following a 16 pt home victory over rival CHI where QB Rodgers threw 4 more TD's (33-4 ratio TY!), the Packers welcome an Eagles squad that's on short rest after their MNF meeting with the Seahawks. In their Thur night trip to Lambeau a ssn ago, the Eagles (+4) picked up a 34-27 upset victory despite a 491-336 yd deficit (PHI +2 TO's). While PHI is still sitting just a half game out of the top spot in the NFC East as of presstime, they have failed to cover 4 of their past 5 AG's. With GB outgaining (+102 ypg) their home foes by solid margins, we have no issue leaning in their direction here as they look for revenge.

Denver at KANSAS CITY - SNF - This marks the only game at Arrowhead in a 5-wk span for the Chiefs who come into action following a narrow 3 pt win in Tampa (QB Mahomes 462 pass yds & 3 TD's). The Broncos meanwhile had no chance LW at home against the Saints after their entire QB room was ruled out due to Covid issues (DEN 3 pts, 6 FD's & 112 tll yds in 28 pt defeat). In their 1st meeting this ssn in snowy "Mile High", the Chiefs were aided by a 50 yd IR TD and a 102 yd KR TD in their 43-16 victory (DEN actually finished with 24-17 FD & 411-286 yd edges!). That victory by KC was their 9th straight in this series (8-1 ATS, +13 ppg). While the Chiefs are also on a 12-6 ATS run, keep in mind that DEN has covered 10 of their L/15 as an AD. **Call the office on Sunday after 11am EST for tonight's Marquee Winner!**

Buffalo at SAN FRANCISCO - MNF - Game expected to be moved to neutral field due to Covid concerns in Santa Clara. The home team has absolutely dominated the past 2 meeting in this series with BUF picking up a 45-16 victory in '16 (491-300 yd edge) and the 49ers knocking off the Bills 45-3 back in '12 (621-204 yd edge). The Bills picked up a 10 pt home win LW against the Chargers (**4★ Game of the Month Winner on BUF!**). The 49ers meanwhile grabbed a ssn sweep of the Rams LW on the road with a GW 42-yd FG as time expired. Although the Bills have gone 6-1 ATS vs NFC foes, keep in mind that the 49ers have covered 11 of their L/15 non-conf contests. Remember on Monday Nights you can get a **\$back+ guarantee!** Call 347-677-1700 on game day for more details!

Dallas at BALTIMORE - MNF - Rescheduled from Thur to Mon. Following a Tuesday night matchup against the Steelers due to Covid issues, the Ravens return home to take on a banged-up DAL squad that was embarrassed at home on Thanksgiving against WAS who had 22-13 FD & 338-247 yd edges in the 25 pt win. In their last meeting back in '16, the Cowboys ended a 4-game series losing streak with a 27-17 home victory (DAL 27-17 FD & 417-368 yd edges). While DAL has failed to cover 9 of their 11 gms so far in 2020, keep in mind that Ravens have now dropped 3 of their previous 4 home contests SU & ATS. With no line as of presstime, we'll wait until gameday to pick a side in this one.

Bye Weeks - Carolina & Tampa Bay
