

The Tradition Continues!!!

Way back in 1996 we had our first Thanksgiving Weekend Executive club special. In 1996 there were just 35 College Football games on the weekend so we reduced the price of our Executive Club for the Week all the way down to \$125 which was the normal price for the College and NFL on Saturday and Sunday of just the sides. That weekend we hit 34-3 92% on the ★ basis including NFL, College and something that was new in College Totals. Being superstitious we kept the price the same the next year and hit 21-9 on the ★ basis! The next year more of the same at 29-10 on the ★ basis. Here is a copy of what we had in the Volume 17 Issue 13 issue of Power Sweep dated November 27, 1999. 

★ THANKSGIVING WEEKEND EXECUTIVE MEMBER.....ONLY \$125★

Become a Thanksgiving Weekend Executive Club Member for SIX day from Wednesday Nov 27th -Dec 2nd for just \$125. You are entitled to: ● All Late Phone College ★ Selections ● All College ★ Totals ● All Late Phone NFL ★ Selections ● Marquee Selections ● Top Opinions ● Everything. Reg Price of Exec Weekend \$450

'96 Thanksgiving Weekend 34-3 (92%) on the ★'S

4★ Colorado (12) +18 over Nebraska (17)
3★ Miss St (17) -2' over Mississippi
3★ Miami, FI (38) +7' over Syracuse (31)
3★ Under 52 Colorado 12 /Nebraska 17
3★ Over 59 Air Force (23) /San Diego St (28)

loss 3★ Arizona (24) +3 Kansas City (34)
WIN! 2★ San Francisco (31) -13' NY Giants (7)

1996-98 THANKSGIVING EXEC WEEKENDS 85-22 (79%) ON THE ★ BASIS!!

Now there are 65 games and 65 totals to choose from in the Colleges and a full slate of NFL games. There are more games this weekend than any other weekend but we have always had GREAT success on Thanksgiving weekend and are too superstitious to raise the price. **The last 2 weeks in Power Sweep we have sold the Executive club package at a discount for our 2024 subs at \$375 and \$350. 2025 subs got Executive club for the week at \$279.** This week you can join our Executive Club from Thursday, Friday, Saturday, Sunday and Monday all star rated plays, all Top Opinions, all College Totals plays, All NFL selections and Top Opinions and every MARQUEE private play hotline play (\$450 value) for the same \$125 price we charged back in 1996!

Thanksgiving Exec Service \$125!!

Wednesday Nov 27th - Mon Dec 2nd

We're Superstitious so the price will never change!

It was \$125 in 1996 • It was \$125 In 2006

It was \$125 in 2016• It will be \$125 in 2026!

Thanksgiving Exec Includes: **EVERY SELECTION BELOW**

- ✓ All ★ Rated College Late Phone Sides (15-6 71% ★ Basis Last Week)
- ✓ All ★ Rated College Late Phone Totals (11-6 65% ★ Basis Last Week)
- ✓ All Small College ★ Rated Late Phones (7-3 70% ★ Basis Last Week)
- ✓ All College Marquee Selections (7-1 88% Last Week)
- ✓ All College Top Opinion Selections (7-1 88% Last Week)
- ✓ All NFL ★ Rated Late Phones (11'-3 79% ★ Basis LW)
- ✓ All NFL Marquee and Top Opinion Selections

just \$125

THE STORE AT NCSports.com IS OPEN !!!!!!!

The store at **NCSports.com** is OPEN! If you have not checked out our site at www.ncsports.com then do so now! The store is there for you 24 hours a day, 7 days a week. You can buy individual copies of the Power Sweep or Power Plays newsletters, - or even get the featured handicapper from the Northcoast Community Line! We have Marquee Plays and Late Phone Plays available on game day so if you prefer to shop online, head to the store at www.ncsports.com.

POWER SWEEP 4★'s 12-4 LAST 8 WEEKS!!! NFL Selections 17-7 L7W!

For Power Sweep the Key Selections are the 3 Key Selections plus the Underdog Play of the Week. So far this year we have had 52 College Key Selections in Power Sweep and they are 31-21. Our Power Plays newsletter is a Technical newsletter where the computer forecasts the yards rushing/passing and points for each game. Plays rated 4★'s and higher are KEY selections in Power Plays. Power Plays generally gives out 7-11 Key Selections per week in College Football. The first two weeks we sent out a combined Power Sweep/Power Plays newsletter. The two weeks of Power Plays that we included in Power Sweep went 6-2 including putting out the first two 4.5★ plays and they both WON. **The College Keys went 2-2 last week! The year to date record is 37-23 62% for the Key Selections given out in Power Sweep!** Releasing Power Sweep on Wednesday gives us more time to break down the film and get the latest line moves and injury reports and the results have been great with the College Keys hitting 62% on the year! **The 4★'s both College and Pro swept again and are 12-4 the last 8 weeks. The NFL selections had a Power Sweep (3-0!) and are now 17-7 the last 8 weeks!!** We are also able to give out the Private Play Hotline plays for FREE in the Newsletter and that **GREEN box below went 6-1 and has hit 45-22-1 67% the last 9 weeks!** Green is an appropriate color for that box as it is printing money! Putting out Power Sweep on Wednesday has been very PROFITABLE!

NFL GAME OF MONTH WINS! GAMES OF MONTH NOW 7-2 77%!!!! LATE PHONE 4★'s SWEEP GOING A PERFECT 8-0 100%!!!

Sept 28 we released our FIRST 5★ and it is our the Most Important Play we put out all year as we give it out FREE to all Power Sweep Subscribers. **We had a super easy winner on the September 5★ as Kansas St (-5) led Okla St 35-13 after 3Q and 42-13!** Many services would have already had four or five 5★, 10★, 20★, 100★ plays but we are different here at Northcoast. Our highest rated release is a 5★ and they are rare! Four weeks ago we released a RARE 5★ and it won with Indiana -5 over Washington, another WINNER. Two weeks ago we released our 5★ **COLLEGE GAME OF THE YEAR** which is the **STRONGEST** play as we have over 800 games to choose from during the year. That play lived up to its billing as **Tulane -7 shutout Navy 35-0 with a 358-113 yard edge!** We have had a total of EIGHT 5★'s in basically 55 weeks of football. **Those 5★'s have hit a super 7-1 86%!** Two weeks ago we released our 4.5★ **Totals Game of the Year** and it won! Each month we have a College, NFL and Totals Game of the Month and those plays have gone 7-2 77% and are a half point away from 7-1. The College Totals are now 11-6 the last 4 weeks.

RENEW POWER SWEEP FOR 2025 JUST \$84 (reg \$129) - PRICE GOES UP NEXT WEEK!!

Right now the price to renew Power Sweep is just \$84. About a month ago it was \$69 and it keeps going up every two weeks. We have delivered nothing but WINNERS for you this year. The College Keys are 37-23 on the year, the NFL selections are 17-7 the last 7 weeks and even the GREEN BOX below is hitting 45-22 67%. **You can wait til the summer to renew and pay \$129 but right now the price is just \$84 and you get all the bonuses - so why wait?**

THANKSGIVING WEEKEND THE TRADITION CONTINUES - EXEC CLUB 6 DAYS - \$125

Way back in 1996 we had our first Thanksgiving Weekend Executive club special. In 1996 there were just 35 College Football games on the weekend so we reduced the price of our Executive Club for the Week all the way down to \$125 (Regular price \$250). That weekend we hit 34-3 92% on the ★ basis including NFL, College and something that was new in College Totals. Being superstitious we kept the price the same the next year and hit 21-9 on the ★ basis! The next year more of the same at 29-10 on the ★ basis. Now there are 65 games and 65 totals to choose from in the Colleges and a full slate of NFL games. There are more games this weekend than any other weekend but we have always had GREAT success on Thanksgiving weekend and are too superstitious to raise the price. **The last 2 weeks in Power Sweep we have sold the Executive club package at a discount for our 2024 subs at \$350. 2025 subs got Executive club for the week at \$279.** This week you can join our Executive Club from Thursday, Friday, Saturday, Sunday and Monday all star rated plays, all Top Opinions, all College Totals plays, All NFL selections and every MARQUEE private play hotline play (\$450 value) for the same \$125

PRIVATE PLAY HOTLINE CORNER!!!!

Back when we had 900 Numbers, and the Northcoast Debit Card the Private Play Hotline was very successful on its \$9 plays. We still feature the Marquees each week (\$15 each) but this year we are giving out EIGHT of the Hotline plays (which used to sell for \$9 each) right here in the Private Play Hotline Corner each week! Now that the newsletter comes out on Wednesday that is the day we used to release most of these plays and we will give you 8 of the 9 Conference plays as part of your Power Sweep subscription.

Private Play Hotline Conference Plays of Week:

SEC Play: Florida

Big Ten Play: Wisconsin

Big 12 Play: Call 1-347-677-1700 Friday

ACC Play: Georgia Tech

American Play: North Texas

Mt West Play: No Play this week

MAC Play: Eastern Michigan 8-2-1 this year!!!!

Sun Belt Play: Louisiana

CUSA Play: Liberty

THIS BOX 45-22 67% last 8 weeks!!

KEY SELECTIONS

4★ Air Force over SAN DIEGO ST - Air Force comes into this game on a 3-game win streak (all 3 wins outright upsets) and we have won 3 straight Underdog POW's on AF! During their 3 game win streak AF is rushing for 311 ypg (4.4) led by RB Carson who is avg'g 107 ypg (4.4) and QB Hayes has ran for 81 ypg (4.0) over the L/3 games. SDSSt has struggled stopping the run, as they just allowed 322 rush (6.4) last week to Utah St and over the L/4 games are allowing 274 rush (6.3) and overall are giving up 505 ypg/40 ppg the L/4 games. AF's defense has stepped up the L/4 games, allowing just 269 ypg/17 ppg and are holding their L/4 foes to 91 rush ypg (2.8) and they have 9 sacks the L/3 gms. With the line around a fg, we think that is cheap and favor the red-hot Falcons. Since AF can't be our Underdog POW we might as well go with them as our 4★!

FORECAST: Air Force by 16

3★ Arizona St over ARIZONA - Ariz has won the last 2 meetings after ASU won 5 straight between 2017 and 2021. ASU needs to win this game to reach the B12 title game. ASU has the edge on offense, as they are putting up 392 ypg, led by RB Skattebo (1221, 5.4, 14 td) and QB Leavitt is hitting 62% with an 18-5 ratio. ASU's defense also has the edge here as they are holding foes to 70 ypg under their season avg (#18) while Ariz has allowed 445 ypg/35 ppg over their last 4 games. Over their last 4 games Ariz is -118 ypg and are avg'g just 327 ypg and are only rushing for 59 ypg (2.0) and are allowing 72% over their L/4 games. ASU has the #24 pass D (59%, 13-13). ASU is 9-2 SU/ATS this ssn and Ariz is just 2-9 ATS, so we lean with the Sun Devils here.

FORECAST: Arizona St by 20

3★ EAST CAROLINA over Navy (Friday) - Navy started the ssn 5-0 but have lost 3 of their L/4 and 2 weeks ago we cashed our 5★ GOY going against the Middies when they lost to Tulane 35-0 (+7). EC was 3-4 and fired HC Mike Houston. Since then they've gone 4-0 SU/3-1 ATS and are +130 ypg while Navy is -112 in their L/4. Blake Harrell had his Interim tag removed following LW's 40-28 win over North Texas. The Pirates have run for 237 (5.8) in their L/4 and Mich St transfer QB Katin Houser has a 16-8 ratio. Harrell was DC at The Citadel and Kennesaw St which were both triple option schools. Harrell puts an emphasis on stopping the run and in their last 2 mtgs EC has held Navy to 10 points (174 rush, 3.5) and 23 points (191 rush, 2.9). EC opened as the dog but quickly went to being the favorite and we agree with the line movement.

FORECAST: EAST CAROLINA by 13

OTHER SELECTIONS

2★ Illinois over NORTHWESTERN - Illinois has won just 2 of the L/9 meetings since 2015. ILL sits at 8-3 and have won 2 straight, while NW is off a 50-6 drilling at the hands of Mich (-269 yds) where they gained 127 total yds. NW for the season is -155 ypg in B10 play while ILL is -41 ypg. NW has the #66 pass D (63%, 14-8) and ILL QB Altmyer is hitting 61% with a 20-3 ratio. All 6 of NW's B10 losses are by 17+ points and their B10 losses are by an avg of 25 ppg. NW has not chance to make a bowl game with just 4 wins, and the Illini fans might have the crowd edge here. The line here is just over a td and we think the Illini have a major edge here and we favor them here by 2 full td's.

FORECAST: Illinois by 14

2★ Oklahoma over LSU - LSU won the only 2 recent mtgs including in the '19 CFB Semifinal 63-28. LSU has won their L/7 home finales (5-1-1 ATS). Brent Venables was DC at Clemson for 3 meetings with Brian Kelly's Notre Dame squads. The Sooners turned their season around LW when they beat Bama 24-3. OK held Bama to a ssn low 234 yards and intercepted QB Milroe 3 times. LSU snapped a 3 game losing streak LW against Vandy but didn't cover as 8 pt home chalk. OK is better than their 6-5 record indicates. They led Mizzou 23-16 4Q with 2 minutes left and led Ole Miss at half. The Sooners are holding foes to 311 ypg and 104 ypg below their avg. LSU has had trouble stopping dual threat QB's and OK's Jackson Arnold just ran for 131 LW. Look for the Sooners D to continue their strong play and we are calling for the outright upset!

FORECAST: Oklahoma by 3

OTHER GAMES

THURSDAY NOVEMBER 28th

Memphis vs TULANE - It's Turkey Day football in New Orleans. Tulane has won the last two meetings by 10 points each and has covered their L/4 vs Memphis. Tulane is 9-2 and has locked up their spot in the AAC Title game vs Army next week. Tulane is +192 ypg and 5-1-1 ATS vs the AAC and their last 3 wins have come by 31, 46 & 35. Memphis is also 9-2 but both losses were in AAC play. The Tigers are +65 ypg vs AAC foes but are only 2-5 ATS vs the AAC. Tulane has a big edge on defense, allowing 291 ypg and holding foes 93 ypg below their avg while Memphis allows 354 ypg and 8 ypg more than their foes avg. Call 1-800-654-3448 and get on board for our Thanksgiving Day Exec Package (\$25 for All four NFL & College Sides & Totals)!

FRIDAY NOVEMBER 29th

OHIO by 20 over Ball St - Ohio has won and covered the last 4 meetings. Last met in 2022 where Ohio (-4) went to Ball St and won 32-18 to clinch a spot in the MAC title game. Ohio has the same chance here as a win sends them to Detroit. Ohio is on a 4 game SU/ATS win streak and they are +180 ypg/+29 ppg in those 4 games with the avg score being 37-8! Ball St is just 3-8 and fired their HC and last week lost vs BG 38-13 (-108 yds). For the season Ball St is -37 ypg in MAC play while Ohio is +154 and vs 4 common MAC foes Ohio is +124 ypg while Ball St is -26 ypg. Ohio is also rushing for 228 (5.4) the L/4 games and Ball St allows 166 (4.9) in MAC play. Ball St's defense is also allowing foes to gain 105 ypg above their ssn avg. Ohio will leave no doubt here!

Miami, Oh by 4 over BOWLING GREEN - Winner of this game clinches a berth in the MAC Title game. The home team is 4-0 SU/ATS and Miami is 4-1 SU/ATS in the series. LY MU was -8 and won 27-0 w/a 356-135 yd edge. BG has won 5 straight and are +82 ypg vs the MAC. They are off a 38-13 win over Ball St. TE Fannin leads the FBS in receiving with 1,295 (14.1) and is coming off his 7th 100-yd game of the season but his status is a ? (concussion). MU has won 6 straight and is +116 ypg vs the MAC. QB Gabbert has a 15-2 ratio vs the MAC. BG is allowing just 289 ypg vs the MAC but MU is allowing just 277 vs the MAC. We like the Redhawks to win a low scoring physical game and Fannin's status is one to keep an eye on.

COLORADO by 20 over Oklahoma St - Colorado fell at Kansas last week 37-21 and they allowed 331 rush (5.8) and their B12 title and playoff hopes took a big hit. Okla St played a tough game in their home finale against Texas Tech where the yards were almost even (556-544 Okla St) but a late fumble that was ret'd for a td was the difference in a 56-48 loss. Okla St started frosh M. Smith at QB and he was 26-36 for 326 (2-1 ratio) and RB Gordon ran for 156 (10.4) and 3 td. Okla St's defense is allowing foes to gain 114 ypg above their ssn avg (#131) and have allowed 306 pass ypg (69%) the L/4 gms. Off a loss Colo is 2-0 ATS this season and are at home and QB Sanders is hitting 73% with a 30-7 ratio and WR Hunter has 1,036 yds (12.6, 11 td). We like Colo to bounce back at home by almost 3 td's.

WISCONSIN by 6 over Minnesota - Battle for Paul Bunyan's Axe. From 2004-2017 Wisc won 14 straight meetings, but these teams have split the last 6 games. Last time here Minn (+3) pulled the outright upset. Last ssn Wisky got revenge with a 28-14 win. Wisky actually needs this win for a bowl game as they have dropped 4 straight since opening 5-2. They are -119 ypg/-17 ppg over the L/4 games but those games were against Penn St, Iowa, Oregon and Nebraska. In their last home game Wisky nearly beat the #1 team Oregon and last week they put up 407 yds vs a strong Neb defense & QB Locke was 20-30 for 290 and a 3-1 ratio. Minn is only avg'g 297 ypg on the road and Wisky is +47 ypg at home. Wisky also has played the tougher sked (#15 vs #49). With Wisky having more to play for & them historically dominating this series, we'll side with them.

BOISE ST by 14 over Oregon St - Boise St has the MW title game on deck, but need a win here to keep their shot at the group of 5 playoff bid alive. They are off a close 17-13 win at Wyo where they needed a late 4Q drive for a td to pull ahead. OSU pulled the outright upset at WSU last week 41-38, getting the GW field goal with :20 left 4Q. OSU went with QB Gulbranson and he hit 22-34 for 294 (2-2 ratio). That loss snapped a 5 gm skid for OSU. The Beavers allow 178 rush ypg (5.3) and Boise has Heisman hopeful RB Jeanty (2062, 7.5, 27 td). In their L/3 games Boise has a 7 pt win vs Nev and a 4 pt win at Wyo and beat SJSSt by 21 (trailed 21-14 3Q). They are playing with some pressure and the line is near 3 td's and we'll call for OSU to keep it within the number.

SOUTH ALABAMA by 3 over Texas St - The home team is 7-2 SU/ATS in this series. TXSt has been disappointing this season sitting at just 6-5 and are off a 52-44 loss at GA State where they allowed 504 yds and were -4 TO's. SAla started 2-4 but have won 4 of their last 5 games. The Jags are +93 ypg/+14 ppg in SBC play and allow just 330 ypg/18 ppg in conf play. TXSt does avg 470 ypg/36 ppg in SBC play and SAla does have the #76 pass D but do have 13 int's on the season & have allowed just 206 pass ypg (62%) in SBC play. TXSt will face SAla QB Lopez who is hitting 66% with a 17-3 ratio & also has 436 rush (5.7), plus RB's Bothwell and Bullock are a great 1-2 punch. SAla has been more consistent than TXSt week-to-week & we'll lean with the home team.

OLE MISS by 20 over Mississippi St - The home team is 2-7 SU/0-8-1 ATS in this series and the Under has won 7 straight (avg 45 ppg)! Ole Miss had their playoff hopes crushed last week, getting upset at Florida 24-17 (-13). The Rebels did finish w/a 464-344 yd edge but QB Dart had his first 2 int game of the season. He faces our #133 ranked Pass D (71%, 22-7). LW Miss St lost to Mizzou 39-20 (+8') at home. Ole Miss has a massive edge on D, allowing just 312 ypg and they hold foes 64 ypg below their avg. Miss St is 4-0 ATS as a DD Dog this year and they've covered against Texas, UGA, A&M & Tenn. The series trends favor the visitor and Ole Miss had their bubble burst last week so we think the Bulldogs put up a fight and keep this closer than expected.

Liberty by 7 over SAM HOUSTON - Both tms still have a shot to play in the CUSA Title game against Jax St. Lib needs to simply win the game while SH needs to win and have Jax St beat WKU. We cashed our 4★ Top LP Total last week on the Over 55' in Liberty's 38-21 win over WKU. The Flames rushed for a ssn high 419 yards (6.7) last week. They face a SH D that is allowing just 134 rush (3.4) vs CUSA but the Bearkats just allowed 278 rush (4.8) in their 21-11 (+5') loss to Jax St LW. Lib is +100 ypg vs CUA while SH is +63. SH has the edge on D while Lib has a big edge on offense. Lib barely squeaked it out LY vs SH but they were -21 in that game and they are in their preferred role, laying less than 2 td's (12-2) ATS so we like the Flames to turn it on and win by 7.

SAN JOSE ST by 7 over Stanford - From 2007-2013 SJSSt was 0-6 SU/2-4 ATS vs Stanford. Dating back to 1976 SJSSt has never been a favorite vs Stanford until this season. Stanford cannot reach a bowl while SJSSt is already at 6 wins. While SJSSt had issues throwing the ball last week vs UNLV (4-22 for 81 yds) in a rainstorm, they are still avg'g 320 pass ypg and take on a Stanford pass D that ranks #122 (66%, 27-8) and the Spartans have two stellar WR's in Nash (1291, 13.4, 14 td) and Lockhart (915, 19.1). Stanford does only put up 314 ypg/19 ppg on the road and SJSSt at home is +36 ypg. We think SJSSt's pass attack will be the difference here & like them by a td.

IOWA by 7 over Nebraska - Since 2015 Iowa is 8-1 SU against the Huskers. Iowa is back home & they have been rock solid there in B10 play, as they are 3-0 SU/ATS winning by an avg of 27 ppg and were +96 ypg. The Huskers finally picked up their 6th win to reach a bowl, so their goal for the season has been accomplished as they beat Wisky 44-25 (+66 yds, +14 fd's) as QB Raiola was 28-38 for 293 & 1 td. Neb has a strong defense, holding foes to 51 ypg under their ssn avg (#32) and allow just 111 rush ypg (3.6) but here face RB Johnson (1492, 6.7, 21 td) and an Iowa rush attack avg'g 203 ypg (5.4) in B10 play. Iowa holds tms to 46 ypg under their avg and have the #31 pass D. Iowa is on a 20-2 SU run in November games and we like that run to continue here.

GEORGIA by 14 over Georgia Tech - UGA is 19-3 SU/14-7-1 ATS since '01. GT has covered the last two and last year they were +24 but only lost 31-23. Just like last year, UGA has the SEC Title game on deck and the Dawgs are off an easy 59-21 win over UMass. GT is 8-3 ATS vs ranked foes under Brent Key including an outright upset over #4 Miami earlier this month. They get extra rest coming off their Thurs night win over NCST. Dawgs are laying almost 3 td's and they are on a 0-6 ATS run as a favorite of 14+ points. We will go with the underdog Jackets who have played this game tough the last two years.

UCF by 3 over Utah - Both teams come into season finale on a low note as Utah has dropped 7 straight games, but 5 of those 7 losses came by 8 pts or less. Despite being just 1-7 in B12 play Utah is only -28 ypg/-5 ppg. UCF has won just 1 of their last 8 gms and are off an upset 31-21 loss at WVU. Since changing their DC UCF is allowing just 280 ypg and Utah's offense is putting up just 265 ypg over their last 4 games. UCF has turned to QB Rizk and he is hitting 68% with a 5-1 ratio, but does face a Utah pass D ranked #4 (53%, 14-10 ratio). Utah did lose QB Wilson and it could be Luke Bottari at QB, so the offense would be RB Bernard (922, 5.3). The line has UCF by over a td and we think Utah's defense will keep them in this game.

COLORADO ST by 1 over Utah St - Utah St has won 5 straight SU in this series and have pulled the outright upset in 2 of the L/3 mtgs. USU has now won 3 of their L/4 games after losing their F/6 FBS games and last week delivered a 4★ LP winner for us as they fell behind 13-0 vs SDSSt 1H but then scored 41 straight in a 41-20 win. CSU saw their MW title game chances take a big hit last week, as they fell to Fresno 28-22 despite holding a 422-343 yd edge. CSU is +20 ypg in MW play, while USU is actually +25 ypg despite a 3-4 MW record (CSU 5-1). USU's offense is avg'g 507 ypg/39 ppg and Bryson Barnes came in at QB and was 13-15 and 3 td's plus ran for 193 (12.9, 1 td). With how strong USU is playing down the stretch, we like their offense to keep them in this game and take it down to the wire.

SATURDAY NOVEMBER 30th

ARMY by 3 over Utsa - Army has won 3 of the L/4 mtgs including LY 37-29 (-8). The home team is 0-4 SU/ATS in this series. UTSA clinched a bowl LW by beating Temple 51-27 (-16'). UTSA never trailed but it was only 31-24 3Q before they pulled away. We won our 4★ Key Selection and LPS going against Army last week in their 49-14 (+14) loss to Notre Dame. Army is in uncharted territory with the AAC Title game on deck vs Tulane. Army is +109 ypg but their sked strength is dead last in the country and they have just 1 win over a team that is currently bowl elig. UTSA is +121 ypg vs our #111 sked and they also have just 1 win over a team that is currently bowl elig yet Army is laying over a td. Owen McCown has really turned a corner for UTSA (23-7 ratio) and we think UTSA can keep this within a fg.

CINCINNATI by 3 over Tcu - After starting 3-3 incl a loss to HOU, TCU has now won 4 of their L/5 games and their last 2 wins are by 25 and 21 pts. Cincy meanwhile has now dropped 4 straight games incl losing by 17 and 26 pts each of the L/2 gms after starting 5-2. Over the L/4 gms Cincy is -15 ppg and here they face a TCU team +48 ypg/+11 ppg and are putting up 456 ypg over their L/4 games. TCU is off two blowout wins at home vs bottom B12 teams while Cincy is off two losses on the road vs upper-tier B12 teams. TCU will be playing in cold and possibly snowy conditions, which are less than ideal for a passing team that only avg's 113 rush (3.7). Cincy does have a home win vs Ariz St and are +108 ypg at home and have a talented 1-2 punch at RB with Kiner (1043, 5.8) and Pryor (407, 7.8). We like TCU to get the outright upset at home.

Coastal Carolina by 3 over GEORGIA ST - The home team in this series is 0-7 SU/0-6-1 ATS. Coastal is sitting at 5 wins and needs a 6th win for a bowl while GST will be trying to play the role of spoiler as they only have 3 wins. GST did just pull a massive upset last week at TXSt (+20') 52-44 with QB Veilleux throwing for 285 & 3 td. Coastal has had some success running the ball this ssn (170, 4.8) and can do that here vs a GST run defense allowing 224 ypg (5.4) vs SBC foes. GST also has the #108 pass D (63%, 19-7) and CC QB Vasko is capable of putting up good passing numbers. Coastal has only allowed 338 ypg over the L/3 gms & has 8 sacks. CC lost their last 2 games in large part to being -6 TO's. We like CC to get win #6 here.

OTHER COLLEGE GAMES cont from page 3

South Carolina by 3 over CLEMSON - This game takes on all-new meaning with both teams sitting on the playoff bubble. Clemson is 8-1 SU/5-3 ATS in this series since '14 including LY's 16-7 (-7) win where the Tigers held SC to a ssn low 169 yds. SC actually won LTH 31-30 (+14). Both teams are off easy wins over FCS foes. SC has won 5 straight (4-1 ATS) and are +200 ypg in their L/4. Clemson has won 3 straight and they are +79 ypg in their L/4 wks. Clemson did lose to L'ville at home while SC has wins at OK, KY & Vandy and only lost by 2 at Bama. SC has 39 sacks this year and Clemson has been missing as many as 3 starting OL and gave up 11 sks in their L/3 vs FBS foes. This is by far the toughest D that Clemson has faced since they lost to UGA in the opener and we think the Gamecocks talented Dline is the difference in a close win.

Pittsburgh by 3 over BOSTON COLLEGE - Pitt was on a 4 game losing streak last year but still beat BC 24-16 w/a 404-325 yd edge. Pitt started this ssn 7-0 but once again enter on a 4 game losing streak. Last week Pitt lost QB Eli Holstein to injury in the 1Q and Pitt was no match for Louisville in a 37-9 (+7) loss. LW was the first time since their opener that BC outgained an FBS foe. BC had a 420-212 yd edge and they beat NC 41-21 (+2). Pitt has 36 sacks this year and BC has allowed 26. Pitt bkp QB Nate Yarnell looked good when they nearly upset Clemson and Pitt has a huge ST's edge (#27 vs #128) so we look for the desperate Panthers squad to circle the wagons just like last year.

NORTH CAROLINA by 1 over NC State - NCSt is 12-5 SU in this series with 3 straight wins since '07 and the underdog is 19-6 ATS with 15 outright upsets since '98! NC is 6-5 and just had their 3 game win streak snapped by BC 41-21 (-2) and outgained 420-212. NCSt needs a win to get bowl elig. The Wolfpack have lost 2 straight but nearly upset GTech LW, giving up the GW td with -22 left and lost 30-29 (+9). Wolfpack are +3' in a rivalry that has frequent upsets. We think NC is the better team and they are out for double-revenge but we will go with the series trend and lean with the underdog.

Florida by 21 over FLORIDA ST - Last year was a battle of bkp QB's and Florida blew a 12-0 lead and FSU won 24-15 (-6). 'Noles are just 2-9 SU/3-8 ATS but did win last week 41-7 (-31) against 1-11 Char Southern. Now they take on a surging Florida team, coming off upset wins over both LSU and Ole Miss. The Gators nearly upset Tenn on the road and were on their way to upsetting Georgia until QB Lagway got hurt and missed the Texas game. Florida did get outgained in each of their L/4 (-73 ypg L/4) but FSU is -116 ypg on the ssn and -134 in their L/4. FL has a huge edge on offense, putting up 376 ypg while FSU avg just 271 and has yet to hit 300 yds vs an FBS foe. Over 2 td's is a lot for a rivalry game but we can't lean with the 'Noles who have six losses by 15 points or more this year!

NORTHERN ILLINOIS by 7 over Central Michigan - CMich is 8-2 SU/9-1 ATS in this series and the dog 8-2 ATS with 6 outright upsets. This is Jim McElwain's last game at CMich after announcing his retirement. The Chippies just upset rival WMich 16-14 last week and finished w/a 307-184 yd edge. NIU is just 4-5 since their upset win over Notre Dame. LW the Huskies trailed Miami, OH 17-0 2Q and were outgained 250-81 in the 1H. HC Hammock is 5-16 ATS as a home favorite while CMich is 13-7-1 ATS as a double-digit dog. CMich is -76 vs the MAC while NIU is +65 and NIU has ply'd a slightly tougher sked (#109 vs #125). CMich has the ST's edge and the technical edge as a good underdog playing a poor home favorite. We think CMich plays inspired for McElwain so we say take the points.

North Texas by 17 over TEMPLE - NT started the season 5-1 then their defense tanked against the run and the Mean Green have lost 5 straight but all of those were against the better AAC teams. Temple will be staying home for bowl season at 3-8. LW was their 1st game under Interim HC Everett Withers and they lost at UTSA 51-27 (+16). NT is +2 ypg vs the AAC while Temple is -139. Against 6 common foes, Temple is -17.8 ppg & -147 ypg. NT is a only -2.7 ppg and -19 ypg. NT has a big edge on offense, avg 494 ypg while Temple only avg 303. Owls run D is allowing 254 (6.0) in AAC play and NT does their best work when they run the ball well. NT dealing with cold weather is a concern but they have a big motivation edge, needing a win to get bowl eligible. We think NT wins by over 2 td's.

Tennessee by 7 over VANDERBILT - Tenn is 5-0 SU in series with their closest win coming by 18 points but only 2-3 ATS. The home team is 0-5 ATS in the series. Vols had yet another slow start last week, tied 0-0 after 1Q vs UTEP then scored td's on 5 of their next 6 poss's and won 56-0 (-41). Not only has Vandy upset Bama, KY and Auburn, they've also stayed within a td against Mizzou, Texas and LSU. Tenn is +172 ypg but only +33 vs the SEC. Vandy is -19 ypg and -80 ypg vs the SEC but Vandy has played a tougher sked (#22 vs #67). 'Dores are +11 and they are 7-0 as a dog of 7+ points. QB lamaleava has only thrown 5 td passes in SEC play while Vandy's Pavia has 11 td's passes vs the SEC. Tenn has pressure to just win the game and Vandy loves playing as the underdog so we think this will be a close game.

UConn by 14 over UMASS - UConn is 6-3 SU in this series since 1998 and they've covered 4 of 6 as FBS foes. Five of the last six have gone Under the total. UConn is playing their 3rd straight road game. Last week they were outgained 538-352 by Syracuse but covered as 10' pt dogs, losing 31-24. UMass put up 209 yds in the 1H at Georgia last week and only trailed 28-14. The Minutemen covered as 42 pt dogs, losing 59-21 in their first game under Interim HC Shane Montgomery. UConn is 3-0 as an AF under Mora. The Huskies have won 3 straight while UMass has lost 3 straight. Unlike Both of UMass' wins this year were against FCS teams and the Minutemen are -69 ypg vs FBS foes while UConn has 6 wins over FBS foes and is +11 ypg vs FBS foes. UMass normally plays teams that look ahead to conference games but UConn will be fully focused and win by 2 td's.

Miami, FI by 6 over SYRACUSE - Miami has won the last 6 meetings but Cuse covered last 2 back in '03 & '17. This is only their 2nd tm meeting as ACC foes. Miami is 10-1 and ranked #8 but they've been been collecting misleading scores each week. They trailed by DD's in the 2H vs VT, Cal, and Duke and they lost to GA Tech three weeks ago. Last week UM only led WF 20-14 at half then scored 3 td's in the final 7:58 and covered as 23' pt favorites. Cuse enters 8-3 with two of their losses were by 6 or less. QB McCord has bounced back since his 5int performance against Pitt with a 7-1 ratio in their L/4. Cuse's D is holding foes 15 ypg below their avg and they only allow 204 pass ypg but they are only #99 in our pass D Efficiency rankings (17-9). Miami does have the ACC title game on deck and they've let their opponent stick around in nearly every ACC game so we will lean with the dog.

VIRGINIA TECH by 11 over Virginia - VT has won 18 of the last 19 in the Commonwealth Clash. Both teams sit at 5 wins and need to win for bowl elig. VT has been battling injuries during a 3 game losing streak. They were w/o QB Kyron Drones last week at Duke then bkp Collin Schlee was hurt so they went to rFr William "Pop" Watson and he hit 12 of 25 for 146 yds and an int in VT's 31-28 (-3) loss to Duke. UVA has lost five of their last 6 with four of those losses coming by 17 points or more. Last week they were outgained 434-173 and lost 33-7 to SMU (+11). Cavs are -86 ypg vs the ACC while VT is -14. VT has the edge in all 3 phases including ST's (#25 vs #83) and has ply'd a tougher sked (#17 vs #29). If the Hokies get healthy then they should beat their rival yet again.

WESTERN MICHIGAN by 3 over Eastern Michigan - Both teams need to win this game to be bowl eligible. EM is the dog for the 26th straight year against WM yet the Eagles are 17-8 ATS and prior to LY's loss they had won 4 straight from '19-'22. WM started 5-3 but they've lost their last 3 and three of their 4 MAC wins have come against the bottom of the conference. EM only has 2 MAC wins against non bowl teams but they do have a great win over Jax St. In MAC play EM is +3 ypg while WMich is -5. EM does have a win over Central Mich who just beat WMich and the Broncos were outgained 307-184. EMich is 30-10-1 ATS as an away dog since 2016. Both teams will be giving max effort so we expect a tight game and as usual Eastern Michigan keeps it closer than expected.

Marshall by 1 over JAMES MADISON - JMU can play the role of spoiler here as Marshall needs a win to reach the SBC title game. JMU dropped their 3rd game of the season last week at App St where held the yds edge (400-361) but were -2 TO's and lost 34-20. MU picked up their 5th straight win at ODU as they won 42-35. RB Turner was back but it was QB Braxton who led the way with 140 rush and 210 passing (3-0 ratio). JMU does play much better at home (5-0 SU) and are +152

ypg/+29 ppg. These tms have faced the same 7 common SBC foes and JMU is +80 ypg/+8 ppg while Marshall is even ypg and +12 ppg. Marshall has played the tougher schedule (#100 vs #127) and are +8 TO's the L/4 gms, plus are allowing just 178 pass ypg (53%) in the L/4 gms. This will be a close game but we'll side with the Herd to win & get to the SBC title game.

Uab by 1 over CHARLOTTE - UAB lost their first 6 vs FBS foes but they've now won 2 of their last 4 with blowout wins over Tulsa and Rice. Both of those wins came at home and the Blazers are 0-11 SU/4-7 ATS on the road under DiIfer. CLT won a battle of Interim HC's last week with Tim Brewster leading CLT to a 39-27 (-3) win over FAU. QB Deshawn Purdue threw for a ssn high 396 yds and 3 td's. Now he faces a UAB Pass D that allows just 177 ypg but is #71 in our Pass D efficiency rankings (57%, 17-8). 49ers -92 ypg while UAB is -9. CLT is in their last game with a lame duck coaching staff while UAB has yet to make a change and wants positive momentum. Finally winning a road game would do just that for UAB so we are calling for the Blazers to eek out a close win and their ST's edge (#54 vs #80) will be the difference.

GEORGIA SOUTHERN by 3 over Appalachian St - Rivalry game with both teams playing for something. App needs a win to reach a bowl while a GSthrn with & a Marshall loss would put the Eagles in the SBC title game. GSthrn's cover streak was broken last season (had covered 5 straight) as they lost at App St 55-27. App St got a big home upset last week vs JMU with QB Aguilar throwing for 2 td's and App St being +2 TO's. GSthrn got a 26-6 win at Coastal as they held CC to 280 yds and were +3 TO's. GSthrn has the huge ST's edge (#21 vs #118) and QB French (65%, 15-7) will face the #125 pass D. This will be a hard-fought game & we'll put it right at the Vegas line.

Duke by 1 over WAKE FOREST - The home team is 4-0 SU/3-1 ATS in this series and the underdog is 5-2 ATS with 4 outright upsets. Last year Duke was -7 but only won 24-21 on a 26 yd fg as time expired. WF is 4-7 and will not be bowling for the 2nd straight year. Last week Duke ply'd a shorthanded VTech team and won 31-28 (+3). WF only trailed Miami 20-14 4Q and allowed 3 td's in the final 7:58 to give up a front door cover. Duke had a similar game vs Miami where they led by 11 3Q but lost by 22. WF has ply'd the tougher sked (#45 vs #62). The series favors the home underdog and we like WF to keep this very close. Duke has the motivation edge but WF will keep this very close.

OHIO ST by 17 over Michigan - After winning 15 of 16 mtgs from 2004-2019, Mich has won and covered the L/3 meetings. Ohio St is certainly out for revenge and do have the edge on offense with QB Howard (74%, 26-6 ratio) and WR's Smith (899, 17.3) and Egbuka (692, 12.4) and the Mich pass D only ranks #54 (63%, 17-9). OSU is rushing for 159 (4.6) the L/4 games but last week vs Indy had just 115 (4.0) and Mich's DLine is strong as they allow just 94 rush ypg (3.1) and have 10 sks the L/2 gms & here face a less than 100% OSU OL. Mich does hold foes to 71 ypg under their avg & have played the tougher sked (#10 vs #44). OSU will win the game, but with the line being almost 3 td's & Mich playing strong defense, we think they keep it within the number.

ARKANSAS ST by 3 over Old Dominion - Ark St enters this game 7-4 on the season, with all 4 losses coming on the road vs strong opponents. They are 5-0 SU at home and last week they cashed a 2★ Power Sweep play that was upgraded to a 4★ late phone play as they beat ULM 28-21. ODU cannot reach a bowl after their 42-35 loss to Marshall at home. Ark St has put up 413 ypg the L/4 gms incl 211 rush (5.0) led by Cross (548, 5.6) and Wallace (533, 4.3) and QB Raynor is hitting 65% and ODU has the #74 pass D (61%, 19-11) and have allowed 233 (4.9) and 259 (6.2) rushing in their L/2 gms (both losses). Ark St is home dog, but play much better at home and we like them to pull the outright home upset here.

Rutgers by 1 over MICHIGAN ST - Mich St enters this matchup needing a win to reach a bowl, while Rutgers already has 6 wins. Rutgers does have the edge on offense as Mich St only avg's 330 ypg/18 ppg in B10 play and they were outgained 338-293 vs lowly Purdue at home, winning by only 7 pts. Mich St does have the stronger defense, holding teams to 34 ypg under their avg and over the L/4 gms Mich St is holding teams to 339 ypg and Rutgers has allowed 400+ yards in 5 of their L/6 games. Rutgers RB Monangai (1150, 5.1, 12 td) is their top offensive threat and QB Kaliakmanis has a 16-6 ratio, while MSU QB Chiles has just a 12-12 ratio and the OL has allowed 32 sacks. This is a toss-up game in our eyes and we'll side with Rutgers to win close.

FIU by 14 over Middle Tennessee - Two tms staying home for bowl season meet. MT has won the last 5 mtgs but those were under Rick Stockstill. The visitor is 1-7 ATS and the Over is 14-5 since 2005. MT is 1-4 SU/2-3 ATS and -175 ypg on the road. All 3 of FIU's wins have come in Pittbull Stadium. The Panthers are 4-1 ATS and +13 ypg at home. MT is -78 ypg vs the CUSA while FIU is +10. FIU has a solid edge on D, hold foes to 370 ypg and 11 ypg below their avg while MT allows 448 ypg and 74 ypg more than their foes avg. You have a good home team with a big edge on D laying single digits against a bad road team. Easy enough, we have MT by 2 td's.

BYU by 14 over Houston - BYU enters this game needing a win and some help to reach the B12 title game, while Houston is at 4 wins and cannot reach a bowl. UH struggling on offense, only avg'g 282 ypg/12 ppg in B12 play and are -70 ypg in B12 play and face a BYU defense that is holding foes to 73 ypg under their season avg (#16), are #1 in our pass D rankings (53%, 11-18) and are +25 ypg/+8 ppg in conf play. The BYU offense is up against a Houston defense holding foes to 82 ypg under their avg (#14). BYU does have a great home crowd and HOU will have to deal with the elevation and cold temps. We like BYU here to get the win by 2 td's.

UCLA by 14 over Fresno St - Fresno has won the L/4 mtgs. Last met in '21 and Fresno (+11) cameback to win 40-37. Fresno snapped a 2 game losing streak & won their 6th game LW, clinching a bowl, while UCLA cannot make a bowl, but still want to finish strong. UCLA is +57 ypg the L/4 gms and pulled a home upset of Iowa and nearly pulled the upset last week vs USC. Fresno is -77 ypg the L/4 gms and overall have played the weaker schedule (UCLA #1, Fresno #97) and the UCLA D is holding foes to 53 ypg under their avg and Fresno is putting up 65 ypg under what their foes allow (#121). This line is single digits and we think UCLA shuts down Fresno & win by 2 td's.

Usf by 14 over RICE - USF won the only prior meeting 42-29 (+2) last year. USF's offense has put up over at least 35 pts in 4 of their L/5 and avg 533 ypg in their L/4. The Bulls got bwl eligible last week by beating Tulsa 63-30 (-17). Now they play a Rice team with a lame duck coaching staff that just lost 40-14 at UAB. Rice has a big edge on D but USF has big edges on Offense and ST's. USF is +111 ypg in their L/4 while Rice is -18. Bulls have a chance to match LY's win total here. Rice has been tough at home (+110 ypg) so we won't run wild but we do like USF by 2 td's.

TEXAS TECH by 6 over West Virginia - WVU snapped a 4 game SU/ATS losing streak to TT last season, pulling the outright upset 20-13 (+6) at home. WVU got their 6th win of the season last week as they ran for 200 yds (3.7) and jumped out to a 28-7 lead and upset UCF 31-21. TT put up 543 yds in a 56-48 win at Okla St last week with QB Morton throwing for 366 (70%, 4-1 ratio). WVU has the #121 pass D (63%, 22-4) and QB Morton hits 63% with a 25-7 ratio and TT's top 3 WR's all have 550+ yards. WVU does well stopping the run (135, 3.9) but will face RB Brooks (1317, 5.0, 14 td). WVU has faced the tougher schedule (#8 vs #46) and TT allows 454 ypg in B12 play, but TT is a slight favorite here & at home we like them to get the win & cover.

Jacksonville St by 3 over WKU - Jax St has clinched a spot in the CUSA Title game while WKU needs to win and have Liberty lose. LY WKU led 17-7 2Q. It was 17-10 4Q when Jax St went 91/11 td & 45/10, kicking the GW fg as time expired. Jax St has won 8 straight (6-2 ATS) including LW against Sam Houston 21-11. WKU was 7-2 until they lost to LA Tech at home then last week they allowed 419 rush yds (6.7) at Liberty and lost 38-21 (+3). Toppers have allowed 320 rush ypg (5.7) in their L/3 and they face CUSA's #1 rush attack avg 260 (5.6) with both RB Tre Stewart (1315, 6.1) and Tyler Huff (1079, 6.0) combining for 32 rush td's! The situation certainly favors WKU but Jax St is a small road dog here and they are +115 ypg vs CUSA while WKU is only +25. We see reasons to like both sides but Jax St has been more impressive.

UNDERDOG PLAY OF THE WEEK

Over 42 years this play has been a reader favorite and now has a combined record of 59% winners over 42 years!! Outright upsets have been a major theme in recent years! 6 of our 7 Underdog POW winners this year have been outright upsets! Here is This week's Underdog Play:

California (+13) over SMU

California (+) over SMU - SMU has won 13 of their last 14 home games but are laying nearly 2 td's with the ACC Title game vs Miami on deck. Cal has failed to cover their last 2 but are back in their preferred role as underdogs and earlier this year the Bears upset Auburn and nearly upset Miami (led by 25 3Q) and Pitt (lost by 2). Cal is off their rivalry win over Stanford where they trailed 14-0 1Q but outscored the Cardinal 24-7 in the L3Q and finished w/a 371-259 yd edge. SMU was dominant vs Virginia LW but two weeks ago they were -18 at home vs BC and only won by 10. Cal is 16-7 as a road dog since '18 and this is a team that could easily have 3 or 4 more wins. We've cashed 3 straight Underdog POW's on Air Force, but they are favored so we will go with the team with a huge situation edge that plays great as a road dog. Take the Bears plus the points! **FORECAST: SMU by 3**

Continued from page 4....

TROY by 21 over Southern Miss - Since 2021 Troy has won & covered the L/3 meetings, winning by 16 ppg. After starting 1-7 SU, Troy has won 2 of their L/3 games. The Trojans have gone to QB Caldwell and over his past 4 starts has thrown for 991 yds (67%) with a 10-5 ratio and RB's Green and Taylor have each topped 100 yds in at least 1 game over the L/4. Troy has also allowed just 326 ypg over the past 3 games. SMISS is 1-10 on the season and have yet to best an FBS foe. They are -197 ypg/-24 ypg in SBC play and average just 270 ypg/14ppg. Their defense is allowing 233 (6.0) rush in SBC play and Troy is avg'g 198 rush ypg (4.5) over the L/4 games. While it may seem tough to lay over 2 td's with a 3-win team, SMISS has thrown in the towel, while Troy looks to end the season on a high note & build toward the future.

Fau by 3 over TULSA - FAU is 2-1 SU/ATS in this series since '14. LY the Owls ran for 234 yds and won 20-17 (-3). FAU played their first game under Interim HC Chad Lunsford last week and lost to Charlotte who was also playing under a new Interim HC. FAU trailed 16-10 at half but briefly led in the 4Q 27-26 before allowing a 47 yd td pass then a 22 yd fumble return td and lost by 12. Tulsa is 3-8 and just fired HC Kevin Wilson. Their Interim HC is 30 YO Ryan Switzer. The Golden Hurricane are -167 in AAC play while FAU is -100. Owls have yet to win an AAC game while Tulsa's only win was a ridiculous comeback from down 42-17 3Q vs UTSA. Tulsa took over the bottom spot in our Pass D rankings. They've given up an FBS high 318 pass ypg and 33 pass td's allowed. FAU was at least competitive last week so we give them a 3 pt edge.

Kansas by 3 over BAYLOR - Two of the hottest teams in the B12 square off. Baylor has won 5 straight (4-0-1 ATS) and are avg'g 486 ypg/41 ppg during that 5 game win streak. Kansas has pulled off 3 straight outright upsets against 3 teams battling for a berth in the B12 title game (Iowa St, BYU, Colo). KU is rushing for 208 ypg (4.7) over their L/4 games incl an incredible 331 (5.8) last week where RB Neal ran for 207 (5.6) and QB Daniels ran for 72 yards (12.0 ypc). Baylor allows 151 rush (4.0) in B12 play, but allowed 262 (5.3) to WVU and 265 (5.9) to ISU. KU did hold Colo to their 2nd lowest yardage total last week (308) and their pass D has allowed 21 td's but has 14 int's. Baylor already has a bowl locked up while KU needs one more win for #6 and we like them to continue their winning ways in what should be a close, high-scoring game.

Texas by 6 over TEXAS A&M - Huge implications in this renewed rivalry with the winner heading to the SEC Title game. They last met as Big 12 foes in 2011. Texas has had a very favorable SEC schedule, only playing one of the current ranked teams but lost 30-15 at home vs Georgia and they were outgained 170-38 in the 1H. A&M lost to Notre Dame at home in the opener but they've their next 5 home games including over LSU by 15 and Mizzou by 31. The Aggies are +128 ypg at home but Texas is +120 on the road including a 19 pt win The Big House. Texas is the more talented team and we love their defense that is holding foes to 247 ypg and 136 ypg below their avg but A&M has a solid defense and is angry off a loss to Auburn where they trailed 21-0 but fought back and lost in 4OT. This is a game we will just enjoy watching so we are putting it right at the line.

Louisville by 6 over KENTUCKY - KY is 5-0 SU/ATS in this series including LY's 38-31 win over #9 Louisville where the Cardinals had a 403-289 yd edge. UL led by 10 points twice but KY got a 100 yd KR td and 3 TO's. UL is off an impressive 37-9 win over Pitt where they held a 505-265 yd edge. That same Pitt team nearly beat Clemson the week prior. KY is 4-7 and first time staying home for bowl season since Stoops 3rd year (2015). 'Cats were held to 14 pts and 232 yds as we cashed a 3★ LP Totals play on the Under in their 31-14 (+20) loss at Texas LW. KY's only P4 win this year came over Ole Miss and since then they are 0-5 SU/2-3 ATS and all 5 losses were by 7 or more. UL has wins over 5 bowl eligible teams including #12 Clemson and 3 of their 4 losses came to teams currently projected to make the CFB Playoff. UL is +90 ypg while KY is -2 against similar sked strength and we will call for the Cardinals to get revenge and beat their rival for the first time in 6 tries.

MISSOURI by 1 over Arkansas - These two play for the Battle Line Rivalry. Mizzou is 7-1 SU/4-4 ATS and the home team is 7-3 SU/ATS in the series. Ark won their 6th game to get bowl eligible LW, beating LA Tech 35-14 (-25). The Hogs never led by more than 21 but did finish w/a 454-229 yd edge. Mizzou led Miss St 31-20 4Q and added a td with 5:40 left. They finished w/a 472-338 yd edge. Hogs are +91 ypg but -16 vs the SEC. Mizzou is +79 ypg but -35 vs the SEC and Ark ply'd a much tougher sked (#31 vs #60). Hogs have edges on offense and ST's but Mizzou has the better D. There is some concern that Ark is flat after getting their 6th win and Mizzou is 27-6 SU at home under Drinknwitz while Ark is 6-14 SU on the road and the line is just above a fg so we are playing it safe and calling for Mizzou to pull out a close win.

ALABAMA by 7 over Auburn - Bama has won 4 straight in the Iron Bowl though two of those were down to the wire including LY when the Tide got a td pass on 4th & 31 to win 27-24 (-13'). The home team is 10-1-1 ATS and LTH led 42-14 4Q but only won by 49-27 (-22). Some thought Bama's loss to OK last week eliminated the Tide from the playoffs but the latest CFP Poll has the Tide #13, sitting just outside the projected field. Aub needs a win to get bowl elig and is coming off a wild 4 OT win over A&W where they blew a 21-0 lead. QB Peyton Thorne has a 20-8 ratio and Aub's Jarquez Hunter has 1,145 (6.6). Jalen Milroe is coming off his worst game (3 int's) and faces an Auburn D that holds foes 67 ypg below their avg and allows just 55% completions. Bama is +12 ypg vs the SEC but Aub is +79! We think Bama wins but Hugh Freeze is 19-9 ATS as road dog and Auburn will put up a strong fight.

IOWA ST by 7 over Kansas St - 108th meeting of Farmageddon! Iowa St has won 4 of the L/6 meetings & have covered 4 in a row. Last season ISU (+10) pulled the outright upset 42-35 as RB Sama ran for 276 yds (17.3 ypc!!). ISU needs to win here to reach the Big 12 title game and they have won 2 straight after losing 2 in a row to Tex Tech and Kansas. KST bounced back with a 41-15 win over Cincy, as they ran for 281 yds (7.0) led by RB Giddens (143, 9.5) and QB Johnson threw for 2 td's after having a 1-4 ratio the prior 2 games. ISU does hold foes to 67 ypg under their avg (#19) and are +90 ypg in B12 play and +131 ypg at home. ISU also has the #6 pass D (53%, 9-14). ISU does have RB's Sama & Hansen, plus QB Becht is hitting 62% with a 18-8 ratio. At night in front of their home crowd we like the more consistent ISU squad to get the win.

Louisiana by 17 over ULM - The Battle of the Bayou. This is a series dominated by the road team as they are 20-4-1 ATS. After starting 5-1, ULM has dropped 5 straight games now and are -97 ypg/-

5-0 LW!!!

COMPUTER

The Computer Corner will feature the top plays from our Computer Power Ratings. These plays are based solely on the teams' Power Ratings vs the Vegas Line & do not take into account matchups, injuries, etc. The team that is listed in bold is the computer's selection.

Computer Forecast	Diff/Vegas
Uab by 6.3 over CHARLOTTE	8.8
Rutgers by 5.0 over MICHIGAN ST	7.0
Illinois by 14.0 over NORTHWESTERN	6.5
Florida by 20.0 over FLORIDA ST	5.5
South Carolina by 5.3 over CLEMSON	5.3

CORNER

FEATURED PLAYS:

In 2010 we added a new category to Power Sweep. Although the Underdog Play of the Week is considered a Key Selection, this "featured plays category" is not. We review these plays each week while considering the Key Selections, and once again are sharing them with you.

SERIES PLAY OF THE WEEK.....

LOUISIANA

REVENGE PLAY OF THE WEEK.....

FLORIDA

TECHNICAL PLAY OF THE WEEK...

EASTERN MICHIGAN

19 ppg over those 5 games. LA lost QB Wooldridge for the season prior to last week but didn't miss a beat as QB Fields threw for 323 yards and 2 td's and RB Davis ran for 3 td's. LA does rush for 170 ypg (5.1) over the L/4 gms and they could have a big day rushing here vs a ULM run D allowing 228 (5.3) in SBC play. The Cajuns also have a huge ST's edge (#4 vs #109) plus are holding foes to 28 ypg under their avg. Given the series history, we'll side with the road team here.

OREGON by 14 over Washington - Former Pac-12 and current B10 foes do battle in the regular season finale. Oregon is 11-0 and headed to the B10 title game next week while UW did pick up their 6th win in their last game & both teams are off a bye. While UW allows 356 ypg and 32 ppg on the road (288 ypg/14 ppg all'd at home) they do hold foes to 63 ypg under their avg and are +40 ypg in B10 play. While Oregon is playing with revenge after losing twice to UW last season, UO is playing with unbeaten pressure and have a bigger game on deck. In their last game UO only beat Wisky 16-13 on the road and in their last home game led Maryland by only 11 in the 4Q before adding 2 late scores. With the line close to 3 td's, we lean with the Huskies here.

INDIANA by 35 Purdue - Indiana has lost 5 of the L/6 meetings both SU/ATS. However this is a new era for Indiana football and they are off a loss to Ohio St where they were let down by their punting unit and the offense only put up 151 yards and 70 of those were on their opening drive. However this rivalry game is one IU HC Cignetti metioned when he first got the job and have a chance to pour it on a Purdue team that is allowing foes to gain 92 ypg above their avg (#128) and their pass D ranks #127 (65%, 21-4) and QB Rourke is hitting 70% with a 21-4 ratio. After playing Mich & OSU's defense, Cignetti will want his offense to gain confidence & IU's defense is holding foes 84 ypg under their avg (#12) and held OSU to 316 yds last week. Even with the line above 4 td's we lean with the Hoosiers.

PENN ST by 28 over Maryland - Since '16 PSU is 7-1 SU/ATS vs Maryland with their only loss coming in the '20 Covid season. In those 7 wins PSU has beaten Maryland by and avg of 38 ppg and their smallest win is by 17 pts. PSU does hold foes to 97 ypg under their season avg (#7) and have the #17 pass D. Maryland QB Edwards was banged up last week so it could be MJ Morris at QB. Maryland is -45 ypg on the road and their defense is allowing foes to gain 18 ypg above their avg and PSU has the stellar run game (192, 5.2) plus TE Warren (910, 12.1) is a matchup nightmare. Penn St is 8-3 ATS the L/2 ssn's as a favorite of 20+ points and we like them here by 4 td's.

NEW MEXICO ST by 7 over Utep - NMST has won 4 out of the L/6 (5-1 ATS) in the Battle of I-10. UTEP is 0-6 SU/2-4 ATS and -133 ypg on the road. Two of NMST's 3 wins have come at home including an upset over LA Tech. LW the Aggies picked up their first road win, beating Middle Tenn 36-21. Surprisingly UTEP is -31 ypg vs the CUSA. NMST is -116 ypg vs CUSA but only -67 at home. Aggies are rushing for 177 ypg (4.4) and QB Parker Awad just had his best game. UTEP is allowing 178 rush ypg (4.4) but they didn't play CUSA's top rush offense (Jax St). Aggies have shown us more when they are home so we are giving them a 7 pt edge.

LOUISIANA TECH by 14 over Kennesaw St - First meeting. We have to give it to KSU, they've put up a fight in almost every game. The Owls have covered 4 of their L/5 despite the coaching turmoil and just upset FIU for their 2nd CUSA win. LA Tech has the best defense in CUSA, allowing just 316 ypg and they hold foes 46 ypg below their avg. KSU is -13 ppg and -156 ypg on the road while LA Tech is +6 ppg and +75 ypg at home. Bulldogs are better than their 4-7 record and they will send their Seniors off with a 2 td win.

WASHINGTON ST by 13 over Wyoming - Wyo comes in with just a 2-9 record while WSU has dropped their last 2 games after starting 8-1. Wyo's defense does allow foes to gain 31 ypg above their season avg (#107) and have allowed 511 ypg in road games. WSU is led by QB Mateer who hits 64% and has a 28-6 ratio, plus is also their top rusher (770, 4.8). WSU does struggle on defense and just allowed 534 to New Mexico and 484 to Oregon St the L/2 gms. Wyo did actually beat NMex earlier this season & put up a ssn-high 604 yds. Wyo has gone to QB Anderson (58%, 6-3 ratio) and RB Waylee has 254 (5.0) in his 3 starts. The line currently sits at over 2 td's, but given WSU's recent struggles on defense, we think Wyo will keep this game within the line.

Notre Dame by 3 over USC - Home team is 8-2 SU/9-1 ATS in this series. We cashed both a 4★ LPS and our top Power Sweep play on Notre Dame LW when they smoked unbeaten Army 49-14 (-14). ND is +147 ypg but they've only taken on our #51 sked. USC clinched a bowl last week by beating rival UCLA 19-13 (-5) and the Trojans are +64 ypg against our #7 sked. The Trojans are +114 ypg at home and they are +7 but haven't lost a game by more than a td all season. USC avg 29 ppg and 430 ypg but 37 ppg/461 ypg at home and they nearly upset Penn St in LA, losing 33-30 in OT. This is ND's first true road game since Sept 14th at Purdue. USC will be fired up to try to knock their rival out of a playoff spot. The series has been dominated by the home team but there hasn't been an upset since 2011 so we like USC to keep it close but ND gets the win.

UNLV by 17 over Nevada - Battle for the Fremont Cannon. The home team is just 4-7 SU/3-8 ATS in the L/11 meetings. UNLV needs a win to secure their spot in the MW title game and were +226 yards in their last game and have won 3 straight since their loss to Boise. Nev is a scrappy team and 3 of their last 5 losses are by 7 pts or less incl a 7 pt loss to Boise and a 3 pt loss to Fresno. Nev QB Lewis is hitting 67% with a 12-5 ratio. The one major concern for Nev is their run defense, as they have allowed 251 (5.3) the L/4 games including 318 (4.7) to Air Force last week. The line is over 2 td's and that is where we see this game ending.

New Mexico by 3 over HAWAII - After starting 0-4 NMex has won 5 of their L/6 games and need a win here for a bowl. The Lobos are avg'g 496 ypg/33 ppg in MW play and their rushing attack is putting up 255 ypg (7.0) in MW play led by QB Dampier (1051, 7.6) and RB Sanders (943, 7.3). Hawaii has allowed 290 rush (6.0) and 321 rush (7.6) the last 2 games, which does not fair well against this Lobos offense. Hawaii however does play better at home as they are +15 ypg/+8 ppg at home and -65 ypg/-19 ppg on the road. NMex's defense also struggles, as they allow foes to gain 115 ypg above their season avg (#132) but UH QB Schager is ? with a leg inj. They played Boise close at home as well as UNLV. We see it as tough to go against either team in this situation and will call for this game to finish around the line.

AIR FORCE (SU: 4-7 ATS: 4-7) DATE OPP WIL LINE SCORE OUI A 8/31 Merrimack L -29 21-6 47 9/7 San Jose St L -3 7-17 44 9/14 at Baylor L +16 3-31 41 9/21 BYE 9/28 at Wyoming L -4 19-31 33 10/5 Navy L +10 KEY SELECTIONS

4★ DETROIT over Chicago - Thursday - Detroit comes into their annual Turkey Day game on an absolute roll, as they are 10-1 SU/9-2 ATS and just delivered a 3★ newsletter play and a 4.5★ GOM winner last week with a 24-6 win at Indy. CHI has now lost 5 straight after another close DIV loss vs Minn last week where they rallied down 10 late to send it to OT but lost 30-27. CHI is struggling to run the ball (100, 3.9 the L/4 gms) and the Lions run D is allowing 95 ypg (4.3) incl 83 ypg (3.7) the L/4 gms. DET only has 5 sks the last 3 games but CHI's OL has allowed 43 sks this season. DET also has 14 int's on the ssn. CHI's pass D allowed 328 yds (66%) last week and now face QB Goff who is hitting 73% (20-9 ratio). DET is 13-5 ATS as a HF since '22 and have already covered at home as a DD favorite twice this season (won by a comb'd score of 104-20) and are +76 ypg/+20 ppg at home while CHI is -41 ypg on the road.

3★ Seattle over NY JETS - SEA is on a 2 game win streak and find themselves back in the NFC West race following a 16-6 win vs ARZ at home. NYJ is off a bye, but at 3-8 are a complete mess. The offense is avg'g just 294 ypg and 19 ppg. SEA has allowed under 300 yds in their L/2 gms and are allowing just 103 rush (4.0) the L/4 gms and the Jets struggle to run the ball (87, 4.1). SEA QB Smith does lead the league in pass yards and have a talented WR trio and in the Jets L/2 gms prior their bye they allowed 78% completions. Smith does have 12 int's but the Jets only have 2 int's on the season. SEA has much more to play for, while the Jets are dealing with inner turmoil and a lost season. We like the Seahawks here by 2 td's & they are laying under a fg.

FORECAST: Detroit by 21

OTHER SELECTIONS

2★ Arizona over MINNESOTA - MIN is back home after 3 straight road games (won all 3) but needed OT to best CHI last week. MIN could be down to their 3rd string LT after their backup was inj'd last week. ARZ had their 4 game win streak snapped last week in SEA as they lost 16-6 despite holding a potent SEA offense to 285 yds (QB Murray pick-6). ARZ could take advantage of MIN's banged up OL as they have 14 sacks the past 3 games and are allowing just 187 pass ypg the L/4 gms. This game takes place in a dome, so no issues with weather and that benefits QB Murray. ARZ is allowing just 278 ypg/15 ppg the L/4 gms. ARZ already has wins at SF and MIA this ssn & we'll call for another outright upset for the Cardinals.

FORECAST: Arizona by 6

OTHER PLAYS

DALLAS by 6 over NY Giants - Thursday - Dallas is 2-12 ATS on Thanksgiving since 2010. NYG released QB Jones last week and went with DeVito but the offense only put up 245 yds and 7 pts in a 23-pt loss to Tampa where they allowed 450 yds incl 294 passing. Dallas got an upset 34-26 win at WAS last week despite being -80 yds and they returned 2 kickoffs for td's. The Giants are allowing 165 rush ypg (5.1) over the past 4 games but the Cowboys run game only puts up 83 ypg (3.4). The Giants have 36 sks on the season but only 1 over the past 3 games. NYG also struggles to stop the pass (71% on the season) and new DAL QB Rush has thrown for 247 and 354 the past 2 games. Even with DAL's poor spread record on Turkey Day, this Giants team is in bad shape.

Miami vs GREEN BAY - Thursday - GB is back at home here after a 38-10 win vs SF last Sun while Miami does have to travel on short rest, but did deliver a 4★ newsletter winner last week, beating NE 34-15 as QB Tagovailoa threw for 317 yds & 4 td's. GB's pass D is missing CB Alexander and are allowing 69% the L/4 gms, but have a stellar run D (110, 4.0 L/4 gms). Miami is doing it all through the air as they are only avg'g 91 rush ypg (3.4) the L/4 gms. GB RB Jacobs has done well TY (944, 4.7) and GB has several talented WR's. However, the weather forecast is low 20's and 10-15mph winds for Thur night and Miami QB Tagovailoa is 0-7 SU in games where the temperature is 40 degrees or colder. **Call the office on Thur after 11am EST for the Marquee Winner!**

Las Vegas vs KANSAS CITY - Friday - Since 2018 the Chiefs are 10-2 SU (7-5 ATS) against the Raiders. Earlier this season KC played at LV and the Chiefs led 27-13 but LV got a td with under 3 min left to get the backdoor cover. KC is 0-5 ATS this season as a favorite of over a td and the Raiders have covered 3 of 5 games as a dog of at least a td this season, but have dropped 7 games in a row SU and lost QB Minshew to an inj late last week (OFY - collarbone) and will be going with O'Connell again as the starter. KC does have a big home game on deck (Chargers) and QB Mahomes has thrown 11 int's already and KC needed a late fg to get by CAR last week. **Call the office on Friday after 11am EST for the Marquee Winner!**

WASHINGTON by 3 over Tennessee - After starting the season 7-2, WAS has now dropped 3 straight games and last week fell at home to DAL 34-26 as they allowed 2 kick return td's and missed the game-tying PAT. TEN did upset Houston last week on the road as the offense put up 369 yds and QB Willis threw for 278 and 2 td's (did throw pick-6). WAS has put up just 319 ypg the L/4 gms and the TEN defense is holding teams to 60 ypg under their avg (#2 NFL) and allow just 276 ypg on the season. WAS's pass D does allow 67% on the season. It is a bit concerning that TEN's OL has allowed 20 sacks the L/3 games and they only avg 118 rush ypg (4.3) but WAS's pass rush has just 8 sks the L/4 gms. If TEN can take care of the ball, they should keep this game close.

ATLANTA by 3 over La Chargers - LAC's 4 game win streak was snapped last Mon night vs BAL as they lost 30-23 as they allowed 212 rush (5.7). ATL has a nice situation edge here as they are at home off a bye week while LAC is travelling across the country on short rest off a tough loss. ATL did lose their last game at DEN but have won 3 of their L/4 home games. ATL does have a good 1-2 punch at RB with Robinson and Algeier and QB Cousins is hitting 68% with a 17-9 ratio. LAC did lose RB Dobbins for the 2H of last week's game and without him here they would have to rely on QB Herbert more, who is hitting 63% with a 13-1 ratio and ATL is allowing 72% and 230 pass ypg. It is tough to pick against LAC, but this is a big situation edge for ATL and they are a home dog.

CINCINNATI by 6 over Pittsburgh - Cincy's bye week came at the right time as they lost their L/2 gms by one score and 6 of their 7 losses are by 1 score. PIT is off a loss last Thur to CLE in a snowy, cold game. Cincy's pass rush has been lacking, but face a PIT OL that has allowed 15 sacks the L/4 games. Despite CIN's 4-7 record QB Burrow is #2 in the NFL in pass yds & tied #1 in pass td's (27-4 ratio). It is Cincy's D that has let them down, as they all'd 435 yds & 34 pts in their last game. PIT though has failed to top 370 yds in their L/3 gms. PIT's secondary has had some bad games & Cincy's duo of Higgins & Chase can be trouble. If Cincy wants to save their season, it has to happen here and they are off a bye. We like QB Burrow to lead his team to a win here.

Indianapolis by 7 over NEW ENGLAND - IND is off a 24-6 loss vs DET, but head back East for a matchup vs an easier foe. Two weeks ago IND played the Jets and they won 28-27 with QB Richardson hitting 67% for 272 yds and a td, but last week he was just 11-28. However he has a chance to bounce back here vs a Pats D allowing 66% and 224 pass ypg. IND also has a talented group of WR's capable of making plays. NE is also -61 ypg at home this season and are -85 pts on the season despite playing only 2 teams with a winning record currently. IND is allowing 359 ypg on the road and they have 12 sks the L/4 games and the Pats OL has allowed 39 sks on the season & 7 in the L/2 games. IND is 4-2 ATS on the road this season and we like them to grab the win by a td.

Houston by 6 over JACKSONVILLE - HOU got off to a 5-1 start but have since dropped 4 of their L/6 games and are off a home loss to TEN as they put up just 260 yds and allowed 369 yds. JAX is off a bye and could get QB Lawrence back, but are down 2 of their top WR's in Kirk

Selections 17-7 (71%) over
the L/8 weeks

NFL OVER/UNDERS

Our Over/Under Section is in its 36th season. Each week we list the Top 3 plays as of Wednesday morning.

3★ LAC/ATLOVER

2★ PHI/BALOVER

1★ ARZ/MINUNDER

and Davis for the season. JAX is off a 52-6 loss to DET 2 weeks ago where they allowed 645 yds and are -322 ypg over their L/3 games. Their offense is avg'g just 230 ypg in their L/4 gms. JAX cannot run the ball (62, 3.2 L/4 gms) and HOU allows just 111 rush (4.4) and has 42 sks incl 13 the L/2 games. QB Stroud is hitting just 56% the L/4 gms with a 3-5 ratio. It is tough to have much faith in the Texans here, but JAX is in such rough shape that we'll lean slightly with HOU.

Tampa Bay by 10 over CAROLINA - Off their bye week TB looked like a new team, granted their 30-7 win came vs the Giants. QB Mayfield hit 80% for 294 and WR Evans was back and he had 5 rec for 68 yds. CAR did just hang with the defending champs, losing 30-27 to KC. QB Young hit 60% for 263 and TB does allow teams to hit 69% passing (74% the L/4 gms) but do have 32 sacks in the season. Despite being 5-6 TB is +36 pts as their 5 wins are by 17 ppg and their losses are by just 8 ppg. TB does stop the run well (101, 3.8 the L/4 gms) and CAR avg's just 108 (4.6 rush). CAR is looking better, but TB has taken on a brutal schedule (8 gms vs teams with winning record) and against a lesser for will grab the win as they are still in the NFC South race & need to stack wins.

LA Rams by 6 over NEW ORLEANS - The Saints are off a bye and riding a two-game win streak (vs ATL and CLE), but now welcome in a tougher foe in the LA Rams. The Saints are allowing 272 pass ypg the L/4 games and in their last game allowed 377 to CLE, now face a talented Rams pass attack with WR's Kupp and Nacua and QB Stafford is avg'g 262 pass ypg (65%) the L/4 games. LAR's run D did allow 314 (7.0) last week, but that was Philly and prior to that LAR was all'g just 127 rush (4.2). NOLA is missing their top WR's and have been getting production from unlikely players. Rams have the coaching edge here with the Saints having an interim HC. McVay will draw up a good game plan & the Rams need a win to keep their hopes of winning the DIV alive.

Philadelphia by 3 over BALTIMORE - No team is hotter than Philly, as they have won 7 in a row (5-2 ATS). Philly won 37-20 at LAR last Sun with RB Barkley rushing for 255 (9.8)! BAL also won in LA last week, beating LAC 30-23 with their rush attack putting up 212 (5.7). The key to Philly's success is their defense, as they have allowed under 300 yds in 7 straight (223 ypg). The Ravens run D is strong (78, 3.5) but this will be their toughest test yet. BAL's pass D has allowed 65% and 278 ypg this season & QB Hurts is hitting 69%. Philly has been a road dog 2 times this season & both times they won outright and we like the Eagles to get the win here as their pass attack will be the difference.

San Francisco vs BUFFALO - SNF - Buffalo is off a bye and prior to that ended KC's unbeaten season with a 30-21 win. SF meanwhile was without QB Purdy as well as other starters in a 38-10 loss at GB, now travel to one of the toughest venues in the NFL. If Purdy is back he could have success vs a BUF pass D allowing 76% over their L/4 gms, but BUF does allow just 95 ypg over the L/4 and SF ran for just 44 (2.8) last week. SF did allow just 325 last week & overall allow just 304 ypg but face a dynamic offense led by QB Allen (64%, 18-5) and had a week for their WR's to get healthy. **Call the office on Sunday after 11am EST for the Marquee Winner!**

Cleveland vs DENVER - MNF - CLE is off extended rest, after winning last Thur at home vs PIT, while DEN is back home following a 10-pt win over LV. DEN's defense is allowing just 296 ypg and have 40 sks on the season, while CLE has all's 47 sks and avg just 292. However they have looked better with QB Winston and CLE's pass rush had 4 sks last week. CLE is allowing 68% completions and DEN QB Nix is hitting 65% with a 16-6 ratio (16-2 ratio since week 3). DEN does stop the run well (76, 3.4 L/4 gms) but are allowing 66% completions the L/4 gms and CLE's pass attack has improved under Winston. Remember on Monday Nights you can get a **\$back+ guarantee!** Call 347-677-1700 on game day for more details!

2024 NFL POWER RATINGS

We grade each team position by position and list the 2024 Power Ratings. Each week we update these Power Ratings in our weekly Power Sweep editions.

TEAM	2024	TEAM	2024
1 DETROIT	100.72	17 ATLANTA	93.20
2 KANSAS CITY	100.39	18 CHICAGO	93.16
3 BALTIMORE	100.09	19 NY JETS	93.01
4 BUFFALO	99.38	20 WASHINGTON	92.07
5 SAN FRANCISCO	99.25	21 LA CHARGERS	91.79
6 PHILADELPHIA	98.37	22 SEATTLE	91.72
7 HOUSTON	98.21	23 INDIANAPOLIS	91.27
8 GREEN BAY	97.78	24 CLEVELAND	91.18
9 CINCINNATI	97.27	25 DENVER	90.78
10 LA RAMS	97.11	26 JACKSONVILLE	90.39
11 DALLAS	97.08	27 NEW ORLEANS	90.20
12 PITTSBURGH	96.00	28 LAS VEGAS	87.67
13 TAMPA BAY	95.11	29 NY GIANTS	87.21
14 MIAMI	94.55	30 TENNESSEE	86.29
15 MINNESOTA	94.29	31 NEW ENGLAND	85.14
16 ARIZONA	93.28	32 CAROLINA	84.91

POWER RATING PLAY OF THE WEEK: None

A 2024 MARQUEE

7-Pack \$79 \$11.28 per play!!

A 2024 MARQUEE

21-Pack \$179 \$8.52 per play!!

A 2024 MARQUEE

49-Pack \$399 \$8.14 per play!!!

All Packs Expire Super Bowl Sunday
