Monday games are not included above.

NFL GAME OF THE YEAR RESCHEDULED FOR THIS SUNDAY (12/26/21)! NFL LP PLAYS (REG & PRESSN) ARE 40-16 (71%) THIS YEAR!!

While we're happy to announce that we cashed a 4★ LP Winner over the weekend on Utah St! Our LP plays went 1-1. Our Marquee totals had a rough start at just 2-6. **Due to a handful of games being moved because of Covid, we decided to move our NFL Game of the Year to this Sunday 12/26! Our NFL meanwhile continues to be strong on Late Phones at 1-1 including a Top Play 3.5★ Winner on Pittsburgh. The NFL ★ Rated Selections are now 40-16 (71%) on the year (regular and preseason combined!). Our Big Play Releases (NFL & CFB) are now 13-5 (72%) the last 2 seasons! Our NFL Marquees continue to dominate having gone an AMAZING 24-6 (80%) the past 10 weeks.**

NFL Key Selections go a Perfect 2-0 for a 2nd straight week including a 4★ Winner on the Bills!

We're pleased to announce that our NFL Key Selections went a perfect 2-0 for a 2nd consecutive week including a 4★ Winner on Buffalo. The Bowl season didn't get off to a great start however as our ★ rated selections went just 2-6 overall.

NFL 5★ GAME OF THE YEAR
BIG PLAYS ARE 13-5 (72%) THE LAST 2 YEARS!!

NFL Marquees are on a 14-2 (88%) Run!

While not ★ rated plays, the Marquees are always a popular choice. You can pick up these plays online on game day for just $12 at the NC-Store at ncsports.com or through our office after 12:00 (Mon-Fri) and 11:00 am ET (Sat/Sun). If you would like to save by purchasing in "bulk" we offer even BIGGER discounts (see below). Simply pick the pack you think you'll need and call our office to receive your plays. YOU choose the Marquee Plays you want. Marquee Packs do expire on Super Bowl Sunday. Get on board and use your Package on Game Day! Remember, the Monday Night Total and the Sunday Night games are Marquees!! During the Bowl Season we release a Marquee Selection on every total! That's 43 Marquees all together that we'll be releasing for the Bowls!

Power Plays NFL 4★ on a 4-2 (67%) Run!! ADD POWER PLAYS NEWSLETTER (EMAIL) FOR JUST $30!!!

Every Power Sweep subscriber has previously gotten to see what Power Plays is all about as we had a combined college Issue for Week 1. A lot of you took advantage of the "add on" subscription and are enjoying our computer's projection on every single game! **It's not too late to get Power Plays for the rest of THIS season for just $30 if you are already a 2021 Power Sweep sub! Call today and we'll email your Wk 14 Issue immediately! Oh, and by the way, NFL 4★ Power Plays Releases are on a 6-2 (67%) run the past 6 weeks! Our ★ Rated NFL Power Plays Selections have gone 7-2 the past 2 weeks overall.**

FL is 2-0 against their in-state little brother but they haven't met s/'06 after UCF backed out of a 2for1 deal in the last decade. UCF is in a bowl for the 6th straight year and first under Malzahn. They split 2 mtgs vs SEC foes in bowls. Malzahn was 2-6 SU/3-5 ATS in bowls at Aub. Interim HC Knox is 1-0 in bowls, leading Miss St to a win in '17 as Interim HC there as well.

UCF was picked to finish 2nd and was the only other team aside from Cincy to receive a 1st place vote in the AAC's presssn poll after going 6-4 in '20. The Knights lost 2nd tm AAC QB Gabriel in the 3rd game (a last-second upset loss at L'ville) for the ssn before he ultimately entered the portal. They lost 2 top RBs before the ssn and starter Bowser missed considerable time w/inj too. Top WR Robinson missed most of the yr w/inj too, and the D was also riddled w/ a host of inj's. UCF dropped 3 straight ATS and 2 of 3 SU, including an upset loss to Navy and a drubbing at the hands of Cincy. The Knights won 5 of their L/6, but those wins came against the bottom half of the conf (plus UCONN).

LY FL ply'd in the SEC Title game, only losing to Bama by 6, but was depleted by opt outs in the bowl and lost to OK 55-20. They ret'd just 10 st'rs but were expected to contend for the SEC East. They started 4-2 with losses by just 2 points against Bama (+115 yds) and a 7 pt loss at KY (+158 yds) thanks to a blk'd fg ret'd for td. They were 4-2 then suffered 4 losses in their next 5 games, with 3 coming as more than a td favorite, and HC Mullen was let go after the loss to Mizzou. Under Interim HC Greg Knox they beat rival FSU. Despite their .500 record, UF is +110 ypg against our #57 sked. Their D holds foes 53 ypg below their avg but their #1 tkl'r, LB Diabate and DE Carter (#9 tkl'r, 8 sk) are not playing while QB Jones is in the Portal but still playing.

FL has the talent edge but their top DL & LB are out. Gators ply'd the tougher schedule but UCF has a huge motivation edge and has a big coaching edge with Malzahn's SEC experience.

First mtg. NT went to a bowl each of Littrell's F/3 years (0-3 SU/1-2 ATS) but missed out in '19 then lost LY's Myrtle Beach Bowl as over 3 td dogs 56-28. HC Martin is 0-2 SU in bowls and covered as both as dogs but the Redhawks are favored here.

Last year Miami only played 3 games but did finish 2-1 including a win over eventual MAC champ Ball St. They had 19 starters back from LY's team but MU started 1-3 with road losses at Cincy, Minn & Army. The RedHawks went 5-3 in MAC play, with all 3 losses coming in close games by a combined 4 points but their 5 wins were by 10 ppg. The RedHawks were +53 ypg against our #xx sked. Their offense put up 426 ypg and 27 ypg more than their foes allowed on avg. QB Gabbert threw for 2,418 (58%, 24-6) and WR Sorensen led the MAC with 1,290 (18.7). The RedHawks were 2-5 SU/3-4 ATS and -30 ypg against fellow bowl teams.

HC Littrell was on the hot seat at NT after they finished 4-8 and 4-6 the L2Y. They won their opener then lost 6 straight and we figured Littrell would be gone after they were blown out at home on Nat'l TV by Marshall. The schedule lightened up and NT got to 5-6 and caught UTSA with their CUSA Title game on deck and the Mean Green never trailed, leading 45-13 4Q to finish on a 5 game win streak and reach a bowl, likely saving Littrell's job. RB Torrey was expected to move to WR this year but inj's pushed him back to RB and 'only' rushed for 1,215 (4.9). The Mean Green finished +62 ypg. They outgained Missouri in a 13 pt loss and was only outgained 537-506 at SMU but TO's and fg's led to a 23 pt loss. Their D has been vastly improved, allowing just 378 ypg and only 306 in their L/4 and were +201 in those. Twin bro's Gabriel and Grayson Murphy comb'd for 13.5 sks.

NT enters the bowl on a 6-0 ATS run. The Mean Green should have a huge crowd edge, playing just 18 miles from campus and our checklist actually says NT by over a field goal. We agree!

OL AVG 6'4" 308	DL AVG 6'3" 292		ST Rank	92	

First meeting. Mem is in a bowl for the 8th straight year (3-4 SU/2-5 ATS) & this is HC Silverfield's 3rd bowl gm here (1-1 SU/ATS). Hawaii is once again in the Hawaii Bowl & since '16 they are 2-1 SU/ATS in this bowl. HC Graham is 6-4 SU in bowls.

16 returning starters is normally good, but w/ the NCAA granting an extra yr of eligibility, only 3 tms in the AAC returned less (including Navy). Memphis had to replace the school's all-time leading passer in Brady White, and Arizona transfer Grant Gunnell was expected to take his place, but was OFY, which left true Fr Seth Henigan holding the reigns. The Tigers didn't seem to miss a beat, starting 3-0 w/ a win over Miss St. Then they blew a 21-pt lead at home vs UTSA and a 17-0 lead at Temple before dropping their 3rd straight in a loss at Tulsa. Memphis went 3-3 down the stretch, w/ a win over SMU and a 1-pt loss in OT to ECU where they went for 2 but were unsuccessful. The Tigers needed a win in their final gm to reach a bowl won by Tulane 33-28 despite losing the yd and FD edge.

Haw brought back 18 st'rs incl all 11 st'rs on D. Haw opened 1-3 with 2 losses to Pac-12 tms. Haw would win 3 of the next 4 gms incl an upset win vs Fresno 27-24 (+5 TO's). Haw then dropped 3 straight to Utah St/SDSt/UNLV but then won vs Colo St and at Wyoming to reach 6 wins. Haw's offense put up 401 ypg/29 ppg for the season but QB Cordeiro (2793, 55%, 17-11) and RB Hunter (651, 6.4) went in the portal along with a starting CB. Haw's D gave up 450+ yds in 6 of their L/8 gms and for the ssn all'd foes to gain 54 ypg above their ssn avg (#109 FBS), but they did have the #39 pass D. Haw's D does have a couple of talented players in LB Muasau (109 tkl, 14 tfl) and DB Bethley (100 tkl, 8.5 tfl, 6 pbu, 5 int).

While Haw is missing key offensive players, they have the edge on defense. Mem is 1-4 SU/0-5 ATS in road games TY. The line favors Mem by over a TD, but we like Haw to keep it close & potentially pull the upset while the checklist calls for Haw to pull the upset.

3rd mtg. Tms played a home & home in '15-'16 and road tm won each gm. Ball St is in a bowl for a 2nd straight ssn (won Ariz bowl LY over MW champ SJSt) while HC Elliott has GSt in a bowl for the 4th time in 5 seasons (2-1 SU/ATS).

Last year HC Neu led Ball St to their first MAC Title s/'96 then won their bowl game to finish 7-1. The Cardinals brought back 20 starters from that team but started 1-3, losing all 3 by DD's. They upset Army at home then won B2B road gms over WMich and Emich to get to 4-3. They led in the 4Q but lost to Miami, were nearly upset by Akron and lost B2B gms. At 5-6 they beat Buffalo at home 20-3 despite getting outgained 336-229. Ball St finished -80 ypg and were actually outgained by nearly every team they played. Both their wins and losses were TO affected, finishing +13 TO's in 6 wins but -4 TO's in their 6 losses. Their offense was held 59 ypg below what their opponent's allowed.

GSt ret'd 19 st'rs TY incl all 11 on offense! GSt dropped their F/2 gms to Army & UNC by a comb'd score of 102-27 & HC Elliott made a change at QB. After a win vs Charlotte, GSt nearly upset Auburn (led 24-19 4Q) and then were blown out by 29 vs App St. At 1-4 GSt's ssn turned around as they would win their next 3 gms to get to 4-4. After a narrow 4 pt loss at LA, GSt upset Coastal 42-40 (CC QB McCall out) and then GSt won their L/2 gms to finish 7-5. GSt ended the ssn covering 8 of their L/10 gms. In the 10 gms QB Grainger started GSt avg'd 415 ypg/29 ppg (448 yds/27 pts comb'd F/2 gms) and that included rushing for 247 ypg (5.2) the L/10 gms. The GSt D overall all'd 406 ypg/28 ppg. The run D was solid most of the ssn (147, 3.6) but the pass D finished #90 (259 ypg, 60% comp). The pass rush did total 32 sks incl 15 sks the L/3 gms.

BSU avg's just 336 ypg & went 'Under' in 9 of 12 gms TY& we think the GSt D will hold them in check. GSt avg's just 26 ppg on offense so we feel the UNDER is the best play in this gm.

First mtg. This is WM's 6th bowl in 8 years (2-3 SU/ATS) but HC Lester is 0-2 SU in bowls as WM's head coach. Nev was 2-1 SU/ATS in bowls under HC Norvell but he left for Colo St & the interim HC will be Vai Taua. Nev will also be down several key players.

WM was the favorites to win the MAC West this year with 19 starters back from a 4-2 squad. They were blown out in the opener at Mich then won their next 4, including a shocking upset at Pitt. At 4-1, WM was 12' pt home chalk against Ball St but was -4 TO's and lost 45-20. They crushed MAC East champ Kent St 64-31 (ssn high 648 yds). WM lost B2B games at Tol and CMich despite holding the yds ege in both. They won 2 of their L/3 but lost at EMich 22-21 and finished just 7-5 but was +124 ypg. QB Eleby threw for 3,115 (64%, 21-5) and WR Moore finished with 1,247 (13.9). The Broncos D held foes to 339 ypg and 54 ypg less than their avg (#29 in FBS). The only game the Broncos were outgained was the opener vs Michigan.

The 'Pack brought back 20 st'rs led by QB Strong. Nev began the ssn with a 22-17 win at Cal but then 2 wks later fell at Kan St (489 yds). Nev would go on to win their next 3 gms to open 5-1 incl a 41-31 win at Boise. In a big game at Fresno, the 'Pack fell behind 14-3 in 1H but came back and lost by 2 pts (missed 2-pt conv late 4Q). After 2 more wins sent them to 7-2, Nev dropped B2B gms to SDSt & AF each by 2 pts. Nev capped off their ssn with a 52-10 win at Colo St. QB Strong lived up to his last name and was the #4 passer in the FBS but opted out of the bowl along with 4 of their top 5 receivers. Nev all'd 438 ypg the L/4 gms incl giving up 263 rush ypg (5.2) but recorded 40 sks on the season but LB Henley (#1 tkl'r) opted out here. The Nev pass D did finish the year with the #48 pass D.

With Nev down several st'rs on offense & having to travel nearly 2,000 miles with an interim HC we feel like this is a huge mismatch as WM is only travelling 130 miles and will have the crowd edge.

First mtg. EC is playing in their first bowl s/'14. This is their 2nd trip to the Military Bowl, having lost to Maryland in '10, 51-20. This is HC Hafley's first bowl. BC is on a 1-7 SU/2-6 ATS run in bowls and they are making their first trip to the Military Bowl.

EC finished 3-6 LY but returned 20 starters. The Pirates began the yr w/B2B losses vs Sun Belt East champs App St and bowl-bound SCar, dropping the latter 20-17 on a GW FG w/ 0:00 left after leading 14-0 late 2Q. EC then rattled off 3 straight wins which began w/ a 42-38 upset win on the road vs Marshall. They had UCF in the Bounce House 16-13 w/:30 sec left before all'g the GW TD. This SU loss however was the first of 6 consecutive ATS wins, culminating in another upset win on the road, this time against Memphis in OT, 30-29. EC won 4 in a row SU before losing to Cincy to end reg-ssn at 7-5. Fr RB Keaton Mitchell led the AAC w/1,132 rush (6.5) w/the offense putting up 65 more ypg than their opponents allowed on avg (#19).

BC went 6-5 in HC Hafley's first year despite having no spring. The Eagles had 17 starters back but lost QB Jurkovec in the 2nd game. They started 4-0 against a very light schedule but then lost 4 straight, getting held under 300 yds in 3 of them. Jurkovec made a surprise return vs VTech and they held the Hokies to 235 yds in a 14 pt win, then won at GT 41-30 (+1') to get bowl elig. BC fell behind 26-3 but nearly rallied to beat FSU, only losing by a fg. In their finale WF needed a win to clinch the Atlantic and Jurkovec was clearly not 100%, finishing with just 19 pass yards as BC lost 41-10. Their offense avg just 349 ypg and they were only +5 ypg against our #85 sked. BC's OLine has a disappointment considering they've got multiple future NFL guys and their offense put up 68 ypg less than their foes allowed on avg (#114).

QB Jurkovec has plenty of time to get healthy but EC was ply'g much better to end the ssn and the Pirates actually faced the tougher sked. The checklist to the left calls for EC to win outright and we agree!

Aub is 5-1 all-time vs UH but they haven't met since 1973! HC Holgorsen is just 2-6 SU/1-7 ATS in bowls and lost his first bowl at UH LY in the Hawaii Bowl. Harsin was 3-2 SU/ATS in bowls at Boise St. Both Aub won here in '15 over Memphis while UH lost to Vandy in '14 when this was known as the BBVA Compass Bowl.

The Cougars ret'd 18 starters, but HC Holgorsen entered his 3rd yr at the helm w/just a .350 winning percentage at Houston. They took a 14-0 lead vsTxTech but blew the gm and dropped their opener 38-21. UH then won 11 straight gms and were one bad half away from entering the AAC title gm unbeaten. Houston took advantage of a weak schedule, particularly on defense, as they played two winning tms in the reg-ssn and all'd just 289 ypg while holding foes 71 yds below their ssn avg (#15 in FBS). "Sack Ave" boasted a 11.4% sack rate (3.42 sacks per gm). The Cougars played a competitive 1H with #4 Cincy (trailed 14-13 at the break) but were undone by their absent run gm (86 yds, 1.8) and fell to playoff-bound UC 35-20.

After a 6-5 ssn, HC Harsin was brought in w/15 starters back. Aub started 2-0 with lopsided wins then lost at Penn St 28-20. They were nearly upset against GASt, scoring the GW td with :45 left. The Tigers pulled upset wins over LSU and Ark along with a 31-20 win over Ole Miss to get to 6-2. They lost their L/4 gms, including an 18 pt blown halftime lead against Miss St, an upset loss at SCar then blew a 10-0 lead late vs Bama, losing 24-22 (4 OT). The Tigers finished +35 ypg against our #20 sked. QB Nix was lost for the season after 10 gms and QB TJ Finley has a 5-1 ratio. The Tigers D allowed 371 ypg and held foes 26 ypg below their avg, despite LY's #2 tkl'r, LB Pappoe, missing 7 games. LB McClain (#1 tkl'r), C Brahms and RT Hamm are all out but RB Bigsby went in the Portal then ret'd and Pappoe is healthy.

Aub has ply'd a much tougher sked (#20 vs #105), will have a crowd edge and talent edge so despite the opt outs we lean with the Tigers.

First mtg. L'ville is in a bowl for the 2nd time in 3 ssn's under HC Satterfield (won '19 Music City bowl vs Miss St) while Air Force HC Calhoun has them in a bowl for the 11th time (6-4 ATS) and more recently since '15 AF is 3-1 SU/ATS in bowl gms.

L'ville ret'd 13 starters from LY's 4-7 team. QB Cunningham was among them but he lost his top 2 WR's and top RB. UL lost their opener to Ole Miss then won 3 straight including an upset over UCF. The Cards lost 4 of their next 5, with 3 coming by 6 pts or less to WF, UVA & Clem. UL crushed bpth Syracuse (41-3, -3) and Duke (62-22, -20) to get bowl elig. Their run D had allowed just 4.0 ypc going into their finale vs KY but they were gashed for 362 (7.4) in a 52-21 (-3) loss, finishing 6-6. They were just 2-6 SU/3-5 ATS vs bowl teams but still finished +44 ypg. Cunningham has taken a lot of hits but he will have plenty of time to rest and he's been virtually their entire offense, leading with 968 rush (6.0, 19 td's) and 2,733 pass (62%, 18-6).

AF ret'd 13 st'rs this ssn & 9 of those st'rs were on D as many of them used turnbacks to get an extra year. AF opened the year 2-0 incl a 23-3 win over Navy. They lost to Utah St 49-45 (all'd 628 yds) but then won 4 straight gms incl topping 400 rush yds vs FAU & NMex. At 6-1 AF lost to SDSt at home then fell to Army in OT. AF closed out the ssn with 3 straight wins where they avg'd 506 ypg/41 ppg and ran for 458 ypg (6.2) incl rushing for 511 yds in the ssn finale. Despite AF losing all 5 starting OL coming into '21 they led the FBS with 341 rush ypg (5.2) as 6 players topped at least 200 rush yds. The AF defense as also stout all ssn as they held foes to 83 ypg under their ssn avg and all'd just 95 rush ypg (3.2). AF recorded 35 sks incl 12 in their L/2 gms and the Falcons have the #64 pass D.

L'Ville has not seen the option, but have had time to prep for it. We feel like QB Cunningham will be the difference maker in this mtg & with the line under a FG we see L'Ville getting the win here.

Mike Leach meets his former team who he feels fired him unjustly in '09. Leach is 7-8 SU/5-10 ATS in Bowls. TT interim HC Cumbie took the LA Tech job but will coach here. MSU is 3-1 at the Liberty Bowl, last here in '13 (44-7 vs Rice) while TT makes their first trip here.

TT ret'd 16 st'rs and added Oregon transfer QB Shough. TT was down 21-7 HT vs Hou in opener but won 38-21. TT barely beat FCS SF Austin then blew out FIU. To open B12 play TT lost 70-35 at Tex then went to WVU and won on a last-sec FG. Hosting TCU they fell 52-31 but then won vs KU 41-14. TT then fell to KSt at home & HC Wells was surprisingly fired. The next week they were blown out at OU 52-21. After the bye TT upset ISU 41-38 (GW 62-yd FG) but then lost to OSU and Bay to finish 6-6. QB Shough started the F/4 gms (inj'd vs Tex) & bkp Colombi started the next 5 before D.Smith started the L/3 gms & looks like he'll start here. TT only avg'd 151 rush ypg (4.6). TT's D faltered down the stretch (462 ypg/35 ppg all'd L/4 gms) & for the ssn they only had 16 sacks.

Miss St had 16 starters back after going 4-7 but were in 2nd year of Leach's air-raid system. They started 2-0 after beating NCSt by 2 td's. They were +222 and +144 in close losses to Memphis & LSU but won as 7 pt dogs at A&M. Yards were even in the 1H vs Bama but they settled for fg's then were blown out in the 2H. They dominated Vandy & KY, missed 3 fg's & allowed the GW td at Ark with :22 left, rallied from down 18 pts to beat Aub and outg'd Ole Miss 420-388 but settled for fg's and dropped td passes, losing by 10. The Bulldogs finished +45 ypg and +119 ypg against our #24 sked and held the yd edge in 4 of their losses. Their offense put up 450 ypg but it was their D, allowing just 331 ypg and holding foes 75 ypg below their avg (#8 in FBS) that made a huge difference. Five of their 7 wins were by more than 1 score while 3 of their 5 losses were by 8 comb'd pts.

MSU has a huge edge facing TT's pass D which is the lowest ranked among bowl teams (#117). The only edge TT has is at OL and ST's so we will gladly take the Bulldogs, ring that cowbell!

3rd mtg, but first one since 1960! UCLA is in a bowl for the first time under HC Kelly, but he has plenty of bowl exp (cch'd 2010 nat'l title gm). This is the 7th bowl for NCSt under HC Doeren (4-2 ATS). This is UCLA's 2nd trip to the Holiday Bowl (lost in '12 vs Baylor).

HC Doeren had 19 starters back from last year's 8-4 squad. They started 4-1 including a win over Clemson where they held the Tigers to 214 yds. They led in the 4Q but lost by 1 pt at Miami then won B2B by DD's over L'ville and FSU. The 'Pack lost LB's Wilson & Moore (5 total D st'rs gone) and couldn't keep up with WF's offense, losing 45-42 on the road. They were outg'd 444-360, trailed by 9 vs NCar but WR Emezie caught 2 td passes in the final 2 minutes to win 34-30 and finish 9-3. NCSt hasn't won 10 games since 2002. The 'Pack are +83 ypg against our #29 sked. QB Finley has a 36-5 ratio and RB's Person (686, 4.6) and Knight (728, 4.8) make up one of the ACC's best duo's. Their D held 6 foes under 300 yds this year.

UCLA brought back 20 st'rs & opened with a 34 pt win vs Haw & then on national TV upset LSU (+2') 38-27. After a bye UCLA was upset 40-37 by Fresno, but then rebounded to beat Stanford. Against ASU the Bruins trailed 24-23 HT but were outscored 18-0 in the 2H. UCLA got back on track winning 2 straight road gms (Ariz/Wash) but would fall to Oregon (led 17-14 HT) & then lost by 20 pts at Utah. UCLA won their L/3 gms by an avg of 27 ppg incl a comeback win vs Colo (trailed 20-10 HT & won 44-20). UCLA's offense avg'd 441 ypg/37 ppg led by QB DTR (2409, 62%, 21-6) & RB Charbonnet (7 gms of 100+ yds). Over their L/4 gms UCLA's offense was even better (492 ypg/43 ppg). The UCLA D would allow 385 ypg, with their rush D giving up just 125 ypg (3.8) & the pass D finished #34.

While UCLA has a potent offense, NCSt's D held foes to 70 ypg under their ssn avg. UCLA also has a solid D and we see this game going under the total.

First mtg. WVU HC Brown is 4-0 SU in bowls overall & LY beat Army 24-21 in the Liberty Bowl. Minn HC Fleck is 2-0 SU/ATS in bowl gms here incl upsetting Auburn 31-24 in the '19 Outback Bowl.

WVU brought back 17 st'rs TY incl QB Doege. WVU lost the opener at Maryland but then won the next 2 incl a home win vs VA Tech. WVU then dropped 3 straight to fall to 2-4 but 2 of those losses were by 3 pts to OU & TT. After the bye WVU got 2 straight wins over TCU & ISU but then lost 2 straight to OSU and KSt. To end the year WVU needed 2 wins & got them over Texas & KU to finish 6-6. Overall WVU avg'd 383 ypg/27 ppg put up over 425 yds & 28 pts in 4 of their L/6 gms. QB Doege hit 66% (2908, 19-11) and RB Brown topped 1000 yds again, but is skipping the bowl to prep for the NFL draft. Three WR's topped 450 yds for WVU. The WVU D was stout again (350 ypg/24 ppg) especially down the stretch as WVU all'd just 319 ypg the L/4 gms. WVU gave up just 130 rush ypg (3.9) but their pass D does rank down at #86.

Minn ret'd 20 st'rs this season but lost RB Ibrahim (1076, 5.4, 15 td in '20) in the opener with Ohio St. His backup Potts was lost vs Purdue, RB Williams was eventually lost, and RB Wiley hit the portal. However RB's Ky Thomas and Mar'Keise King took over the main rushing roles mid-ssn & finished over 500 yds. QB Morgan struggled during the ssn & Minn's offsense struggled to move the ball & it showed in huge upset losses at home to BG and Illinois, but by the final gm, the tm's main goal was to win the Paul Bunyan Axe from rival Wisconsin & they did that & spoiled their trip to Indy. Minn only avg'd 360 ypg on offense but their D held foes to 250 ypg in their L/6 gms & overall held foes to 96 ypg under their season avg (#5 FBS). Minn comes into this game with the #15 pass D.

Both teams bring strong defenses into this game and the checklist to the left is right near the current Vegas line.

First mtg and 1st ever Fenway Bowl. This is Mendenhall's last game at UVA. He is 6-5 SU/ATS in bowls and looking for his first Bowl win at UVA. Former USF HC Jim Leavitt is Interim HC for SMU.

UVA had 14 starters back including QB Armstrong who threw for 2,117 LY and led with 552 (4.5) rush. The Cavs started 2-0 but lost to both NCar & WF by 20 pts each. They survived at Miami after the 'Canes missed a 33 yd GW fg then rallied from down by 17 4Q to beat UL 34-33. They crushed Duke 48-0 then led GT by 21 late 4Q and only won by 8. At 6-2 they were in contention for the Coastal but lost QB Armstrong late against BYU and he missed their game vs NDame and they lost by 25. Armstrong ret'd but they lost 48-38 at Pitt then lost the finale vs VTech to finish just 6-6. Their offense put up 119 ypg more than their foes allowed but their D allowed 466 ypg including 533 in their L/4. Against BYU they gave up 734 yds, the most ever allowed by Mendenhall. UVA had 3 starting OL, and 2 starters on D enter the portal but Mendenhall has left the door open for them to play.

SMU brought back 18 starters from a 7-3 tm and added OK transfer QB Mordecai (PS#3) and was expected to compete for a conference title. The Mustangs began the yr 7-0 and reached as high as #19 in the AP poll before entering their showdown w/ 1-loss Houston. On the road, the game was considered a toss-up and played out that way until a KR TD for the Cougars in the waning moments took a bite out of SMU they simply never recovered from. This was the beginning of dropping 4 of their final 5 gms to finish a respectable 8-4 but just 4-4 in the AAC, placing 6th in the conference. Their dynamic offense (466 ypg) was complemented by below-avg D that allowed 415 ypg and 26 ypg more than their foes avg. SMU will be w/o WR's Gray and Roberson.

While we think UVA will play hard for Mendenhall in his final game, we are going to wait and see how depleted they are by the portal to make a play here, and the checklist has it right at the line.

MD is ply'g in their first bowl s/'14 while VT looks to start a new streak after Covid ended their 27Y Bowl streak. Both tms are making their first trip here. This is both Locksley and Interim HC Price's first bowl.

MD brought back 17 starters and began the yr w/ a win over WV 30-24. The Terps were 4-0 and w/the B10's leading WR Demus headed into a home gm w/ #5 Iowa, but the Hawkeyes swarmed QB Tagovailoa (5 INTs) and broke Demus' leg en route to a 51-14 mauling that derailed the Terps' ssn. This began a 7-gm ATS skid where MD picked up just 1 win (Indiana) and lost 2 more starting WRs for the yr in the process. The Terps were non-competitive during this stretch, but traveled to Rutgers in their finale w/both tms in need of a win for bowl elig. Tagovailoa was excellent (312, 70%, 3/0, 1 rush TD) as MD ended the '21 reg-ssn 1st in the B10 in comps, 2nd in yds, T-2nd in TDs, and 3rd in comp % while taking the 3rd most sacks. MD is +24 ypg against our #31 sked and their offense put up 62 ypg more than their foes allowed on avg.

VT had 15 starters back this year and opened with an upset win over #9 NCar despite getting held to 296 yds. They nearly rallied at WVU, getting SOD at the WV4 on their last possession to lose by 6. VT was 3-1 but lost 3 straight in Blacksburg including close losses to NDame and Cuse. VT fired HC Fuente after their win vs Duke. They finished with B2B road gms, losing by 12 at Miami then won at UVA 29-24 and Interim HC Price had an emotional post game interview. VT's D all'd 384 ypg and held foes 21 ypg below their avg but will be w/o 4 of their top 10 tkl'rs who opted out. The Hokies were -14 ypg on the ssn and they didn't have a single win against a team that won more than 6 games. The Hokies do have our #2 ST's unit.

VT has been gutted by the portal and opts (all 6 starters were All-ACC TY or LY) and now QB Burmeister may be gone as well. MD has a huge edge on offense and motivation edge.

First mtg. ISU is in their 5th straight bowl under HC Campbell (3-1 ATS) incl a 34-17 win in the Fiesta Bowl LY vs Oreg. This is the 18th postseason gm for Clemson HC Swinney and since 2012 Clemson is 10-3 ATS in bowl/national championship gms.

ISU ret'd 20 st'rs incl all 11 st'rs on offense. ISU began the ssn 2-2 with losses to Iowa by 10 pts (+166 yds but -3 TO's) and Baylor by 2 pts (+197 yds, BU KR for TD). ISU would go on to win their next 3 gms incl handing Okla St their only regular ssn loss. However ISU then faced 3 road gms in a 4 gm span and they dropped those gms to WVU/TTech/OU each by 7 pts or less. ISU ended the ssn with a 48-14 win over TCU to finish 7-5 & in their L/6 gms went just 2-4 ATS. The Cyclones were led by AA RB Breece Hall (1472, 5.8, 20 td) but he opted out of this game. QB Purdy had a solid season as he hit 73% (2984, 18-7). Overall the defense all'd 310 ypg and held foes to 79 ypg under their ssn avg. ISU's D also had 32 sks led by AA DE McDonald with 11.5 sks. ISU did only have the #63 pass D.

After reaching the CFB Playoff each ssn, it seemed like a foregone conclusion that Clemson would win the ACC again and contend for a playoff spot despite losing QB Lawrence, RB Etienne and their top 3 WR's. They were held to just 226 ypg in their F/3 vs FBS foes but their D was still one of the nation's best and they won 7 of their L/8 including a 48-21 (-4) win over ACC Atlantic Champ WF. The Tigers finished +54 ypg and their D held foes to 309 ypg and just 277 in their L/4. They also held foes 84 ypg below their avg (#6 in FBS). QB Uiagalelei often struggled (55%, 9-9) and was playing with a banged up WR corps. Despite the struggles, they still finished 9-3 but only 1 of their wins came against a team who finished above .500.

ISU all'd just 310 ypg & held foes to 77 ypg under their ssn avg, while Clemson all'd just 309 ypg and won't have to face RB Hall who opted out. Points will be at a premium here & we like the 'Under'.

8th mtg. OU is 6-1 all-time vs Oregon but in their last mtg in '06 the Ducks won at home. OU will be coached by Bob Stoops who is 7-11 ATS in bowls here. The Ducks will be led by interim HC Bryan McClendon. Oregon is just 1-5 ATS in their last 6 bowls.

UO ret'd 16 st'rs but needed to replace QB Shough. UO squeaked past Fresno 31-24 but then w/o their top DEF player went to Ohio St & pulled the upset 35-28. UO opened the ssn 4-0 but then fell at Stanford 31-24 in OT. UO strung together 5 straight wins as they avg'd 461 ypg & held foes to 326 ypg in those gms. The Ducks playoff hopes ended with a loss at Utah 38-7 & then they beat rival OSU 38-29. In the Pac-12 title game they fell 38-10 to Utah. UO's offense was propelled by QB Brown and RB Dye topped 1000 yds after star RB Verdell went down midssn. UO's rush attack avg'd 203 ypg (5.2) and they all'd 20 sks. The Ducks rush D held foes to 129 (3.7) and their pass defense ranks #23. Oregon had just 23 sks on the season as star DE Thibodeaux was banged up during the ssn & won't play here along with leading WR Devon Williams.

OU ret'd 15 st'rs from last ssn's Big 12 title team incl QB Rattler. OU won their F/4 gms vs FBS foes by a comb'd 21 pts. Down 28-7 vs rival Texas the Sooners switched to QB Williams & he completed the comeback 55-48 then over the next 3 gms OU avg'd 488 ypg/46 ppg before falling to Baylor 27-14 (held to 260 yds). After beating ISU 28-21 OU fell to rival OSU 37-33 and they missed the Big 12 title gm & HC Riley left for USC. OU's offense avg'd 426 ypg/36 ppg vs conf foes & their defense held foes to 380 ypg/25 ppg. OU collected 28 sks, but 21.5 of the sks will not play in this gm as 4 DEF st'rs opted out for OU. The Sooners pass D ranks #103.

We expect Oregon's offense to take advantage of an OU defense that is missing several key starters up front. OU still has a potent offense though & we expect a high-scoring game here.

PRO SELECTIONS

HOME TEAM IN CAPS

KEY SELECTIONS

4★ Pittsburgh (+) over KANSAS CITY - This marks the only HG in the final 4 weeks of the season for the Chiefs as they return to Arrowhead with extra rest following a trip to LA against the Chargers (QB Patrick Mahomes 410 pass yds & 3 TD's in OT win). The Steelers meanwhile picked up a comeback win over the Titans LW at home for a 3.5★ Top Play LP and a 3★ Newsletter Winner! While the Steelers had won 6 of 7 against the Chiefs from '11 to '17, the Chiefs picked up a 42-37 win in Heinz Field back in '18 with Mahomes throwing for 326 yards and 6 TD's! Despite KC looking extremely sharp in recent weeks (5-0 ATS run), we expect the Steelers to keep this meeting close as they've gone a solid 14-6 ATS as an AD. **FORECAST: KANSAS CITY by 1**

3★ CAROLINA (+) over Tampa Bay - Only HG in the final 4 weeks of the year for the Panthers who return to Charlotte following a 17 pt defeat in BUF where we picked up a 4★ Newsletter Winner on the Bills! The Bucs meanwhile suffered a surprising home loss as an 11pt favorite against the rival Saints (1st time that a Tom Brady-led team was shutout since 2006!). The Bucs have won and covered 4 of their past 5 meetings with the Panthers including a 46-23 victory (-6) a year ago in Charlotte where they finished with substantial FD (30-13) and yard (544-187) edges. With the Bucs failing to cover 5 gms away from home TY (incl a pair of outright upsets) and potentially missing the offensive trio of WR's Mike Evans, Chris Godwin and RB Leonard Fournette, it would be hard to support a DD DIV favorite in this one. **FORECAST: Tampa Bay by 3**

OTHER SELECTIONS

2★ NY JETS over Jacksonville - The Battle of the Bottom-Feeders here as the Jags head North following a 14 pt home loss to the Texans in the 1st game since the firing of HC Urban Meyer. The Jets meanwhile spent last weekend in South Beach against the Dolphins with MIA getting a 31-24 comeback win (MIA 23-16 FD & 379-228 yd edges). The Jaguars have now picked up 2 straight in the series SU/ATS following a 4-game series losing streak from '11-'17. While the Jets have failed to cover 7 of their past 8 as home chalk dating back to '16, the Jags haven't any better in recent road contests having failed to cover 6 of their L/8. **FORECAST: NY JETS by 10**

OTHER PLAYS

San Francisco at TENNESSEE - Thursday - Following an 18 pt home win against the Falcons where they finished with 23-13 FD and 397-275 yd edges, the 49ers head East for the 2nd time in 3 weeks to take on a Titans squad that fell just short of knocking off the Steelers in Heinz Field (TEN 22-12 FD & 317-168 yd edges, -4 TO's). In their last meeting back in '17, the 49ers (-1') picked up a narrow 25-23 victory (GW 45-yd FG as time expired). While SF has gone an impressive 13-6 ATS against the AFC, the Titans have proven that they can play against anyone in the league (wins TY over BUF, KC, LAR & IND twice!). **We'll have one of our Marquee selections available after Noon EST on gameday.**

GREEN BAY by 10 over Cleveland - Saturday - After seeing their home matchup against the Raiders moved to Monday due to Covid issues, the Browns head into Lambeau on short rest to take on a Packers team that picked up their 3rd consecutive win LW in BAL against the Ravens with Aaron Rodgers throwing for 268 yds and 3 TD's. The Packers have picked up 3 straight wins over the Browns including a 27-21 OT win in CLE ('17) without the services of an injured Rodgers. With Rodgers back under center this time around along with GB being a perfect 7-0 SU and ATS at home dating back to the end of LY (15 pt avg MOV), we have no issue leaning in their direction here as the Browns have failed to cover 7 of their past 9 overall.

Indianapolis by 3 over ARIZONA - Saturday - The Colts head into the desert following a big win against the red-hot Patriots last Saturday with Jonathan Taylor putting up another impressive effort (170 rush yds, 1 TD). The Cardinals meanwhile stumbled in their trip to Ford Field as the Lions jumped out to a 17-0 HT lead in the eventual 18 pt victory (ARZ has fallen from the #1 seed to the #4 seed in the NFC over the past 2 wks!). After dropping 4 straight to the Colts from '92-'09, the Cardinals have knocked off IND in each of the L/2 including a narrow 16-13 OT road win in '17 (ARZ 389-266 yd edge). While ARZ is on a solid 8-4 ATS run overall, they have failed to cover 5 of their L/7 HG's. With the Colts an impressive 9-2 ATS in recent AG's and going 12-4-1 ATS against the AFC, we'll give them a legitimate chance to steal away an upset win here.

PHILADELPHIA by 12 over Ny Giants - The Eagles saw their matchup against WAS bumped back to Tuesday due to Covid. The Giants on the other hand have now dropped at least 10 contests in each of the past 5 years following a home defeat to the Cowboys where bkp QB Mike Glennon hit just 13-24 for 99 yds and 3 int's. In their earlier meeting a few weeks ago in PHI, the Giants (+3') picked up just their 2nd victory in 10 tries thanks in part to a 4-0 TO advantage (PHI 332-264 yd edge). While the Giants have covered 7 of their past 10 NFC East contests overall, we expect PHI to get some much needed revenge this time around as they look to remain alive in the NFC playoff picture.

La Chargers by 14 over HOUSTON - Following a successful trip to JAX that saw them pick up a 30-16 victory, the Texans return home to take on a Chargers squad that earned some extra rest after a Thur night home meeting with the Chiefs where they blew a 21-13 lead in the 4Q of an eventual OT defeat (LAC SOD 3x and fumbled at goaline). While the Chargers have picked up wins in 5 of their 7 all-time meetings with the Texans, HOU went into LA 2 years ago and came out with a 27-20 upset win (+3). Despite having just an 8-19-2 ATS record when listed as a favorite overall, we expect the Chargers to pick up a convincing win this time around as HOU has covered just 6 of their past 18 when listed as a HD.

ATLANTA by 3 over Detroit - After an 18 pt loss in the Bay Area to the 49ers where they blew countless scoring opportunities throughout, the Falcons return home where they've surprisingly dropped all 5 contests TY (SU & ATS, 15 pt avg defeat). The Lions meanwhile shockingly picked up just their 2nd win of the season LW at home against the heavily favored Cardinals. LY the Lions (+1') got an 11-yd TD pass as time expired to pick up the 23-22 upset victory. With DET having kept a good amount of their games close on the year including covers in 5 of the past 6 overall, we'll cut off ATL's lean at just a FG in this one.

Baltimore by 4 over CINCINNATI - Following a 3rd consecutive loss LW at home against the Packers where they failed on a 2 pt chance in the final seconds for a 2nd time in 3 weeks instead of forcing OT (bkp QB Tyler Huntley 288 ttl yds & 4 TD's for an injured Lamar Jackson), the Ravens head to CIN sitting tied atop the AFC North with the Bengals who knocked off the Broncos in DEN despite 19-12 FD and 292-249 yd disadvantages. In their 1st meeting of the season back in October, the Bengals (+6) picked up a surprising blowout victory over the Ravens (BAL had won 5 in a row coming in) with a 520-393 yard advantage (CIN outscored them 28-7 in the 2H!). With revenge on the mind of BAL in this one along with an outstanding 12-1-2 ATS mark as an AD, we have no issue backing the visitor here (BAL 10-3 ATS run vs AFC North) with Jackson likely to return under center.

La Rams by 4 over MINNESOTA - The Rams head back on the road on short rest after their home matchup against the Seahawks was moved to Tuesday due to Covid concerns. The Vikings meanwhile return home after a MNF trip to Soldier Field. After picking up 5 consecutive SU/ATS wins over the Rams from '09-'17, the Vikings (+7') suffered a 38-31 road defeat in '18 with LAR finishing with a 556-446 yard edge. While the Rams have failed to cover 5 of their past 7 overall, it's also worth mentioning that the Vikings have struggled in recent home meetings dating back to LY with just a 3-7 ATS mark.

NFL OVER/UNDERS

Our Over/Under Section is in its 33rd season. Each week we list the Top 3 plays as of Sunday Night.

3★ UNDER .... BUF/NE
2★ UNDER .... TB/CAR
1★ OVER .... IND/ARZ

NEW ENGLAND by 4 over Buffalo - Huge matchup in the AFC East between the DIV's top 2 as the Bills travel to Foxboro looking for the season split after the Patriots picked up a 14-10 victory (+3) a few weeks back on MNF in windy BUF (NE threw just 3 passes in the win!). The Patriots do have an extra day of rest as they return to action following a Sat night meeting with the Colts where they finished with 20-15 FD and 365-275 yd edges but were done in by a pair of key int's and a blk'd punt for a TD in a 10 pt defeat. The Bills meanwhile had no issue disposing of the Panthers LW in BUF with a 31-14 victory (4★ Newsletter Winner!). The Bills have gone an outstanding 9-2-2 ATS as an AD coming in. The Patriots however have been the NFL's hottest team over the past 2 months with a 7-1 SU & ATS run. With NE also going 12-5-2 ATS as a DIV HF, we're giving them a small edge in this one.

SEATTLE by 10 over Chicago - Tough spot for the Bears in this one as they travel to the Pacific NW on short rest following a MNF meeting with the Vikings. The Seahawks on the other hand also have unexpected short rest with their matchup against the Rams moved from Sunday to Tuesday (Covid issues). The Bears ended a 3-game losing skid against the Seahawks in their last meeting back in '18 thanks in part to a key IR TD midway through the 4Q. Despite an unusual 5-8 record on the year for the Seahawks as presstime, we like them here as the Bears have failed to cover 5 of their L/7 AG's while also being on just a 2-6 ATS run heading into Monday Night.

LAS VEGAS by 10 over Denver - Huge road contest for the Broncos as their playoff chances are on life support following a home loss to the Bengals where QB Teddy Bridgewater exited with injury in the 2H (bkp QB Lock 6-12-88-1-0, 1 costly fumble in relief). The Raiders on the other hand have dropped 5 of their L/6 as of presstime with their matchup against the Browns moved to Monday due to Covid. In the Raiders' trip to "Mile High" back in October, Derek Carr would throw for 341 yards and 2 TD's in the 34-24 upset win (+5). While DEN is 6-3-1 ATS in recent road matchups, expectations of the porous Lock under center here and they fact that they've dropped 3 straight in this series has us leaning with the Raiders.

Washington at DALLAS - SNF - The Cowboys are finally back at home following a 3-game road trip that saw victories over NO, WAS and the Giants (15 pt win, 3rd concec gms w/4 takeaways for 1st time since 1994). WAS meanwhile travels to DAL on short rest after seeing their matchup against PHI moved to Tuesday due to Covid issues. In their first meeting just 2 weeks ago, the Cowboys (-6') jumped out to a 24-0 HT lead before having to hold on late in a 27-20 victory (DAL 19-14 FD & 323-224 yd edges). While DAL has gone an impressive 6-2 ATS in HG's and 19-8 ATS inside of the NFC East, WAS has covered 7 of their past 11 away contests. **Call the office on Sunday after 11am EST for tonight's Marquee Winner!**

Miami at NEW ORLEANS - MNF - The Saints are back in primetime for a 2nd straight week following a SNF meeting in Tampa against the Bucs where they shockingly picked up a 9-0 victory against a Tom Brady-led offense (TB 17-11 FD & 302-212 yd edges). The Dolphins meanwhile continued their winning ways in their return from bye as their 31-24 home victory over the Jets was their 6th straight win (5-1 ATS run!) The Saints have picked up 3 consecutive wins and covers over the Dolphins including a 20-0 victory in England back in '17. They have however failed to cover 4 of their L/5 HG's overall. Remember on Monday Nights you can get a **$back+ guarantee!** Call 347-677-1700 on game day for more details!
