Mich leads this all-time series 8-5 with the last meeting in '21 when the Wolverines won 31-10. They've split 4 bowl mtgs, all coming in the Rose Bowl and now they meet for the National Title game in Houston, TX. Mich has 11 National Titles but only one (1997) since 1948. Wash last won a National Title in 1991 when they beat Mich in the Rose Bowl.

The Huskies are 14-0 SU/7-6-1 ATS. Their last four wins have all come by 5 points or less including both the P12 Title game and the Semifinal where they beat Texas 37-31 (+4), stopping the Longhorns on the 13 yard line on the final play. UW is +69 ypg with their offense averaging 475 ypg. QB Penix threw for 430 yards last week vs Texas.

The Huskies have one of the top WR duo's in the country in Odunze (1,553, 17.9) and Ja'Lynn Polk (1,122, 17.3). Their D allows 404 ypg and did give up over 30 points in six of their 14 games.

Mich has little trouble navigating their schedule through the first nine games as they won games by 34 ppg with no win coming by less than 24 pts. They won by 9 vs Penn St. by just 7 pts vs Maryland, then beat OSU 30-24. In the B10 title Mich shutout Iowa 26-0. The Wolverines were one play away from losing last week to Bama but converted 4th and 2 on their game tying drive then won in OT. McCarthy threw for 221 and 3 td's. RB Corum had a 17 yd td in OT and their defense finished with six sacks. The Wolverines only allow 10.2 ppg against our #28 schedule.

These two actually meet next year as Big 10 opponents. UW has the edge on offense and they've played a tougher sked. Mich has the edge on defense and ST's. PP calls for Michigan to win by 7 with the forecast going slightly over the Total. With Mich's D playing at an elite level we are leaning with the Under. The forecast leans with Michigan but our checklist leans with the dog so this is a no play.

SDSU is back in the FCS National Championship game for 2nd straight year. The Jackrabbits beat NDSU here last year 45-21 and have now won 7 straight FCS Playoff games, all by at least 11 points. Montana has lost their last 3 FCS National Title games in '04, '08 and '09. Their last title came in '01 vs Furman. Montana is actually 8-0 all-time vs SDSU with the last meeting in the '15 playoffs.

Bobby Hauck led Montana to a share of the Big Sky Title in each of his 7 years from '03-'09 but were 0-3 in FCS Title games. Hauck left for UNLV for five years but returned in '18 and has led Montana to four more playoff trips since. The Grizzlies had a rough start, barely edging D2 Ferris St 17-10, lost to Northern AZ and escaped Idaho St 28-20. They were an 8 pt dog at UC Davis but won by 8 then upset Idaho in the Kibbie Dome 23-21 (+13'). Montana finished the regular season on a 7 game winning streak (7-0 ATS). After crushing Delaware 49-19 the Grizz won back-to-back in OT over Furman and NDSU to get here. QB Clifton McDowell has a 13-3 ratio. RB Eli Gilman is the Jerry Rice Award winner (FCS Frosh POY). Their defense is holding foes to 312 ypg with DT Alex Gubner and LB Braxton Hill are 3rd Tm AA.

SDSU was the prohibitive favorites in the FCS with 18 returning starters from LY's National Title team. They barely escaped Montana St in week 2 but dominated most of their MVFC foes and finished the regular season 11-0 with only two close wins. SDSU crushed Mercer 41-0 in their first playoff game. They played in windy conditions and beat Villanova 23-12 but absolutely crushed Albany 59-0 in the Semi's. SDSU is +192 ypg. RB Isaiah Davis (1,491, 6.8), QB Mark Gronowski, OL Garrett Greenfield and Mason McCormick are all 1st Tm AA's. LB Jason Freeman is 1st Tm MVFC.

Our checklist only has SDSU by 8 and PP has SDSU by 6 but they are 12' point favorites. The Jackrabbits have won their L7 playoff games by 30 ppg so we don't dare go against the most dominant team in the FCS.

NOTE: Power Plays - PP

PRO FOOTBALL JANUARY 6TH-7TH

Power Plays is based upon statistical numbers and rankings that are used to develop the projections you see here. As with all types statistical information the more numbers that one inputs ordinarily the stronger the accuracy of the results. Therefore, one would expect the projections to be more reliable after a number of weeks worth of stats are input.

SATURDAY, JANUARY 6TH

	Ttl Yds	Rush	Pass	Points	TO's	ST's
PITTSBURGH	302	121	181	12	+2	#29
BALTIMORE	419	169	250	30	+7	#9

(PIT #15 vs BAL #30, BAL #3 vs PIT #21) - The Steelers remain alive for a potential WC berth following LW's upset win in SEA while the Ravens clinched the #1 seed with a blowout win of the Dolphins. With BAL likely resting most of their starters here with nothing left to play for and PIT having everything on the line, we disagree with the forecast above and will call for the Steelers to get the outright win (PIT 15-8 ATS vs AFC North).

NO PLAY: BALTIMORE 30 PITTSBURGH 12

	Ttl Yds	Rush	Pass	Points	TO's	ST's
HOUSTON	351	115	236	23	+2	#2
INDIANAPOLIS	330	91	239	24	+1	#13

(HOU #31 vs IND #19, IND #20 vs HOU #7) - Huge DIV showdown with the winner staying alive for the DIV Title. HOU picked up a dominating home win with QB Stroud back under center following a 2-gm absence while the Colts held on late against the Raiders. PP has this forecast right at the opening line so we're passing on this one.

NO PLAY: INDIANAPOLIS 24 HOUSTON 23

SUNDAY, JANUARY 7TH

	Ttl Yds	Rush	Pass	Points	TO's	ST's
DALLAS	407	131	276	32	0	#5
WASHINGTON	310	110	200	18	-3	#17

(DAL #16 vs WAS #32, WAS #32 vs DAL #27) - The Cowboys are now in the driver's seat for the top spot in the NFC East following LW's win over DET and the Eagles dropping their matchup with ARZ. PP gives DAL a 14 pt edge in this one which is too close for us to make any type of ★ rated selection.

NO PLAY: DALLAS 32 WASHINGTON 18

	Ttl Yds	Rush	Pass	Points	TO's	ST's
LA RAMS	391	138	253	18	-1	#32
SAN FRANCISCO	440	126	314	30	-1	#18

(LAR #2 vs SF #15, SF #1 vs LAR #28) - Both squads enter this matchup with little to play for as the 49ers wrapped up the #1 seed in the NFC with LW's win over the Commanders and the Rams clinched a WC berth after holding on to beat the Giants. PP is giving SF a commanding edge which would make sense if both teams were starting everyone. With the opposite likely happening, we're passing here.

NO PLAY: SAN FRANCISCO 30 LA RAMS 18

	Ttl Yds	Rush	Pass	Points	TO's	ST's
BUFFALO	346	120	226	27	+2	#21
MIAMI	367	123	244	27	+5	#16

(BUF #17 vs MIA #16, MIA #10 vs BUF #4) - The winner of this one claims the top spot in the AFC East. BUF has rattled off some solid victories as of late while the Dolphins were hammered LW on the road in BAL. PP is calling for a tie in this one which would actually give MIA the cover as they come into action as a FG dog. We'll hold off however as BUF is on a 5-1 ATS run in the last week of the season. **Grab this Sunday Night Marquee Winner at 11am EST gameday.**

NO PLAY: BUFFALO 27 MIAMI 27

	Ttl Yds	Rush	Pass	Points	TO's	ST's
ATLANTA	339	145	194	15	-6	#6
NEW ORLEANS	345	118	227	24	+4	#14

(ATL #14 vs NO #13, NO #27 vs ATL #11) - The Saints play a 2nd straight must-win matchup following LW's win over TB to stay alive for the NFC South Title. The Falcons meanwhile suffered a crucial defeat LW in CHI. PP gives the Saints a 9 pt edge in this one as ATL has failed to cover 10 of their L/13 away from home. We agree as NO wins here and keeps their fingers crossed that the Bucs somehow lose to the Panthers.

4★ NEW ORLEANS 24 ATLANTA 15

	Ttl Yds	Rush	Pass	Points	TO's	ST's
PHILADELPHIA	368	132	236	26	-5	#26
NY GIANTS	311	121	190	22	+4	#14

(PHI #12 vs NYG #29, NYG #22 vs PHI #24) - The Eagles are on quite the slide following their 4th loss in the past 5 contests. The Giants meanwhile have covered 5 of their L/6 and were actually driving late to tie their matchup with PHI 2 wks ago. PP has PHI picking up a 4 pt win here which is fairly close to the opening line. An outright win by the Giants wouldn't surprise us however as PHI is just 7-15-1 ATS inside of the NFC East.

NO PLAY: PHILADELPHIA 26 NY GIANTS 22

	Ttl Yds	Rush	Pass	Points	TO's	ST's
CLEVELAND	416	112	304	25	0	#23
CINCINNATI	307	79	228	25	0	#30

(CLE #4 vs CIN #26, CIN #11 vs CLE #5) - The Browns have nothing left to play for following LW's win over the Jets where they clinched the #5 spot in the AFC Playoffs. They now head to CIN with their backups likely getting the start against a Bengals squad that's missing out on the postssn after LW's loss in KC. While PP is calling for a tie in this one, the absence of CLE starters has us thinking that the Bengals will grab the victory!

NO PLAY: CLEVELAND 25 CINCINNATI 25

	Ttl Yds	Rush	Pass	Points	TO's	ST's
CHICAGO	364	172	192	19	+6	#27
GREEN BAY	330	101	229	26	0	#25

(CHI #9 vs GB #23, GB #6 vs CHI #10) - The Packers are a win away from landing a WC spot in the NFC. Standing in their way is a Bears squad that they've clearly "owned" in recent years. The Bears have strung together some impressive efforts in the 2H of the ssn to move closer to a .500 record. That stops here however and PP agrees as GB is forecasted for a 7 pt win and are 13-5 ATS as a DIV HF.

2★ GREEN BAY 26 CHICAGO 19

	Ttl Yds	Rush	Pass	Points	TO's	ST's
SEATTLE	333	110	223	25	+1	#1
ARIZONA	388	191	197	26	0	#31

(SEA #18 vs ARZ #22, ARZ #7 vs SEA #31) - The Cardinals look to play spoiler for a 2nd straight week after likely ending PHI's chances at the NFC East and #1 seed with their upset win on the road. The Seahawks meanwhile need to win and get some help to land a WC spot following LW's home loss to PIT. PP actually gives ARZ the outright win in this one and we agree as SEA has failed to cover 5 of their L/6 as a DIV AF.

3.5★ ARIZONA 26 SEATTLE 25

	Ttl Yds	Rush	Pass	Points	TO's	ST's
NY JETS	239	58	181	12	-3	#19
NEW ENGLAND	229	91	138	19	-2	#24

(NYJ #24 vs NE #6, NE #29 vs NYJ #3) - Ugly matchup in the AFC East to close out the season with the opening total hanging around 30! The Patriots have dominated this series with 15 straight victories (11-4 ATS, 17 pt avg MOV) so the forecast comes as no surprise to us. With the Jets going just 5-14 ATS inside of their DIV, the Patriots and HC Belichick finish a rough year on a high note.

1★ NEW ENGLAND 19 NY JETS 12

	Ttl Yds	Rush	Pass	Points	TO's	ST's
JACKSONVILLE	319	91	228	21	-5	#20
TENNESSEE	275	94	181	17	-3	#10

(JAX #21 vs TEN #12, TEN #30 vs JAX #9) - The Jags are a win away from clinching the top spot in the AFC South following LW's shutout win over the Panthers. The Titans meanwhile are closing out another rough season which could cost HC Vrabel his job. PP is giving JAX a 4 pt edge here which is pretty close to the opening line.

NO PLAY: JACKSONVILLE 21 TENNESSEE 17

	Ttl Yds	Rush	Pass	Points	TO's	ST's
DENVER	295	120	175	16	0	#4
LAS VEGAS	311	108	203	23	+4	#3

(DEN #23 vs LV #8, LV #26 vs DEN #14) - The Broncos are a victory away from their first winning season since 2017. The Raiders meanwhile have played much better under interim HC Pierce. PP is calling for LV to get the job done by a TD in this one and we agree as the Raiders have won 7 straight in this series (6-1 ATS) and DEN has failed to cover 5 of their L/7 away from home.

3★ LAS VEGAS 23 DENVER 16

	Ttl Yds	Rush	Pass	Points	TO's	ST's
MINNESOTA	333	58	275	19	-2	#28
DETROIT	417	130	287	29	+1	#12

(MIN #19 vs DET #20, DET #5 vs MIN #25) - The Vikings are on playoff life-support following LW's blowout loss at home against the Packers. They now head into DET needing a win and plenty of help to secure a WC spot. The Lions have already clinched their DIV and appear to be cemented into the #3 spot for the Playoffs. While PP gives them a DD edge in this one, it's unclear how many starters will actually play for the Lions.

NO PLAY: DETROIT 29 MINNESOTA 19

	Ttl Yds	Rush	Pass	Points	TO's	ST's
TAMPA BAY	277	88	189	22	+1	#15
CAROLINA	274	86	188	15	0	#7

(TB #8 vs CAR #2, CAR #28 vs TB #18) - While the Bucs suffered a costly home loss to the Saints a week ago, they remain just a victory away from clinching the top spot in the NFC South. The Panthers meanwhile clinched the worst record in the NFL after their shutout loss LW vs JAX. PP gives TB a 7 pt edge which is pretty close to the opening line.

NO PLAY: TAMPA BAY 22 CAROLINA 15

	Ttl Yds	Rush	Pass	Points	TO's	ST's
KANSAS CITY	358	100	258	23	-5	#8
LA CHARGERS	276	97	179	19	-4	#11

(KC #13 vs LAC #17, LAC #25 vs KC #1) - While the Chiefs have struggled through a good portion of the season, they were still able to clinch the top spot in the AFC West with their win over CIN a week ago. They now head out West with little to play for against a Chargers roster that's looking to impress with a whole new front office and coaching staff arriving this offseason. We disagree with the forecast and believe the home team will win.

NO PLAY: KANSAS CITY 23 LA CHARGERS 19
