★ 39 GAME DOUBLE BOWL ISSUE! ★ BOWL ISSUE 457-345 ★'S L/11Y NFL SELECTIONS FOR WK 16 INSIDE

NORTHCOAST SPORTS SERVICE

P.O. BOX 450829

CLEVELAND, OHIO 44145

Thank you for purchasing our 2018 Double Bowl issue.

Please remember that this issue was mailed out December 10, 2018 and while many things can and will change we don't adjust our ratings. If you're interested in our Late Phones (released day of the games) there are specials on page 22.

We are proud to produce the finest bowl guide available and while next year's price is expected to increase to \$30 (plus \$7 priority shipping) you can purchase the entire 2019 season for just \$84 email or \$124 mail or pay just \$25 for the 2019 Bowl Issue by 1/6/19 (add \$6.65 for priority shipping).

Who played the toughest schedule?

Once the schedules are finalized in spring we like knowing "how tough" our favorite teams schedule is. Most fans and media outlets use the records of their opponents previous years to rank them, but we like to use our power ratings on each team to get a better gauge.

As you can see UCLA, Pittsburgh, Texas A&M, Tennessee and Florida St played OUR 5 toughest schedules!

If you base it on the win % of a teams opponents the 5 teams that played the toughest schedule were: Pittsburgh, Texas A&M, Georgia, Florida St and UCLA.

The LARGEST difference between our Strength of Schedule compared to the opponent win % is Army. The Black Knights faced the #53 toughest schedule ranked by opp win % while facing only the #107 schedule in our rankings.

Let's look below at Army's Schedule this year:

On the right are tougher opponents with the same record

Duke	7-5	a legitimate 7-5 foe
Liberty	6-6	TCU - also 6-6
Hawaii	8-5	Northwestern - also 8-5
Oklahoma	12-1	a legitimate tough foe
Buffalo	10-3	Washington - also 10-3
San Jose St	1-11	Rutgers - also 1-11
Miami, Oh	6-6	Georgia Tech - also 6-6
Eastern Michigan	7-5	Auburn - also 7-5
Air Force	5-7	Kansas St - also 5-7
Lafayette	3-8	UCLA - also had 3 wins
Colgate	10-2	Michigan - also 10-2
Navy	3-10	Arkansas - also had 3 wins

You can see just how deceiving a teams strength of schedule can be when using an opponents win %

The five teams that played a much TOUGHER schedule per our rankings are: Kansas, Colorado, Wisconsin, Illinois and California.

Finally, the four teams along with Army to play an EASIER schedule are: Coastal Carolina, Florida Atlantic, Navy and Appalachian St.

Merry Christmas and Happy Holiday Season From the Staff at Northcoast Sports!

DOUBLE BOWL ISSUE AND HOW TO USE IT

We have been hard at work putting together our jam-packed Double Bowl Issue of Power Sweep as this is our biggest and best issue of the season. The Double Bowl Issue is 28 full pages loaded with the most information available on the bowls, including selections. We have complete write-ups on 39 bowl games! This issue provides our exclusive Computer forecasts for each game. The Computer Projections take into account things like: strength of opponents played, weather, garbage yards, injuries, etc. It is the most accurate set of Power Ratings in the country. The projections include yards rushing, yards passing, turnovers, special teams edge and strength of schedule. Our Power Sweep selections at the bottom of each bowl takes into account ALL factors, including the Computer projections, emotion, bowl experience, talent matchups, momentum, special teams, coaching, etc. Many times the intangibles in bowls outweigh the pure statistical forecasts. We supply the Computer Projections at the top of the page to give you some solid statistical information. We have not provided a score as we had done in the past (always right at the number) because we did not want to commit to the Over or Under on Dec 11th (press time for this issue) and we want to have yet another huge winning year with the Private Play Hotline Triple Totals Plays (**65-38 63% on units last 16 years! 18-6 75% L5Y**). The bowl checklists are invaluable as every stat and ranking is analyzed with checks going to the better unit. Each check represents approximately one point. **A special NFL Only Issue of Power Sweep will be available next week** for Week 16 of the NFL season.

BOWL ISSUE 209-169 L11Y / 457-345 on ★'s!!!

We look forward to the outcome of this year's Double Bowl Issue! The last 10 years anyone who purchased the Double Bowl Issue has enjoyed a record of **209-169 winners and on the ★ basis 457-345 with the 4★'s the last 5 years hitting 65% winners!** With the date of the bowl and the National Championship game on the 7th of January, we are not including 2 weeks of NFL selections as we've done in the past. Look next week for a special edition of the NFL for Wk 16. If you have not renewed your subscription to Power Sweep for the 2019 season, time to save is running out. Sign up now for 2019 as you will be paying just \$84 to renew for download (add \$40 for mail delivery) and when you become a 2019 subscriber, you will be offered special pricing on all of the 2019 season Late Phone Packages! On 1/1/19 there will be a price increase so make sure to renew before year's end! All bonus offers are included!

COMPUTER CORNER

The Computer Corner features the top plays from our Computer Power Ratings. These plays are based solely on the team's Power Ratings vs the Vegas lines and does not take into account matchups, etc. The team that is listed in bold is the computer's selection.

59-36 62% L16Y IN THE DOUBLE BOWL ISSUE!!

These in-state rivals have met 28 times since 1911 & Tulane holds a 22-6 lead. The last mtg was in '16 (41-39 win by Tulane) & they also met in the New Orleans Bowl in '13 (24-21 win by LA). LA is bowling for the 6th time in 8 ssns (First 5 were the NOLA Bowl) & are 4-1 SU/ATS in bowls. This is only Tulane's 2nd bowl appearance s/2000 & first s/2013.

1st year HC Napier took over a tm bringing back 8 OFF st'rs, but just 3 D st'rs. LA started 1-3 (2 losses to SEC schools), but then won 4 of their next 6, incl a win over Ark St. After a loss to Troy, LA won their L3 gms incl over rival ULM (31-28, +109 yds) to reach the SBC title game, where they fell to App St. LA's young DEF (ranked #110) struggled TY, all'g foes to gain 45 ypg over their ssn avg (#102). But the exp'd LA offense led the way, gaining 55 ypg over what foes allow (#27) & the OL all'd 11 less sacks TY. LA's strength was the run game (229 ypg, 5.7) and had 3 RB's gain over 700 yds incl Trey Ragas who led with 1,141 yds (5.8, 8 TD).

HC Fritz has increased his win total at TU in each of his F3Y. The Green Wave ret'd 14 st'rs from a tm that literally missed a bowl bid by 2 inches. They were a dog in 4 of their F5 gms vs FBS foes and got off to a slow start at 2-5. LSU transfer QB McMillan was inserted as the st'r at Tulsa & Tulane went on to win 3 str. Following a blowout loss at Houston on a Thurs night, they needed to win the finale over Navy to become bowl elig. Leading 21-3 at the half, the Green Wave nearly squandered away a bowl bid as they all'd 25 unanswered & needed a 26 yd td pass & a 2 pt conv w/1:27 left to pull out the win. They fired their OC following the ssn & Fritz will handle the playcalling here.

While LA has the edge on OFF, Tulane has a greater edge on D. The Green Wave also has the ST's advantage. We also like that Fritz has been around the block as a HC.

FORECAST: TULANE

PRO SELECTIONS

HOME
TEAM IN
CAPS

KEY SELECTIONS

4★ CLEVELAND over Cincinnati - Following a narrow road win in DEN LW that saw them remain alive in the AFC playoff picture (3★ LP Winner on the Under), the Browns return home to take on a familiar foe in the Bengals who they demolished less than a month ago in Cincy (led 35-7 in 3Q). The Bengals meanwhile head up I-71 having cashed 4 in a row in CLE with an avg cover of 21 ppg. In their home contest against the Raiders a wk ago, CIN recorded 5 sks & forced a pair of TO's to snap their 5-gm losing skid. The Browns haven't been TD chalk since the '13 ssn when they lost outright at home against the Jags. In fact, CLE has been a favorite on just 9 occasions against DIV rival CIN since their return in '99 (lost L4 outright by 15 ppg). Despite that recent history, we love the Browns in this one as their confidence inside of FirstEnergy Stadium (4-2-1 SU/5-2 ATS, 1st winning ssn at home since '07) is at an all-time high!

FORECAST: CLEVELAND by 14

3★ Minnesota over DETROIT - This marks the only HG in the final 4 wks of the ssn for the Lions who are fresh off of a 1 pt loss in BUF. They now welcome a Vikings squad who had no issue getting back on track a week ago against the Dolphins (3★ LP & Newsletter Winner, 418-193 yd edge) following road defeats to NE and SEA. In their earlier matchup at the start of Nov, the Vikings held the Lions to a ssn-worst 9 pts & 209 yds in the 15 pt victory. With MIN needing to win out to stay within reach of an NFC WC berth and DET having failed to cover 5 of their past 8 overall, the visitor gets the call in this one (Vikings on a 17-7-1 ATS run).

FORECAST: MINNESOTA by 14

OTHER SELECTIONS

2★ NEW ENGLAND over Buffalo - The Patriots have now lost B2B matchups in Dec for the 1st time s/02 following a 7 pt loss LW in PIT. They now return home for the final 2 wks of the ssn attempting to get back into the #2 spot and a 1st Rnd bye in the AFC for the upcoming playoffs (trails HOU by a gm). The Bills meanwhile head to Foxboro following a 1 pt win over the Lions LW in BUF (QB Allen 220 tl yds & 2 TD). In their earlier MNF matchup in BUF, the Patriots led just 9-6 midway thru the 3Q before a long TD drive and the ensuing 84 yd IR TD saw them earn the late cover (26-5 win, -14). With the Patriots winning both SU & ATS against the Bills in the past 4 overall (19 pt avg MOV) and visiting QB's (Josh Allen) struggling in their 1st start vs Brady & Belichick in NE (just 5-45 in regular ssn matchups incl 12 straight defeats), it's clear which way we're leaning here.

FORECAST: NEW ENGLAND by 21

OTHER PLAYS

TENNESSEE by 14 over Washington - Saturday - Following a big road victory LW in NY where they allowed just 260 tl yds in the 17-0 shutout, the Titans return to Nashville with a solid 13-3-2 ATS mark inside of their home venue. The Redskins meanwhile picked up the upset win LW in JAX (GW 36-yd FG on final play) with QB Johnson (151 pass yds, 49 rush yds) the 4th different WAS QB to start in the past 5 gms. In their most recent matchup back in the '14 ssn, the Redskins would hit a 22-yd FG as time expired for the 2 pt win. With the Titans posting a 10-4-1 ATS mark against NFC foes, we have no issue leaning with the home squad here as they look to stay in contention for a playoff spot.

LA CHARGERS by 3 over Baltimore - Saturday - The Chargers continued their magic again last Thur against the Chiefs with their 2nd consec 14+ pt come-from-behind road victory (came back from a 16 pt deficit 3 wks ago vs PIT). The Ravens meanwhile are in the mix as the 2nd WC team in the AFC following an 8 pt home win against the Bucs (took a knee inside the TB10 after 2 min warning) with QB Jackson nearly surpassing the 100 yd mark in both passing and rushing for the 2nd time TY. In their most recent matchup back in the '15 ssn, the Ravens (-4) connected on a 39-yd FG as time expired to earn the 29-26 home victory. While the Chargers do come in on a 7-3 ATS run, they have failed to cover 2 of their past 3 home contests (had to hold on late against CIN in last matchup as 14' pt chalk). With BAL presenting an offensive approach that LAC's not used to seeing with the dual-threat Jackson under center, we expect the Ravens to stay within the line here and improve upon their 7-1-1 ATS run as an AD.

DALLAS by 10 over Tampa Bay - The Cowboys return home after seeing their 5-gm SU & ATS winning streak snapped against the Colts LW as they were shutout for the 1st time since 2003. The Bucs meanwhile are on the road for a 2nd consec wk following an 8 pt loss in BAL where they were outFD'd (22-11) and outgained (370-241) by substantial margins. In their most recent meeting back in '16, the Cowboys overcame a 3 pt deficit in the 4Q to claim the 26-20 victory (DAL 24-16 FD & 449-276 yd edges). With DAL still fighting to clinch the NFC East and TB failing to cover 10 of their past 13 as an AD, we'll go ahead and give the home team the 10 pt edge in this one as the Bucs continue to turn the ball over at a rapid rate (32 giveaways on the year).

CAROLINA by 7 over Atlanta - Despite their 5-gm losing skid heading into MNF against the Saints, the Panthers (outgained L4 foes by 83 ypg) still find themselves in contention for the final WC spot in the NFC. The Falcons on the other hand have no chance at a postssn berth thanks to a plethora of injuries on both sides of the ball that wrecked what was expected to be a promising year. They did however earn a substantial 26-pt home victory over the Cardinals LW at home behind a defense that all'd just 253 yds (all'g 431 ypg on the yr at home coming in). The Falcons also have an '18 win under their belt against this same CAR squad following a 7 pt victory back in Wk 2 (ATL's 5th win in the past 6 matchups). Still, despite the Panthers having covered just 1 of their past 5 matchups as a DIV HF coming in, playoff need and ATL's porous 5-12 ATS mark as a DIV AD has us giving the home team a TD edge here.

MIAMI by 3 over Jacksonville - Following a dismal road effort LW against the Vikings (3★ LP & Newsletter Winner) where they were held to just 12 FD's & 193 yds, the Dolphins return home for the final time in '18 to take on a Jaguars squad that's dropped 9 of their past 10 coming in after a surprising home defeat against the Redskins a 7' pt chalk (WAS 16-11 FD & 245-192 yd edges). These 2 last met in Wk 2 of the '15 campaign with the underdog Jags (+5) connecting on a 28-yd FG w/40 remaining for the 23-20 win. With the Dolphins having struggled in the HF role over recent years with just a 4-10-3 ATS mark, we're cutting off our lean at just a FG in what could potentially be a low-scoring affair.

INDIANAPOLIS by 7 over NY Giants - The Colts continued their late ssn run towards a potential WC spot in the AFC (7th win in their past 8 contests) following their 23-0 victory over the Cowboys where they finished with a 370-292 yd edge. While the Giants entered LW's home matchup against TEN having won 4 of their past 5, a big effort from the Titans' defense (all'd just 15 FD & 260 yds) saw them shutout for a 2nd consec ssn. In their last meeting back in '14, the visiting Colts went into NY on MNF as a 3 pt dog and came away with the 16 pt outright upset (QB Luck 354 yds & 4 TD). While the Colts are on an 11-4 ATS run against NFC foes, a 7 pt lean is all that we can offer up for them here as not only do the Giants have their own impressive ATS mark in non-conf play at 11-4, but they've also been a spread machine in recent road matchups with 6 consec covers including a pair of outright upset victories.

PHILADELPHIA by 3 over Houston - Following a 7 pt upset win LW in LA against the Rams as a 13 pt dog (PHI's biggest outright upset s/1985), the Eagles return home still alive in the NFC playoff mix to take on the Texans who moved one step closer to claiming the AFC South title after their road victory over the Jets (FG w/54 left gave them the ATS push, NYJ 318-286 yd edge). In their last meeting back in 2014, the Texans would drop a 10 pt contest to the Eagles in HOU as PHI would finish with substantial edges in both FD's (30-15) & yds (483-300). While a victory here would clinch the DIV for HOU and they enter play on a 5-2-1 ATS run overall, we expect a well-coached Eagles squad to deliver here as they're on a 14-5-1 ATS run vs the AFC and look to be rejuvenated once again with bkp Foles under center.

NY JETS by 3 over Green Bay - The road woes continued for the Packers a week ago in CHI with the Bears handing them their 9th straight away defeat dating back to LY (1-7-1 ATS). The Jets meanwhile are back at home for a 2nd consec wk with an extra day of rest following a 7 pt loss against the Texans where they finished with FD (21-15) & yds (318-286) edges while recording a ssn-best 6 sks. In their most recent matchup back in the '14 campaign, the Packers would erase a 21-3 deficit inside of Lambeau early in the 2Q by outscoring the Jets 28-3 the rest of the way (QB Rodgers 346 yds & 3 TD). With GB

2★ BAL/LAC UNDER
1★ CHI/SF OVER

potentially being cautious with their veteran signal-caller after being knocked out of the playoffs and the Jets 7-3-2 ATS as a HD, we'll go ahead and call for the small upset in this one.

LA Rams by 17 over ARIZONA - After seeing their high-octane offense held to just 6 pts & 214 yds the previous wk in Soldier Field against the Bears, the Rams suffered an even more surprising home loss against the Eagles LW as nearly a 2 TD favorite (LAR 413-381 yd edge but -2 in TO's). ARZ meanwhile was hammered by 26 on the road LW in ATL (Falcons 435-253 yd ege). In their earlier matchup in LA, the Rams easily dispatched of the Cardinals with a 34-0 victory (ARZ held to just 137 yds). While the Cardinals have kept a handful of contests close in the desert TY against the likes of playoff-bound SEA & CHI, the results in the earlier matchup between these 2 along with the Rams finding themselves in a dogfight with the Saints for the top spot in the NFC will have us leaning heavily with the visitor in this one.

Chicago by 10 over SAN FRANCISCO - While the Bears entered the year on an 8-2-1 ATS run as a NDIV AF, they've had absolutely no success in that role in '18 with an 0-3 spread mark that includes outright OT losses against both the Dolphins and Giants. They get another chance to push that record into a positive direction this weekend as they head to the Bay Area following a NFC North-clinching home victory over rival GB (ended 8-gm losing skid to the Packers in Soldier Field). The 49ers meanwhile earned their 2nd consec home upset victory a wk ago in OT against the Seahawks. In their "Windy City" matchup of a year ago, the 49ers used 5 FG's to escape with a 1 pt win (+3) in what would be the start to their 5-gm winning streak to close out the year. With QB Garoppolo not under center this time around for the 49ers and SF having failed to cover 9 of their past 14 outright, we'll give the visiting Bears the DD lean here behind a dominating defense that's #3 in the NFL in both pts (18.9) and yds (310.9) allowed.

NEW ORLEANS by 0 over Pittsburgh - Following a 3-gm road trip that concluded on Mon in Charlotte against the rival Panthers, the Saints are back inside of the Superdome for the final 2 wks of the reg ssn with an excellent chance to claim the top spot in the NFC. PIT meanwhile appears to have salvaged their ssn with a win over the Patriots a wk ago as a 2' pt home dog. In their most recent matchup back in '14, the Saints went into PIT and delivered the 3 pt upset (+3) behind a 5 TD effort from QB Brees (PIT 36-20 FD & 538-393 yd edges, -2 TO's). While the Steelers have failed to cover their past 3 AG's including a pair of outright defeats against DEN (-3) and OAK (-10), they have claimed victories in all 3 of their non-conf matchups in '18 with a 19 pt avg MOV. With PIT just a half game ahead of the Ravens in the AFC North, a 3 pt lean is all that we can give the Saints here as they've actually failed to cover 7 of their past 11 as a NDIV HF.

Kansas City at SEATTLE - SNF - The Chiefs are on a 16-5 ATS run as an AF that actually dates back to their last trip to the Pacific NW in '10 where they easily dispatched of the Seahawks by a 42-24 score (-2). The last matchup in this series ('14) also went in favor of the Chiefs as they picked up a 4 pt win in Arrowhead despite a 372-298 yd disadvantage. KC does enter their Wk 16 matchup with no margin for error following a surprising comeback victory by the Chargers last Thur in Arrowhead to pull into a 1st place tie in the AFC West. The Seahawks meanwhile also dropped a DIV matchup a wk ago against SF in OT despite a 385-351 yd edge. With plenty on the line for both team's here and impressive spread marks to boot (SEA 7-2-1 & KC 13-5), we'll have to wait until closer to kickoff before picking a side in this one.

Call the office on Sunday after 11am EST for tonight's Marquee Winner!

Denver at OAKLAND - MNF - While trips to the "Black Hole" haven't been as daunting as years past with the Raiders' struggles the last 2 ssns, OAK does return home with some confidence following a surprising upset win over the Steelers just 2 wks ago as a 10 pt dog. After claiming wins in 5 straight both SU & ATS from '11-'15 (15 pt avg MOV), the Broncos have fallen victim in each of their past 2 visits here including a 21-14 defeat a ssn ago (OAK 21-12 FD & 348-219 yd edge). They also return to action after a 2nd consec SU defeat LW at home against the Browns where we cashed an easy 3★ LP Winner on the Under! Their earlier matchup in '18 saw the Broncos overcome a 12-0 HT deficit with a 36-yd FG w/06 remaining giving them the 1 pt win. While DEN is just 5-11-1 ATS against AFC West foes, keep in mind that the Raiders have failed to cover 7 of their past 10 as a DIV dog coming in. Remember on Monday Nights you can get a **\$back+ guarantee!** Call 347-677-1700 on game day for more details!

2018 NFL POWER RATINGS

We grade each team position by position and list the 2018 Power Ratings. Each week we update these Power Ratings in our weekly Power Sweep editions.

TEAM	2017	TEAM	2017
1. NEW ORLEANS	107.5	17. DENVER	98.9
2. LA RAMS	107.4	18. WASHINGTON	98.7
3. KANSAS CITY	107.1	19. GREEN BAY	98.5
4. NEW ENGLAND	106.5	20. CLEVELAND	98.3
5. LA CHARGERS	104.8	21. MIAMI	98.2
6. CHICAGO	103.6	22. DETROIT	98.1
7. PITTSBURGH	103.3	23. ATLANTA	97.6
8. MINNESOTA	101.9	24. NY GIANTS	97.4
9. HOUSTON	101.6	25. CINCINNATI	97.3
10. DALLAS	101.3	26. TAMPA BAY	97.1
11. BALTIMORE	100.9	27. JACKSONVILLE	96.9
12. SEATTLE	100.3	28. BUFFALO	95.0
13. PHILADELPHIA	99.6	29. ARIZONA	94.9
14. INDIANAPOLIS	99.5	30. SAN FRANCISCO	94.7
15. TENNESSEE	99.0	31. OAKLAND	94.4
16. CAROLINA	98.9	32. NY JETS	94.2

POWER RATING PLAY OF THE WEEK: NONE

PRO ANGLES

ARZ is 2-7-1 as a NDIV AD
ATL is on a 2-9 run
ATL is 6-17 as a NDIV HF
BAL is 4-10-1 vs NFC foes
BUF is 4-1-1 as a HF
BUF is 8-3-1 vs NFC foes
CAR is 7-2 as a HD
CAR is 4-11 vs DIV foes
CHI is on a 6-1 run
CHI is 5-0 as a HF
CIN is 3-7 as a HF
CLE is 6-12 as an AD
DAL is on a 5-0 run
DAL is 18-8-2 vs AFC foes
DEN is on a 6-2 run
GB is on a 5-10-1 run
GB is 1-5 as a DIV AD

IND is 10-4 vs NFC foes
JAX is on a 2-6-1 run
JAX is 4-20 vs NFC foes
KC is on a 13-4 run
KC is 12-4 vs DIV foes
LAC is on a 6-3 run
LAC is 12-3-1 as a DIV AD
LAR is on a 2-8 run
MIA is 4-10 as an AD
MIN is on a 16-6-1 run
MIN is 14-5 vs AFC foes
NE is on a 17-6 run
NO is 16-6 vs DIV foes
NO is on a 10-1 run
NYG is on a 4-0-1 run
NYG is 11-4 vs AFC foes
NYJ is 7-3-1 as a HD
OAK is on a 5-11-2 run
OAK is 3-10-1 as an AD

PHI is on a 4-11-1 run
PHI is 1-5 in AG's
PIT is on a 0-4 run
SF is 0-4 vs DIV foes
SEA is on a 6-1-1 run
TB is on a 3-7-1 run
TB is 3-7-2 as an AD
TEN is 9-4-1 vs NFC foes

First all-time mtg. This bowl was ply'd at Tropicana Field from '08-'17, but is now at Raymond James Stadium, USF's home field. Marshall won here in '11 when this gm was known as the Beef O'Brady's Bowl. The Herd is an amazing 11-1 SU/ATS in bowl trips, having won their L/6. HC Holliday is 5-0 SU/ATS in bowls. USF is in their 4th str bowl & beat TT 38-34 (-2) in LY's Birmingham Bowl. HC Strong was 3-4 SU/ATS in bowls at Fla, LVille, & TX.

After B2B DD win ssn, USF figured to have a drop off TY as they entered as 1 of the least exp'd tms in the nation & had just 11 ret str's. The Bulls were EXTREMELY fortunate to begin 7-0 as they were outFD'd by DD's in 2 of their wins & outgd by 176 yds by GT! They also trailed by DD's in 3 separate gms. The tide turned after just an 8 pt win vs UConn as USF limps into bowl ssn having lost 5 str, all by DD's (avg loss by 19.4 ppg). The run D in particular is a concern as the Bulls are allg 245 (5.0) rush ypg.

MU entered '18 w/18 ret'g str's incl 9 on a D that all'd just 19.9 ppg in '17. The Herd began 2-0 before a 17 pt loss at NCSt. They won 3 of their next 4, but a 2 pt loss at SM cost them a chance to win the CUSA East. After winning their L/3 CUSA gms they added a gm at VT late & lost by 3 td's (only -2 yds). MU's D allows 336 yds incl just 104 (2.9) rush. Only once has MU all'd more than 142 rush yds & they have 39 sks. Their D is holding opponents to 45 ypg less than their avg (#36 in FBS). On OFF they avg 385 yds & avg 6 ypg less than their foes allow (#74 in FBS). RB Knox rushed for 485 (5.8) the L/4 incl 204 vs VT while filling in for inj'd str' King. QB Green ret'd from inj to start the L/5 & has a 15-10 ratio.

While USF has a minor edge on OFF, MU has a large edge on D & HC Holliday is nearly automatic during bowl ssn. Although this is technically a home gm for USF, this is fertile recruiting grounds for Marshall. USF has been overrated all season.

The last mtg was in the '10 Little Caesar's Bowl with FIU winning 34-23. They also split reg ssn mtgs in '08-'09. Both are making their first trip here. UT is making their 5th str bowl appearance, having lost each of the L/2 under to App St. LY FIU HC Davis took over a program that hadn't been to a bowl since '11 & all he's done is gotten them to B2B bowls. LY they lost their st'g QB the 1st series, didn't have a quality bkp & lost 28-3 (+7) vs Temple. The Panthers last bowl win actually came over Toledo.

The Panthers had just 11 ret str's but made significant upgrades on the DL & added grad trans QB Morgan. The Panthers began just 2-2, but both losses came vs P5 foes (4-0 ATS). They went on to win 6 of their next 7 & only needed to beat Marshall in the finale to win the CUSA East, but lost by 3. FIU avg 11 ypg less than their foes allow (#79 in FBS) & they allow 19 ypg more than their foes avg (#90 in FBS). The Panthers are #49 in our PDR. QB Morgan is familiar w/Toledo from his days at BG, and actually had his best game at BG vs the Rockets, throwing for 335 yds and 5 td's in '16.

Toledo had 12 starters returning and had to replace their star QB and RB from an 11 win team. The Rockets started the ssn just 3-4 and a bowl looks iffy until they won 4 of their L/5, with the wins coming by 29.8 ppg. All 5 of their losses came against bowl elig foes while only 2 of their wins came over bowl elig foes. Toledo avg 66 ypg more than their foes allow (#21 in FBS) but their D is allowing 72 ypg more than their foes avg (#115 in FBS). Nine of their 11 foes put up more yards than their avg against Toledo. Tol is #73 in our pass eff D rankings. QB Peters had just a 6-5 ratio in his L/4.

According to our checklist on the left, Toledo has the slightest of edges, but not enough to justify being nearly td chalk. FIU was 3-0 ATS vs non-conf FBS foes TY & is 14-5 as a dog. The Panthers D edge should be enough to slow down the Rockets attack.

OVERALL GEORGIA TECH BY 11 ✓'s

Hawaii faces LT for 11th time, 1st time in postseason play. UH is 8-2 SU/7-3 ATS vs LT incl 5-0 SU/ATS at home. This is UH HC Nick Rolovich's second Hawaii bowl & UH's 8th overall in their home stadium (4-3 SU/3-4 ATS). LT HC Skip Holtz has his squad in a bowl gm for a 5th straight ssn, going 4-0 SU/3-1 ATS incl a 51-10 win LY in the Frisco Bowl over SMU. Back in '16 Rolovich led UH to a 52-35 win over Middle Tenn in this bowl.

Hawaii was off a 3-9 ssn & had 9 ret'g s'trs & not much was expected. HC Rolovich brought back the run & shoot and UH got out to a surprising 6-1 start as new QB McDonald had 2,100 yds (65%) & a 24-2 ratio in his F/6 sts. UH would go on to lose 4 straight & their OFF numbers dipped to 362 ypg & 21 ppg during the 4 gm skid (avg'd 467 ypg & 38 ppg in F/7). UH would win their L/2 incl an OT win at SDSt to get to 8 wins & secure their first winning ssn in MW play. WR Ursua led the FBS in TD catches (16) and had 1,343 rec yds. UH's DEF all'd foes to gain 85 ypg over their ssn avg (#121) & gave up 207 rush ypg (5.0) incl 264 ypg (6.0) over the L/6 gms. UH also had the #119 pass D, allowing opposing QB's to hit 61%.

LA Tech had 15 ret starters in '18 incl DE Jaylon "Sack Daddy" Ferguson. They started the ssn 2-0 and rallied from down 24-0 at LSU to get within a fg then all'd 2 fg td's to lose by 17. They handed NT their first home loss in over a year then lost at home vs UAB 28-7 (-8'). The Bulldogs won their next 3 gms, all over non-bowl foes. They lost 3 of their L/4 with the only win coming over another non-bowl foe Rice. LT's D holds foes to 18 ypg below their avg but their OFF avg 24 ypg less than their foes allow (#91 in FBS). Ferguson has 15 sks and is a likely #1DC. They faced just 5 bowl elig foes and are 1-4 SU/2-2-1 ATS in those.

Sure this gm is a home gm for UH, but LT has the D to keep the run & shoot OFF at bay. HC Holtz will continue his bowl success.

FORECAST: LOUISIANA TECH (+) RATING: 2★

Second bowl mtg between these schools. Only other mtg was the '05 MPC Computers Bowl where BC held off a late Boise rally (BC led 27-0 in 3Q) and won 27-21. BC's Steve Addazio led the Eagles to their 5th bowl gm in 6 ssn's as HC, but is just 1-3 SU/ATS in those bowls. This is the 5th straight trip to a bowl for Boise under HC Bryan Harsin, where the Broncos are 3-1 SU/ATS.

HC Addazio had 16 starters ret on OFF TY incl 1st Tm All-ACC RB Dillon and all 5 OL s'trs. BC won their F/3 gms, and were ranked for the first time since '08 entering their L/3 on PU where they got taken to the woodshed in a 30-13 (-6') loss. RB Dillon was inj'd and missed 2 gms. He returned, and while BC beat both Miami and VT, Dillon was never 100%. The Eagles lost their L/3 incl getting upset by FSU & Cuse. BC's D allows 18 ypg below their opp's avg (#59 in FBS) but they did allow 519 ypg in their L/2. The Eagles rank #12 in our pass eff D. The Eagles were -80 ypg away from home.

After 2 easy wins, BSU lost at OKSt 44-21 (2 punts blk'd, both led to TD's) & then 2 wks later lost 19-13 vs SDSt (Rypien 2 int's) to fall to 3-2. Boise would win their F/7 games incl a comeback win vs Fresno (trailed 17-3 HT, came back to win 24-17) and then beat Utah St in the final week to win the division & make the title game. Boise then lost the MW title game in OT to Fresno. Boise's OFF avg'd 75 ypg more than what their foes all'd (#18), and their DEF (despite losing 3 s'trs to inj during the ssn) held foes to 51 ypg under their ssn avg (#31), and all'd 123 ypg (3.6) rushing, while recording 39 sks. QB Rypien was MW OFF POY (3,705 yds, 67%, 30-7 ratio).

When glancing at the opening lines we were a bit surprised to see BSU listed as chalk & even more so after going over each unit. Look at our checklist on the left to see how many categories BC has an edge in! BSU hasn't faced an OL remotely close to the caliber of BC.

FORECAST: BOSTON COLLEGE (+) RATING: 4★

This is the 1st all-time mtg. GT had gone to 18 str bowl gms, but LY missed the postssn for the 2nd time the L3Y. HC Johnson is 3-5 SU/ATS in bowls at GT & beat KY 33-19 (-3') in the '16 Taxslayer Bowl. This is GT's 1st appearance here. MN had lost 3 str bowl gms, but has won their L/2, incl here in '15. Their last bowl gm was a 17-12 (+10) win vs Wazzu in the '16 Holiday Bowl. HC Fleck was 1-2 SU/ATS in bowls at WM.

MN has been 1 of the least exp'd tms in the nation entering each of the L2Y. After missing out on bowl bid by 1 gm in '17, the Gophers began '18 with 3 str wins in non-conf play before losing their first 4 B10 gms, all by over 2 td's. After upsetting Indy, they were blown out at IL despite being nearly DD chalk. MN then upset PU in a blowout to get to 5 wins. Favored on SD day as a NW squad in a flat spot, the Gophers were -3 TO's & lost, but then pulled another outright upset to claim Paul Bunyan's Axe for the 1st time s/'03 in their win at UW to become bowl elig. WR Tyler Johnson is just the 5th in schl history w/1,000+ rec yds in a ssn & the 1st since Eric Decker in '08.

HC Johnson has followed every non-winning ssn up with a winning ssn, so while GT did finish 5-6 LY, it's no surprise they are 7-5 TY. GT started the ssn just 1-3 then won 6 of their L/8 and all 5 losses came against bowl elig teams. The Jackets are +7 ppg and +52 ypg on the ssn. The Jackets avg 23 ypg more than their foes allow (#49 in FBS). They've relied far more on their QB's since losing RB Benson, with both Marshall and Oliver topping 800 rush yds. GT is holding foes to 31 ypg less than their avg (#44 in FBS). They are #101 in our pass eff D, allowing 65%, w/a 22-12 ratio.

While Minnesota will have weeks to prepare for GT's option, the unique OFF is still complicated enough to give teams facing it every year fits. Paul Johnson is coaching his last game & we'll call for GT to win by a comfy margin.

OVERALL MICHIGAN BY 6.5 ✓'s			

This is the 27th Alamo bowl. First meeting for these teams. WSU played here in '94 & this is ISU's first trip. WSU HC Mike Leach guided the Cougars to their 5th bowl in the L/6 ssn's, and is 1-3 SU/ATS, but this could be his best team. 3rd year ISU HC Matt Campbell has brought life to the Cyclones & is coaching his 2nd straight bowl, winning LY 21-20 over Memphis in the Liberty Bowl.

After making a bowl for the 1st time s/'12, ISU entered '18 less exp'd & needing to replace their car leading WR & leading tkl'r. For the 2nd str ssn ISU is being led by a QB that began the yr 3rd string! The 'Clones began by losing 3 of their F/4 gms. Upsets at OSU & vs WV kick started a 5 gm winning streak. In control of their own destiny to reach the B12 Title gm, they lost at TX in a battle of Top 25 Tms. They closed out the reg ssn with wins vs KSU & an uninspiring performance vs FCS Drake (67/10 td w/26 left just to win). RB Montgomery is the 'Clones first B2B 1,000 yd rusher s/'00-'01. ISU is #21 FBS on D, holding foes to 76 ypg less than their avg.

The Cougars were a surprising contender in the P12 North despite just 10 ret str's and no returning experience at QB. Had it not been for a tough "Apple Cup" matchup against rival UW where they were favored for the 1st time s/'06, WSU would have earned their inaugural trip to the P12 Championship. The reason for their surge up the P12 was due to the addition of QB Gardner Minshew who threw for an FBS-best 4,477 yds (70.6%) and a 36-9 ratio. Despite a rough outing in the snow against the Huskies where they were held to 25 ypg & 245 ypg under their ssn avg's, the Cougars still finished in the Top 25 in both categories.

There isn't a major edge for either tm with the exception of QB for Wazzu, but ISU has seen its share of talented QB's, ply'g in the B12. With both having strong D's (surprising about a Leach cch'd tm, we know) we expect a lower than expected score.

FORECAST: UNDER 54.5 RATING: 1★

This is the 4th Arizona Bowl. Teams have met 5 previous times (last gm '99). Ark St HC Blake Anderson has reached a bowl all 5 ssn's here (1-3 SU/ATS) while second year NV HC Jay Norvell led the 'Pack to a bowl for the first since they played in this bowl in 2015 (28-23 win vs Colorado St).

Entering his 2Y at NV, HC Norvell had 14 ret'g str's incl QB Gangi so improvements were expected. Nevada started 2-1 incl a win vs Oreg St. After that NV dropped 3 of 4, but then won 4 str. They dropped the reg ssn finale after rival UNLV came back from a 23-0 deficit. Gangi put up 3,131 yds (61%, 23-11) & the run gm improved (158 ypg, 4.8 ypc) from LY (127 ypg, 4.2 ypc). The OFF gained 8 more ypg than foes all'd & avg 521 ypg the L/3 games. The DEF, led by LB Malik Reed (72 tkl, 8 sks, 7.5 tfl), showed improvement, holding foes to 29 ypg under their ssn avg (#47) and had 32 sks. The 'Pack's pass D improved from #124 in '17 to #92 this season.

Ark St came into 2018 with just 12 returning str's, but '17 SBC Off POY QB Hansen was one of them. They went 3-1 in non-conf play (only loss at Bama) but then dropped 3 of 4 to begin SBC play incl 2 losses as a road favorite (-3 at GS and -3 at LA). Ark St (4-4) rallied off 4 straight SBC wins (+164 ypg, +23 ppg) to finish T-1st in the SBC West (lost tiebreaker to LA). Hansen improved his accuracy (67%) and threw 10 fewer INT's (6). The OFF gained 46 ypg above what foes all'd, and improved their rush numbers to 183 ypg (4.8). Ark St's run D took a step back though, allowing 201 rush ypg (5.0) this ssn (136 ypg, 3.6 ypc all'd in '17).

Arkansas St is used to playing in bowls and HC Anderson would no doubt like to improve upon his 1-3 SU mark. NV is 0-3 ATS vs FBS non-conf foes TY, while Arkansas St is on a 19-12 overall ATS run. Our checklist leans with the Red Wolves & we'll call for them to win by just over a fg.

FORECAST: ARKANSAS ST RATING: 2★

UM has won all 4 prior mtgs SU with LY being the lone non-bowl matchup. The last taking place just LY. This is UM's 1st appearance here, they've been to a bowl 8 of the L/9Y & lost 26-19 (-8) to SC in LY's Outback Bowl. HC Barbaugh is 2-3 SU/ATS in bowls. After just 4 wins in '17, UF is in a bowl for the 4th time in 5Y, this is their 3rd trip here & 1st s/'04. HC Mullen is 5-2 SU/3-4 ATS in bowls.

UM ret'd 17 ret str's and was a legit B10 title contender. After losing their opener at N Dame, they reeled off 10 str wins, all but 1 by DD's. They were chalk in Columbus for the 1st time s/'04 with a trip to their 1st B10 Title gm on the line, but were blown out all'g the most pts thru regulation ever. Shea Patterson has been a huge upgrade at QB and his 21 td passes are the most here s/'13. Despite all'g a ssn high 567 yds vs OSU, the Wolverines remain #1 in the nation on D, holding foes to 159 ypg below their avg. DL Gary has opted to skip the bowl.

UF entered '18 the most exp'd tm in the SEC (19 ret str's, #4 Exp FBS). Despite that, the Gators saw their 31 gm win streak over KY end. The Gators recovered with 5 str wins incl getting revenge over LSU then lost B2B gms vs UGA & Mizzou. UF, who topped 500 yds in just 3 gms in 3Y under former HC McElwain, topped 500 yds in each of their L/3 & finished 9-3. The Gators avg 209 (5.2) rush ypg with both RB's Perine and Scarlett topping 700 each. QB Franks improved to 59%, 23-6 ratio. The Gators D holds foes to 48 ypg below their avg (#35 in FBS) and held 6 of their L/7 below their avg. Away from home, the Gators were +101 ypg and were 4-1 SU/ATS.

Not only has UM had a long to stew over their blowout loss to arch rival OSU, but they were also the lone B10 tm to lose a bowl LY. The only category that UF has an edge in is on the DL & that is very minor. We'll call for a UM squad that was in the playoffs on the last week of the regular season to win by DD's.

First mtg. Iowa is tied with Mich for the most appearances in the Outback Bowl, making their 6th trip TY (2-3 SU/ATS). This is Iowa's 6th str bowl gm, having won just 1 of their L/5 (2-3 ATS). Miss St is making their first trip to the Outback Bowl and is making their 9th str bowl (4-4 ATS), having won their L/3 but this is HC Moorhead's 1st bowl gm while HC Ferentz is coaching his 16th (7-8 SU/9-6 ATS)!

HC Moorhead was blessed with an exp'd team in his 1Y in Starkville. MSU brought back 17 ret'g starters incl QB Fitzgerald and a DL loaded with NFL talent. The Bulldogs won their F/3 gms then dropped their F/2 SEC gms with Fitzgerald struggling in the new system (47%, 4-7 ratio his F/6). MSU got back on track, winning 5 of their next 7, and outscored SEC West bottom feeders Ark & Ole Miss 87-9 in their L/2. Fitzgerald greatly improved as a passer down the stretch, hitting 61% w/a 11-0 ratio in his L/5 while also finishing rushing for 1,018 (5.1). The Bulldogs D held foes to 159 ypg below their ssn avg (#2 in FBS!) and on 5 occasions held a team to their ssn low. The Bulldogs were +134 ypg on the ssn.

Iowa snapped a 3Y skid that saw their win total decrease each season TY. The sked set up nicely for a return to the B10 Title gm as they avoided OSU, UM, & MSU while hosting UW. After a 3-0 start, they had a misleading loss to UW, then went another 3 gm win streak. The Hawkeyes lost 3 str by a comb'd 12 pts, but rebounded to win B2B to close out the reg ssn. The calling card is their DL dominant defense that is #7 FBS, holding foes to 112 ypg less than their avg. On OFF they are led by Mackey Awd winner TJ Hockenson. Fellow stud TE Noah Fant has opted to skip the bowl.

MSU allows just 268 ypg and Iowa just 291. MSU will have a tough time running against an Iowa D that allows 104 (3.2) rush ypg while Iowa faces an MSU D that allows 104 (3.0) rush ypg. We like Iowa to pull the upset but will use the UNDER as our play.

1st meeting. UCF puts their 26 gm win streak on the line. This is their 3rd straight bowl and they beat Aub in the Sugar Bowl LY 34-27 (+10). UCF won the '14 Fiesta Bowl over Baylor 52-42 (+16'). LSU is in a bowl for the 19th str year but this is their first trip to the Fiesta Bowl. HC Orgeron is 1-1 SU/ATS at bowls w/LSU.

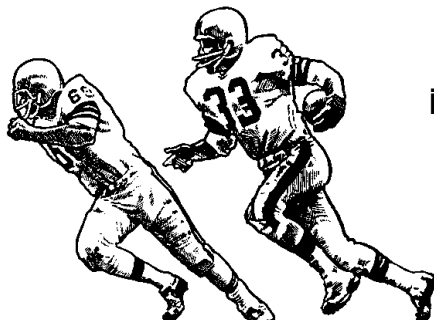

After an undefeated '17 campaign, UCF entered '18 more exp'd. While the entire cch'g staff was new, AA QB Milton returned, and expectations remained high. The Knights won their F/5 gms by no less than 20 pts each. In their 1st test of the ssn they were taken to the wire at Memphis, coming back from a 30-17 halftime deficit. ESPN Gameday was on hand for their top 25 showdown vs Cincy, but the 'Cats proved no match. In the reg ssn finale at USF, Milton was inj'd & OFY, but the OFF didn't slow down under QB Mack. The AAC Title gm was a tale of 2 half's as UCF trailed by 17 at halftime, but outscored Memphis 35-3 in the 2H! UCF is #5 FBS on OFF, avg 129 ypg more than their foes allow.

LSU brought back just 10 ret starters TY and were one of the least exp'd tms in the country. HC Orgeron's hot seat cooled off quickly this year after LSU's 5-0 start that included outright upsets over Miami and Auburn. After an 8 pt loss at UF, the Tigers picked up DD wins over UGA & MSU. They lost 2 of their L/4 incl a 7 OT heartbreaker at A&M in the finale. LSU's OFF avg 46 ypg more than their foes allow (#36 in FBS). The Tigers have our #5 pass eff D and they have AA S Delpit (5 int, 5 sk, 9 pbu), though CB Williams (2 int, 9 pbu) is sitting out and CB Fulton is out with inj. LSU's D holds foes to 70 ypg below their avg (#28 in FBS).

LSU has faced a much tougher sked (#17 vs #87), has the edge in the trenches and a significant matchup edge with their power run gm vs UCF's weak run D (290 ypg all'd L/5). Our checklist says LSU by 14 pts and they are laying just over a td. We totally agree.

FREE PLAYS EACH AND EVERY DAY - FREE PLAYS EACH WEEK!!!!

NCSPORTS COMPLINE 1-347-677-1700

FREE FOOTBALL PLAYS DAILY

Reg Ssn: Button #3 - NC Sportsline Plays of the Week: Underdog • NFL Totals • College POD • Pro POD Button #9 - Early Bird • Power Plays 4★ • Economy Club #2 Pick • Big Dog • PPH • College Totals Play

While the football season winds down, we do not offer the same TEN FREE PLAYS EVERY WEEK that we normally do EVERY WEEK of the regular season, but we offer FREE football plays right through Super Bowl Sunday! During the offseason our Comp Line is your source for FREE Basketball, Hockey AND Baseball Plays from the Northcoast Community Line Handicappers! As always - we've got you covered.

NORTHCOAST SPORTS PLUS OR MINUS POWER RATINGS

The Power Ratings listed below are not based on the Power Plays, they are based on last year's final computer power rating numbers with the pluses and minuses from the off season changes factored in. They are then adjusted during the course of the season based on the final score of the games that are played on a weekly basis. The Power Ratings listed below can be used for you as a base power ratings to forecast up coming lines and strength of opponents, etc. Once again, they are not based on Power Plays and they differ from what we have shown in recent years, which has been our actual computer Power Ratings. These are Northcoast Sports Plus or Minus Power Ratings.

Offensive and Defensive YPG Averages Compared to Opponent Average thru Week #14

This chart shows how teams fare vs what their opponents average on the season. As an example Oklahoma avg 578 ypg this year but their opp's avg's in games saw them allow just 385 ypg. Therefore Oklahoma was +193 ypg over what their opp's normally allow. On the defense side Alabama allowed 295 ypg and their opponents normally avg 426 ypg on the year. They held their foes to -131 below their season avg. A minus sign is a negative number meaning they avg below what their opp's allowed or on defense allowed more than their opp's usually avg. The Total Column adds the two number together and 3 of the top 5 teams all made the playoffs.

The "Granddaddy of them all" is football's oldest bowl game (first ply'd 1902). OSU is 8-3 all-time in the series but never met here. Both tms are making their 15th trip here w/OSU 7-7 SU (first trip s/09) is 7-6-1 SU (first trip s/01). HC Meyer will be cch'g in his final gm & is 4-2 SU/ATS in postseason play at OSU. HC Petersen is just 1-3 SU/ATS in bowls at UW.

UW was off B2B 10+ win seasons & had 17 st'r's back incl QB Browning & RB Gaskin. UW lost the opener to Auburn 21-16, then won 5 straight before losing to UO by 3 at home in OT (UW missed GW fg late 4Q). 2 weeks later UW fell at Cal 12-10 (Browning benched). UW won their L/3 gms incl a 28-15 in the Apple Cup to get to the P-12 title game where UW won a DEF battle vs Utah (10-3, 306-188 yd edge). UW's D held foes to 103 ypg under their ssn avg (#10) & allowed 116 ypg rushing (3.5). Gaskin missed 2 gms TY but still ran for over 1,000 yds (131 ypg L/4 weeks when healthy). Browning's numbers dipped again (65%, 16-10 ratio).

OSU entered '18 vastly less exp'd & had to replace a 3X B10 QBPOY. Still this is OSU was such that they had playoff aspirations. QB Haskins set multiple B10 pass records en route to leading OSU to a B10 Title. HC Meyer was susp the F/3 gms, but Ryan Day was the interim & they didn't skip a beat. Sitting at 7-0 & ranked AP #2, the Buckeyes were shocked at PU, losing by 29! Following a much needed bye, OSU then ran the table, surviving close gms vs Neb & at MD before blowing out arch rival Michigan in the first gm Meyer was a HD in C-Bus. The Buckeyes needed a statement win in the B10 Title gm to gain playoff steam, but failed to put NW away until late. OSU's OFF avg 170 ypg more than their foes allow (#2 in FBS).

OSU comes in with a huge edge on OFF and we can't help but like the Buckeyes playing in HC Meyer's final game before retiring. OSU has the talent and motivation to win this one by double-digits!

FORECAST: OHIO ST RATING: 4★

BOWL TEAMS TOUGHEST UNITS FACED

Here is a chart showing how difficult a schedule each bowl team faced in opposing units. For example, Appalachian St ranks #2 in the NCAA in pass D. The Mountaineers however have taken on the #125 toughest slate of passing offenses and our pass off D ranks them as #24. This chart is very helpful to look at bowl matchups. For instance if team A is playing Team B who has a strong rush offense, you will want to see how strong the rush defenses were that team B faced this year to get an idea of how they matchup vs their bowl opponent.
